Notes: Pumpkin is a finished ranch horse! Just 8 years old, plain sorrel, and stands 14.3 with plenty of size to do the job. Been used in the wheat pasture to sort, doctor and brand yearlings. He rides on a loose rein and side passes to open close any gate. Call 406-594-4600 **Pen 406**

Notes: Ote is a 9 yr old granddaughter of DOCS OAK and MUCHO LEO BAR. She is another good example of our 59 years raising good minded, athletic horses with lots of speed and cow sense who excel on the ranch and in the arena. We always broke all of our mares because if we didn't like to ride them, we wouldn't breed them. She wouldn't be for sale if I was still raising colts. Current on shots, worming and dental.
