Prayer to Our Lady, Health of the Sick

O Mary, you shine continuously on our journey as a sign of salvation and hope. We entrust ourselves to you, Health of the Sick. At the foot of the Cross you participated in Jesus' pain, with steadfast faith.

You, Salvation of the Roman People, know what we need. We are certain that you will provide, so that, as you did at Cana of Galilee, joy and feasting might return after this moment of trial.

Help us, Mother of Divine Love to conform ourselves to the Father's will and to do what Jesus tells us: He who took our sufferings upon Himself, and bore our sorrows to bring us, through the Cross, to the joy of the Resurrection. Amen.

We seek refuge under your protection, O Holy Mother of God. Do not despise our pleas - we who are put to the test - and deliver us from every danger, O glorious and blessed Virgin.

Jesus, during your ministry on Earth You showed Your power and caring by healing people of all ages and stations of life from physical, mental and spiritual ailments. Be present now to people who need Your loving touch because of Covid-19. May they feel the power of Your healing through the care of doctors and nurses.

Dear Parishioners of Our Lady of Peace

The members of the Knights of Columbus Council #1396 would like to offer a helping hand during these trying times.

Here are the ways we may be able to help:

1. Pick up food or supplies from either your local grocery store or pharmacy and deliver them to you. We ask that you limit your list to your needs for the upcoming week.
2. Pick up and deliver your prescriptions to you. (Birth date needed for pickup).
3. Perform minor but urgent repairs in your home. For example, simple plumbing issues such as sump pump malfunctions or clogged/running toilets are doable. We ask that you try to contact your regular repair person first, but we may be able to help if he is not available.

We would like to concentrate our assistance towards those without a support system or those parishioners who are compromised as a result of Covid-19. Due to social distancing we would not be able to drive you to appointments or bring you to the grocery store or pharmacy. We would meet you at your door with your supplies. We would need to enter your home only in the event that a repair needed to be done.

While we don't have the resources to help the entire community, if you know of a neighbor or friend in need, we would try our best to provide assistance. We are also putting out a call to all parishioners who feel they may be able to assist with this effort and be added to our call list, especially anyone under 60 years of age.

If help is needed, you may reach out to any of the following:
