Cities For Christ

Blessings

Family,

I am currently stationed in the mission field of Cartagena, Colombia. There has been a lot of planning and organizing leading up to this trip. Soon we will be receiving our students from our 5-month evangelistic Boot Camp and seeing them practice what they've learned.

Wherever we go, whatever we do, we see God's hand working in miracles, salvation, and divine appointments. We are completely dependent upon God for salvation is of Him.

Thank you, precious partners, for your faithfulness. We always thank God and

mention you in our prayers.

Steven Koko

The CFC Team and Bootcamp Students Together on a Mission!

The quest for souls continues, and we are ready for a new assignment! For the next 2 weeks, a team of evangelists and Boot Camp students will be in the city of Cartagena, Colombia to announce the Good News of the Kingdom to prostitutes, homeless people, orphans, indigenous people, and prisoners. We will also be ministering to the YWAM missionary base and a few churches.

For the past 5 months, our Boot Camp students have been trained in the area of evangelism and discipleship. Many of them will be joining us on this trip and will put into practice what they've learned.

We are excited and expectant for many to accept Jesus during these outreaches!
Please support us in prayer for a great harvest!

Something Special is Happening in El Valle

Jesus is making His name known amongst the people! The food distribution, the evangelism, the work with the youth, and weekly Bible studies are having an effect on people's lives in El Valle.

A House Of Healing

We are entering the first stages of something special, the mission house which has become a house of healing. People knock on Nick and Zulmy's door to receive Jesus, the tormented to receive freedom, and the sick have started coming to their house to ask for prayers of healing. God is showing His power, and lives are being transformed. This month Nick and Zulmy opened their home up for Sunday

services, where people from the different Bible studies come together to worship and connect. This Sunday will be their third service.

They bought a baptism pool and chairs to host the people and are currently praying for a building in the Main Street of town where many more can attend.

We believe whole families will come to Jesus and receive healing and deliverance. They also continue to distribute hundreds of bags of food to those in need and to minister the Word of God to those who are hungry for more.
