Mexico

# The Kingdom of Heaven is Near!

---

*As you go, proclaim this message: 'The kingdom of heaven has come near.'  
Heal the sick, raise the dead, cleanse those who have leprosy, drive out demons.  
Freely you have received; freely give. Matthew 10:7-8*

For more than two weeks the entire CFC team was in Mexico City with a group of 17 missionaries from the United States, Colombia, Panama, and Mexico bringing the love of Jesus and the power of His Gospel to the streets of the city.

We witnessed how God touched, encouraged, and transformed lives throughout the journey through salvations, healings, deliverances, and divine signs in different strategic locations of this huge city.

More than 800 people from children to seniors welcomed Jesus into their hearts and more than 250 experienced glorious healings in their bodies. 500 families received material and physical help.

During this tour, we held special events with victims of sex trafficking, prostitutes, homeless people, youth and children. The emphasis of these outreaches was to show God's love to each person, evangelize future generations, heal the wounds of the heart, and show the value that God has for each person as well as ignite the fire of the Holy Spirit in the heart of the Church.

Around 40 churches in Mexico City participated, which allowed to reach more than 2,000 people, leaving a seed sown in each heart. We believe it was a preparation for what is to come for the nation, its latter glory will be greater than the first!

In numbers:

- 40 churches participated in the tour
- 800 salvations
- 250+ healings
- 500 families received food and clothes
- 2000 people were impacted

Costa Rica

## **The Costa Rica for Christ Church Tour Continues**

---

We have been in Costa Rica preaching in churches throughout the country, as well as continually visiting pastors and recruiting them to join the Costa Rica for Christ vision, whose main events will be held in the first half of 2022.

For almost two months, Milena Noel and Samantha Gellis joined the team in the Central American country, touring the nation as part of the logistics and ministry teams.

## National Youth Conference

Steven Koko was invited to speak at the Evangelical Alliance “Slide the World Up” National Youth Conference, whose focus this year was teaching young people to boldly share the Gospel in their sphere of influence using creative ways. It was a great opportunity to inspire the nation's youth to participate in the Great Commission!

## Colombia

# ***Marching for Jesus in Sabanagrande, Colombia***

---

Evangelist Steven Koko was recently invited to preach at the March for Jesus in Sabanagrande, Colombia.

The event was held by a group of churches in the city with the purpose of winning souls. Among the guests was the mayor of the city, Gustavo de la Rosa, who received healing in his arm after receiving a word of knowledge from Steven Koko.

The march traveled through a large part of Sabanagrande and culminated in the main square with a message of the word imparted by Evangelist Steven Koko.

*“There were many who gave their lives to Christ as we walked to the main square, it was a blessing for the audience. Together with the church Evangelist Koko shared impactful messages in different areas as we walked through the city. **People had a great need to hear the Word of God.**”* Cesar Gomez, member of the organizing committee.

Prior to the march, the churches met for intensive evangelism training. During his time in Colombia, Steven Koko had the opportunity to minister to members of the military and the public force.
