2023
Matterhorn International Pro-Am

GENERAL RULES OF PLAY

1. Shirts & Shoes required. Sponsor logos allowed. Eating, drinking and smoking are prohibited on the course (except for bottled water).

2. Players have the option of either using equipment provided by Matterhorn Mini Golf, or using their own putter & ball, pending approval of the Tournament Directors. *Players may change balls depending on the hole, but the same ball must be used for the entirety of the hole.* All shots are to be made with the putter head (no billiard-style shots allowed).

3. Players must take their first shots from the designated tee area, which is either prior to start of the edging or otherwise marked at each hole.

4. If a ball comes to rest on the playing surface within 6 inches of edging or an obstacle, players are entitled to move their ball up to the length of a scorecard away. *The ball may **not** be moved in a direction so that it improves the intended pathway to the hole (eg: around a rock).* If the ball will not sit at its new spot, it may be moved further away from the hole.

5. If a ball comes to rest off the playing surface, it is to be returned to where it went out of bounds and one (1) penalty stroke should be noted. If the ball is touching even one thread of permanent carpet, then the ball is still considered in bounds. If the tee shot comes back to the tee area, it is considered out of bounds and it may be placed anywhere in the tee area for the next shot and a penalty stroke is noted.

6. Six (6) strokes is the limit in stroke play. Each player in a group must finish before the next person in their group tees off. The ball must stay in the hole to be considered holed out.

7. The Tournament Directors have the right to eject any player from the tournament for any attempt to gain unfair advantage, as well as any person who is disruptive to fellow players, spectators, and/or Tournament Staff and Guests. Should a player be ejected, said player will forfeit all entry fees. Additional rules, amendments and changes in format may be made at the discretion of the Tournament Directors on the day of the tournament. These will be clarified during the players meeting.

2023
Matterhorn International Pro-Am

TOURNAMENT FORMAT

Two divisions, Pro and Amateur, compete at the same time with varying requirements and prizes.

Both Pro and Amateur divisions begin with 2 rounds of stroke play to start.

Both divisions will be quickly regrouped for a final round to determine the winner! Ties for paying spots will be determined by playoff.

All registered pros will be eligible to be picked for a special skins round after the main tournament and a chance to win more money!
