I hope everyone had a great Christmas. God is good. Thanks, to Bro. Lance for all he did to help us have a God based Christmas in our church. Isn't he a blessing? We are so blessed to have him as our pastor.

Some people make resolutions this time of year. May I make a suggestion? First, make a resolution to be in Sunday School and church more than you did in 2018! In Sunday School we study God's word. We can all learn more about God's word and Sunday School is a great place to do that. Please consider being a part of our Sunday School Program. Secondly, make a resolution to use all the offering envelopes this year. Your tithes and donations are very important to the ministry of our church and giving is biblical! I hope we will all work together to make 2019 a successful year for our church. We are all very blessed to be apart of this church family, so please work hard to make our church the best it can be.

See you in Sunday School,  
Jim Cooper
