LILYDALE MEET

On Saturday, October 21st, approximately 25 club members gathered for the final Gopher Chapter meet of 2017 which took place at the Pool & Yacht Club in Lilydale, MN. Weather was rainy and a bit on the chilly side this year, but that didn't stop those who attended from enjoying some early morning coffee and donuts and making some sales! The meet, hosted by Tom Murray, was considered a success due to the turnout. Thankfully, the rain subsided before noon making it easier to enjoy lunch which consisted of turkey and ham sub sandwiches, chips, and soft drinks. When asked for his reaction to this year's event, Tom said

"When the meet started around 9:00 AM, I had my doubts anyone would come. But, as time went on, members did start to file in. Thank you to all for making the effort to attend. I know a lot of members do enjoy this meet!" Tom plans to host his third annual meet at the Pool & Yacht Club on October 20, 2018. He hopes there will be better weather next time! Please enjoy pictures from the day courtesy of Rick Magnuson and Dave Peer.

MEMBER SPOTLIGHT

Say hello to Daryl Hall of Linwood, MN your spotlight member for January!

Daryl (age 54) works in commercial construction as an Estimator/Project Manager for a structural steel fabricator. His company provided some of the steel in the roof structure for the new Vikings stadium. Daryl has held his position for about eight years.

Daryl originally joined the AOMCI in 1980 and rejoined in 2015. He's been involved with the Gopher Chapter for the past two years. Daryl's interest in motors was sparked as a kid when he received his grandfather's Evinrude RBM. The boat in the photo is a Gleason, made in Jenkins, MN. Daryl and his wife Carrie bought it a few years ago. He's removed six coats of paint off of it, but it's sat untouched for two years now. Daryl would love to finish it but "time seems to be tight with work, grandkids, and whatever else life throws at you!" He's looking to acquire another motor or two to keep him busy into retirement some day.

When asked if there was anything he would like to add, Daryl shared "my dad was a collector of large and rare antique tractors that I helped him restore." But, antique and classic outboard motors feel like a better fit for Daryl with the space he has. He said "I'm really enjoying getting back in the club, learning about these motors, and meeting new people who share the same interests."

HAYNES' STILLWATER MOTOR MEET

Forty-two club members gathered on Saturday, January 6th for Tate and Dean Haynes' 9th annual Stillwater Motor Meet.

While the sun made an appearance, it was a tad chilly that day with temperatures hovering around -5 degrees. Lunch included Swedish meatballs and, of course, hobo stew- the entree many have come to expect over the years! Dave Wiborg made an appearance which was an obvious highlight. It was a great turnout for the first meet of 2018! Please enjoy photos of the day courtesy of Rick Magnuson.

MEMBERSHIP & TREASURER'S REPORT: Updated June 2017

BY MURRAY LANGER

The membership is at 82 paid up members for 2017. In order to increase the membership, an incentive is now in place. If you bring in a new member to the club, you will get next years dues free. So invite a friend to the meets, it can save you money. **The Dues have been increased to \$15.00 a year.** This is due to the web site monthly fees and the increased cost of printing and mailing the newsletter. These dues are for the local chapter only. The dues for the national club are separate from the local chapter. We are collecting for the **2017** season. **Please look at your label on your newsletter. You will see a date in the upper right corner.** This is the month and year that you have last paid your dues. **Your dues will be up for renewal one year after this date. "If your label is blank, your dues need to be paid". Also a note on membership, to be a member of a local chapter, you must be a member of the national club.** Thank you to all who have paid the 2017 dues so far!
