In the year 1884, North Cove, WA became a community intended to be a luxurious beach destination. Dozens of homes, a school-house, a lighthouse, a Coast Guard station, and many other brick buildings were erected alongside North Cove's Cape Shoalwater. These structures have since been swallowed by the sea.

Washaway Beach, as the strip has come to be known, is the fastest-eroding place on the West Coast. For the past century, coastal erosion has stolen a yearly average of 100 feet of shoreline.\* Over 150 homes have been claimed by the water. Even to this day, the homes and livelihoods of many North Cove residents are threatened by the waves of Washaway Beach.

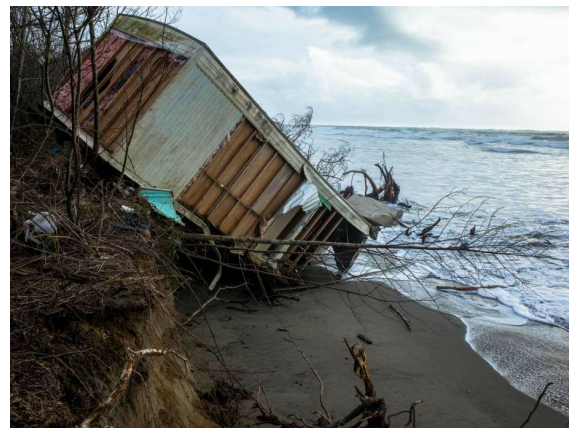

Recall the words of Jesus in Matthew 7:24-29.

(24) Everyone then who hears these words of mine and does them will be like a wise man who built his house on the rock. (25) And the rain fell, and the floods came, and the winds blew and beat on that house, but it did not fall, because it had been founded on the rock. (26) And everyone who hears these words of mine and does not do them will be like a foolish man who built his house on the sand. (27) And the rain fell, and the floods came, and the winds blew and beat against that house, and it fell, and great was the fall of it.

Where have you built your house? Wherever it's been established, rain will find it (Mt 5:45). In spite of this, you have reason for peace of mind if you hear Christ's words and do them. If your house is built on the Lord Jesus Christ, if your faith is founded upon the rock, it is stronger than any storm. However, if you hear Christ's words and do not put them into practice, grab a raincoat. A person whose faith is founded on anything other than obedience to Christ is doomed to witness their house fall with a great crash.

On Christ the solid rock I stand. All other ground is sinking sand.

After gathering recommendations from the congregation and discussion and prayer, the elders have placed two men before the congregation for **elders**. They are Benny Haught and Tim Murray. They both are very active in this congregation and we are happy they are willing to serve. If you have any concerns or comments you want to make to the elders about these two men, please do so by Sunday.
