

Welcome to the Forum and the Bulletin Board /Chat room

Terminology:

Top Page - equals Home Page.

Post – Click on Post only when you wish to add a topic to and existing Category.

Reply – writing to an existing topic.

Expand all forums – opens all Categories and shows all topics within the Categories.

Submit –Add your Reply to a Category or Add New Topic to a Category.

View – After selecting Post you decide not to create a new topic selecting View will take you to back to the Home Page. If you click on Post and write a New topic, selecting View will take you back to the Home Page. If you select a Rely and don't select Submit, View will take you back to the Previous Page.

Chat Room – To open a conversation with others using the board the same time as you.

The three things you may do:

Post a message which is adding a topic to existing Category.

Open an existing Category to write a Reply to an existing topic.

Enter the Chat Room.

or the page

The Password and E-mail request has been removed from the Board.
