BUSINESS INTRODUCTION

Community Engagement and Consultation Group Inc. (Ce-Cg) is a 501c (3) nonprofit founded in August 2017. Our mission is to create an environment that promotes ideas “one community at a time” Our vision is to be a trusted leader in continuity of community development.

The core of Ce-Cg is to support public health initiatives and exercise preventative measures through education and community engagement. Our primary goal is to reach every resident, community, all communities from multicultural perspectives via productive engagement and shared commonalities.

Our business strategies

- Authorship
- Transparency & Trust
- Valuing differences
- Multicultural celebrations
- Inspired engagement & collaborations

We cover a wide area of focus to include: Diabetes, Nutrition, Cardiovascular diseases, Mental Health and Well-being, and the integration of workforce development into community health. The intent of this business introduction is to invite all to our public and community services

Sincerely
