## Filling Our Tanks

- We get "sick and tired"
- We run out of gas
- God knows how to fuel our tanks

### Reasons We Run On Empty

- We assume we have enough
- Driving too fast
- Not watching gauges
- Trying to get something better
- Unknown leaks

### Reasons We Run On Empty

- Too busy to refuel
- Not starting with a full tank
- Unrealistic/Wishful Thinking
- Using the wrong fuel
- Broken gauges
