## Words from the New Executive Director

Blessings Dear Partners,

My name is Amabelys Hudson, the new Executive Director of Cities for Christ. I'm very grateful to God for being part of the Cities for Christ family. It is a privilege and an honor to take on this high-level responsibility. My only desire is to continue working to advance the Kingdom of Heaven on earth through serving the Team, all the Partner, and all the people that have and will be impacted through this ministry. I'm grateful for all of you, for your faithfulness, trust and support to this ministry, but moreover for your demonstration of your love for the Lord.

I'm here to correspond God's love, follow the vision of the founder, and ready to hear the voice from heaven for kingdom strategies and methodologies to continue growing as an organization as we work to expand the Gospel in every single nation that the Lord has destined of Cities for Christ. This includes our vision to Unite, Equip and Empower the Church to fulfill the Great Commission, applying all the necessary effort and effective management required to take care of the most valuable resource that we have, our team and the people.

Please keep us in prayer to receive Wisdom, the Guidance of the Holy Spirit, Grace, and Favor to accomplish God's dreams through the execution of this management position, in excellence for God's Kingdom.

Love and Bless You All,  
**Amabelys.**

Amabelys Hudson  
New Director of Cities For Christ

### **Panama - Testimony**

### **An entire Family Restored!**

This past month we baptized a couple that not long ago were on the verge of divorce. Their children were the first to attend our services and an accelerated work of growth started in their lives. They shared with us the struggles they were facing at home and we encouraged them and told them that no situation was too big for God and together we prayed for their parents.

A few months later the couple came to an outreach we held. During the event we presented a drama in which their kids participated. During the play the Lord spoke to them and they gave their lives to Jesus! They told us that God has supernaturally restored their marriage. Now their home is completely different, there is peace and joy again, among many other things. Praise God!

---

## **Venezuela**

### **New community medical office in Valencia, Venezuela**

Thanks to the donations of Cities for Christ, it was possible to open a community medical office with free medicine and service for the people of the area, an additional way of showing the loving heart of Jesus in the city of Valencia, Venezuela!

#### **Jesus Bread of Life**

The dining room called Jesus Bread of Life is currently feeding 100 people per month. Additionally the children and families who are fed here have been receiving the Word through a weekly discipleship program and Sunday school.

Here we can see the conditions of many of these children while waiting for their food. The need these little ones have is evident, it is more than just physical and extends to the emotional and spiritual well being of the children.

*"The work is being done and the dining room is just a gateway for what the Lord wants to do in these communities. We thank you for the donations, they allow us to reach many souls for Christ and bless them with a meal even once a day. To God be the Glory."* Pastor Gerardo, our partner in the work in Valencia.

**Breakfast with the King**

Last year the Breakfast with the King initiative began, initially the purpose was to provide breakfast to a group of 35 children before their sports activities, however today it has become a Christian Soccer academy for more than 150 children! The Word of God is spoken before each practice and many of these young people are now part of the family of God.

---

We rejoice in every life that is touched, in each meal that is sponsored, every time the Word of God is preached, each time the love of our Lord Jesus is shown through all these efforts.

**All this, we do for His Glory!**  
**Thank you for your partnership.**
