## **Eas'dern Shore Round-Up 2020**

### **RO I & RO II**

Preregistration is requested so we have an idea of how many students to prepare for.

The RO classes will be given on Friday, April 17, 2020 as follows:

RO I, 9:00-12:00 First Time students \$25, Refresher students \$10

RO II, 12:30-3:00 First Time students \$25, Refresher students \$10

Note: ROI must have been completed in the last year in order to take the ROII course.

Both classes may be taken the same day.

Please download or print out the materials for the classes you wish to take. Go over and bring same to class.
