Our Sunday School numbers are looking better, but we still have people who are not in a Sunday School class. Why? Most people who are in a class really enjoy it! There is fellowship, friends to talk to, people who care about you and who pray for you. Don't we all need those things in our lives? So, if you are not in a class or only coming now and then, please consider joining a class and see if you don't feel blessed! If you haven't been coming to class or you don't know what classes we have, see me and we will find you a class to attend. Also, if you want to change classes, no problem, we will find you a different one.

Sunday School is a great place to learn more about God's word. I hope you will consider being a part of our Sunday School program. I want to thank all of our teachers for the job they do. If you are in a class please let your teachers know how much you appreciate them. Teaching Sunday School is hard and your teachers work hard to prepare your lesson each week, so please thank them. One way to show your appreciation is to be in class as often as you can!

I hope you have a great February.

See you in Sunday School,
 Jim Cooper
