History: The Silver Whiskers award is in loving memory of Cherokee Night Prowler who came out of retirement at the age of 22 to teach an 11 year-old junior rider the basics of dressage. Despite his age and being blind in one eye, "Cherokee" loved competing and earned scores up to 77% and was awarded the title of Reserve Champion in both SVDA and VADA Introductory Jr/YR divisions against much younger horses with an average of over 70% for both titles. Sadly, "Cherokee" succumbed to a very aggressive cancer in July 2014 but he instilled the love of dressage so deeply in his junior rider that she has now devoted her riding career to dressage.
