# Our Heavenly Upgrade

- It is MORE than we think
  - It is descriptive, not prescriptive
  - To think of heaven in strict Biblical terms is to think of a physical, limited place
- It is a place where every need is met

# God Welcomes Us

- God wants us in heaven
- Jesus wants us in heaven
- The angels want us in heaven
- Our loved ones want us there
- There is a place prepared for each of us
