Our Light Duty Stainless Steel Casters have capacity up to 350#. 304 Stainless Steel. Highly polished finish for attractive and high performance visual. Highly resistant to water and solvents and most chemicals. We use stainless steel double ball swivel raceway for added durability and ease of swivel action. A stainless steel metal dust cover helps protect the swivel race. Seals in both upper and lower swivel raceway. Applications include: material handling carts and trucks, food service equipment and carts, institutional, commercial, hospital carts and equipment, and pharmaceutical carts. As well as dollies, wire shelving.
