School is out and vacations are starting so I hope with everything going on that we won't forget about Sunday School and Church.

I hope you all have joined a Sunday School class by now, but if you have not, let me invite you to join one. Small group settings like Sunday School is a great way to learn more about God's word. We have excellent Sunday School literature for you to use and very good teachers leading classes. So, please consider being part of a Sunday School class.

Hope everyone is looking forward to homecoming on June 9th and father's day June 16th. I hope you will take part in these celebrations! Remember, we eat good at these functions.

See you in Sunday School
