A STUDY OF CHRISTIAN HISTORY **Wednesdays** **6:00 pm in the Choir Room**

The history of Christianity is the story of reformers, revivalists, martyrs and crusaders. It's the story of how the good news of Jesus has spread around the globe. It's the story of God's spirit working through ordinary people in extraordinary ways. This story enables God's people to read the Bible better, to evaluate beliefs more wisely, and to understand why Christians do what they do.

Whether you feel led to contribute financially, through prayer, or both, all of your support is appreciated.

SUNDAY SCHOOL

Grow in Christ

I hope everyone is happy that spring is finally here. I know that I am!

I hope you are in a Sunday School Class and that you are in class each Sunday. If not, I pray that you will start. Sunday School is a great place to learn more about God's word and at

the same time develop new friendships and enjoy fellowship with other class members. Whatever your knowledge of the bible is, there is always something new to learn about God's word. Please consider becoming a member of a Sunday School class. If you need more information about our classes see me and I will be glad to help you.

I hope you all have a great April and a special Easter. Also remember "whoever you are, Jesus died for you".

May God bless you all,
Jim Cooper
