

FAMILY

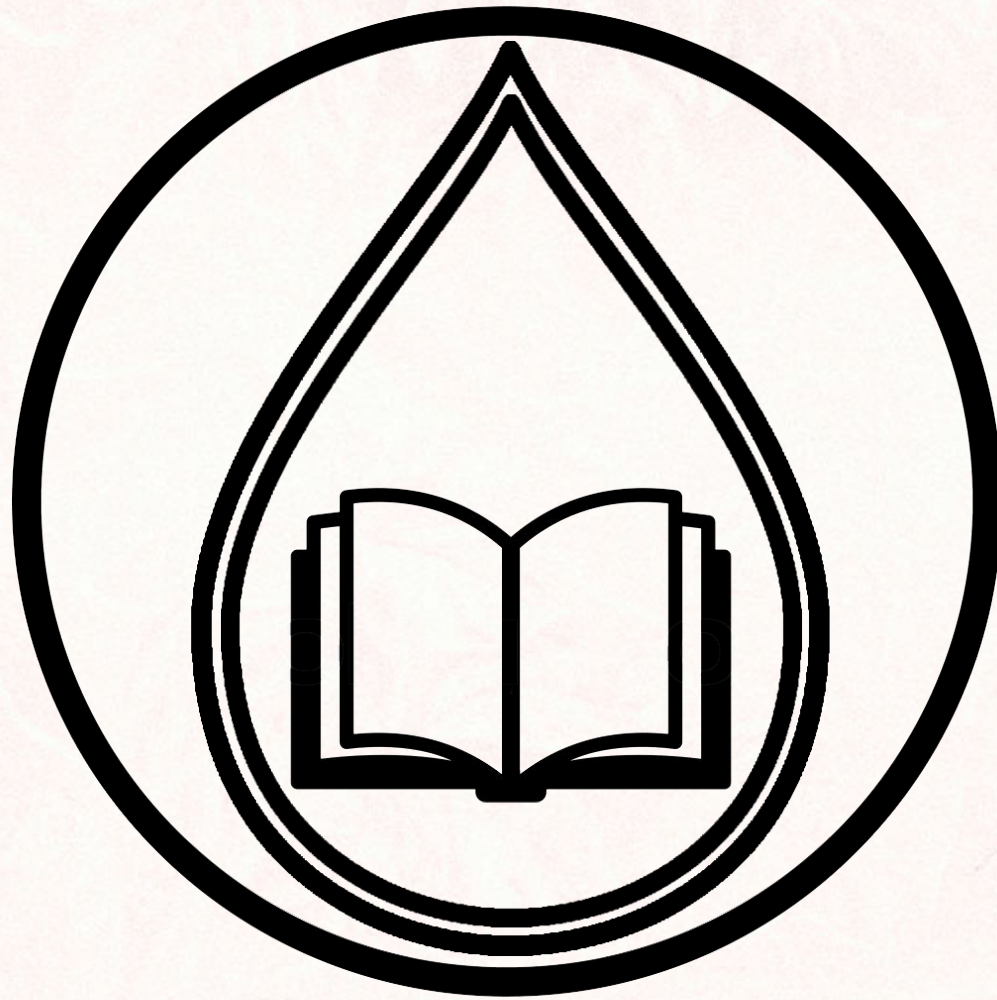

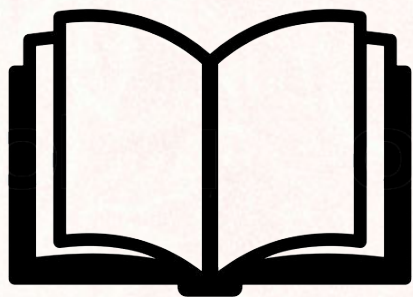

We are family

- Made family by Jesus
 - We have the same Father (Matthew 23.9)
 - Members are those who obey the Father (Matthew 12.46-50)
 - Made possible by the Father's love (1 John 3.1)
 - We are adopted (Ephesians 1.5)
 - Members are those who receive Christ (John 1.12-13)
 - This happens in a universal sense
- We should treat one another as family
 - We are to treat one another appropriately (1 Timothy 5.1-2)
 - We are to not grow weary in doing good for one another (Galatians 6.10)
 - This happens on more of a local sense
