Greene County Youth Fair Organization

As set up by action of the Board of Directors of the Greene County Agricultural Society, an agricultural fair for the youth of Greene County, to be known as the Greene County Youth Fair, is to be held annually. Sections and classes are set up to promote exhibits which will further interest and display accomplishments of youth in the fields of Agriculture, Science, Home Economics and Leisure Education.

Youth Fair Committee Mission Statement:

The Greene County Youth Fair is a celebration of talents of Greene County youth, enabling youth to strive for higher goals and receive encouragement and support from family and community. We believe the fair should be:

Family oriented
 Educational
 Interactive
 Economical
 Entertaining

Premiums to be paid as described in Youth Fair book. The awards will be made from appropriations made by the Greene County Legislature and by the New York State Department of Agriculture and Markets to the Greene County Agricultural Society for the purpose of the Greene County Youth Fair.

General Fair Rules

- Exhibitors are limited to ages 5 to 21 as of January 1st of the current year. Exhibitors must reside in Greene County either full or part time, be members of a Greene County youth organization, or attend a Greene County school. The age on the entry card must be as of January 1st of the current year.
- 2. Fair Hours Thursday, Friday & Saturday 9:00am to 9:00pm; Sunday 9:00am to 3:00pm.
- 3. Vehicles are not permitted on the fairgrounds during fair hours. Vehicles are not permitted in the campground per New York State Health Department Regulations.
- 4. Any supplies necessary for the day must be in place before opening of the fair at 9:00 am.
- 5. Any exhibits or displays for non-livestock and livestock removed prior to Sunday at 3:00pm will forfeit premiums.
- 6. Volunteers and staff will not be responsible for exhibits remaining after 6:00pm Sunday.
- 7. Only those showing livestock may sleep overnight at the fair, with parental permission and the permission of the Livestock Superintendent.
- 8. No entry fees will be charged.

Non-Livestock Rules

- 1. Greene County Agricultural Society assumes no responsibility in case of loss or damage to exhibits for any cause, and upon this condition only, are exhibits received.
- 2. Non-Livestock exhibits are judged on Tuesday of fair week between 4:00pm and 8:00pm in the Green Building. Exhibits must be entered before 8:00pm on Tuesday. Entries will not be accepted after 8:00pm.
- 3. Exhibits will be put on display in the green building after judging and must remain on display until the close of the fair on Sunday at 3:00pm.
- 4. Perishable exhibits foods, flowers, vegetables, etc. will be disposed of after the closing of the fair. Accompanying ribbons and exhibit cards remaining after 6:00pm on Sunday will be discarded.
- 5. The Fair reserves the right to stop payment to any exhibitor not complying with rules set forth herein, or who disregards the instructions of the Fair Staff, or Superintendent in charge.

Rules For Livestock Entries

- All Livestock registration entries must be received by July 5^{th.} (Including Dog entries)
- 2. All livestock, poultry, and rabbits must be entered on Wednesday of fair week, between 12:00pm and 5:00pm. (Please check website for any changes in entry times for livestock)
- 3. The Greene County Youth Fair assumes no responsibility for any animals contracting a disease during the Fair.
- 4. All animals must be shown in the appropriate section and class. No "extra" animals. Exceptions may be discussed with the superintendent.
- 5. Animals scratched from any show must be removed from the fairgrounds. Animals may be asked to be removed from grounds at the decision of NYS Vet and /or superintendent's directive anytime during the fair as deemed necessary for the safety of animals, exhibitor and/or public. Any illness or injury must be immediately reported to the superintendent.
- 6. Animals exhibited must be owned by the exhibitor or be a Non-owned Project animal of the exhibitor by June 1st of the current year.
- 7. Animals must be entered as one animal for one exhibitor. Animals may not be shared by exhibitors.
- 8. Participantes must be able to show their livestock in the ring alone in their showmanship class. It is strongly suggested that a responsible adult supervise children as they show or handle their livestock and be on hand if assistance is required.
- 9. All animals must be de-horned. However, horned breeds customarily shown in that way may be permitted. (See superintendent)
- 10. To participate and receive premiums all livestock exhibitors must enter the appropriate Herdsmanship and Showmanship classes.
- 11. Sheep and goats must be identified by USDA official scrapie identification. See Animal Health Requirements.
- 12. "For Sale" signs or selling of animals is not permitted at the fair.
- 13. Feed is to be furnished by exhibitors, bedding by the Fair.
- 14. All feed should be stored in closed containers. All feed and show equipment must be stored in assigned designated areas. (see superintendent) All supplies should be in place before opening of the fair at 9am daily.

Superintendents will coordinate deliveries of feed during the fair with exhibitors only when absolutely necessary.

- 15. Exhibitors should bring their own wheelbarrow, shovels, rakes, etc.
- 16. Club signs and farm displays enhancing the exhibit are encouraged and must stay up until the close of the fair.
- 17. Livestock will be disqualified from the show at the discretion of the Youth Fair Committee or Show Superintendent if the animals' behavior jeopardizes the safety of the showman in the ring or the public.
- 18. The decision of the Judge is final for any contest or competition.
- 19. An exhibitor may be disqualified from any Livestock Show at any time during the fair at the discretion of the judges and/or superintendents. Grounds for disqualification are as follows: if the exhibitor misbehaves, shows evidence of poor sportsmanship and /or treats their animal in a manner which the judge or superintendent deems as inappropriate, abusive, and unnecessary.
- 20. All Livestock Exhibitors MUST assist in clean up, including horse exhibitors. You must check with the department superintendent before leaving the fairgrounds Sunday evening.
- 21. All Livestock must be entered on Wednesday between 12:00pm and 5:00pm Livestock need to be checked by NYS Vet before entry into tent areas.

Required Meeting of ALL Livestock exhibitors, parents/adults responsible for exhibitors Wednesday @6:00pm in Livestock Show Tent. Superintendents will answer questions for exhibitors regarding conduct, their areas, (parking, show-day, clean-up, etc.).

Judging Schedule Tuesday of Fair Week - 4:00pm - 8:00pm

- All exhibits are judged on Tuesday, with the exception of livestock.
- Non-livestock exhibits must be entered before 8:00 pm on Tuesday. Entries will not be accepted after 8:00pm
- All livestock, poultry, and rabbits must be entered on Wednesday of fair week, between 12:00pm and 5:00pm. (Please check website for any changes in entry times for livestock)

Best of Show

Exhibits selected for Best of Show will receive recognition at closing ceremonies held on Sunday at 2:30pm in the show tent.

4-H State Fair Selections

4-H Club exhibitors will have an opportunity to have exhibits selected to go to the 4-H competition at the NYS Fair. CCE of Columbia & Greene Counties make these selections. State fair selections are made from the excellent category of a particular class. These exhibits represent outstanding work by age, experience, and specific skills. Not all Youth Fair classes are repeated at the State Fair, and the number of exhibits that can be sent is limited. Not all "Best of Show" or "Excellent Blue Ribbon" exhibits are eligible to go to State Fair. Instructions will be mailed to each exhibitor following the Greene County Youth Fair.

Active Demonstrations, Individual & Club Exhibits

Youth Group/Individual/Animal Exhibits - Advanced entry required by July 15TH (See Section E) **Judging will take place between Tuesday and Thursday** Exhibits made by a youth group/individual will consist of a particular phase of project work or other educational activities. List the entry on the premium form.

Club/Organization Exhibit Set-up

(Table Reservations) - Advanced entry by July 15^{TH}

All clubs, groups and independents set-up their exhibits the day after judging between 9am and 3pm. You will be assigned a table(s). Please bring your own supplies such as table clothes, banners, hammers, wire, etc.

Activities sponsored by CCE of Columbia & Greene Counties 4-H Youth Development Program **Open to all Youth**

Sara Poggi-Decker, 4-H Program Manager (518-622-9820×107) syp27@cornell.edu

Public Presentation Showcase Section F, Class 1

Entry Form - Due July 15th

Time and Location to be Announced - See our website for updates.

Public Presentations are generally 5-15 minutes in length. Please choose from one of these **Categories**:

- 1. Demonstration- the presenter *shows* and explains how to do or make something.
- 2. Illustrated Talk the presenter uses visual aids to talk about the topic
- 3. Formal Speech the presenter is to persuade, motivate or inform the audience without the use of visuals
- 4. Creative Communication the presenter uses art forms such as recitation or dramatic interpretation as vehicles for conveying a message.

Why should you do it?

- Build Confidence
- Show and educate the public about what you have learned.
- Each participant will receive a prize.
- 4-H Club Members use as one of the required program learning options to apply for an Outstanding 4-H Project Work Award

What presentation can you use?

- 4-H and Cloverbud members can use the presentation they created for the spring 4-H presentations, or they can create a new presentation for this event.
- Non-4-H members and 4-H members who did not participate in the spring 4-H presentation event can choose a topic that is meaningful to them.
- Please note that technology may not be available. If you have technology needs please confirm with Sara.

Fashion Show - Section B, Class 10

Entry Form - Due July 15^{th.}

Time and Location to be Announced - See our website for updates.

Join us for a traditional fashion show. The garment you wear must be judged at this fair on Tuesday evening. Participants will receive a prize.

Participants must plan to be there 15 minutes prior to the start time. Please arrive dressed in your garment and bring a commentary describing what you sewed.

Check the web site for updates a - <u>http://www.thegreenecountyyouthfair.com</u> The commentary should include:

- 1. Your name
- 2. Your 4-H club name (if you are in one)
- 3. Number of years you have been sewing, knitting, etc.
- 4. A description of your garment
- 5. A description of your accessories chosen to best compliment what you have sewn.

CLASS

- 1. Babysitter's kit. The kit should contain appropriate first-aid supplies, emergency supplies, important information, and age-appropriate games. The kit should be contained in a bag for easy transport (for example - backpacks).
- A simple toy, completed by the exhibitor in a Child Development project. Must be accompanied by a card listing the child's age and type of play for which the toy is.
- 3. Child's game. Game should be completely designed and built by the exhibitor. Game should include rules for play.
- 4. Major items of fabric furnishings such as: bedspread, coverlet, quilt, dust ruffle, shams, curtains, draperies, rugs, pillows, etc.
- 5. Accessory such as: bulletin board, lamp, decoupage article, fabric covered item.
- 6. Wooden furniture item or accessory finished or refinished by exhibitor.
- 7. A reupholstered or re-caned furniture piece. The frame to be restored or refinished with a painted or natural finish. Reupholstered piece: use appropriate fabric and materials. Re-caned piece: new seat (and back) material of either woven, or pressed cane, Hong Kong grass, rush, splint, etc. Exhibit to be accompanied with the following statement: (a) history of article, (b) method of refinishing, (c) products used, and (d) where the finished item will be used.

Section D - Needlecraft

Needlecraft kits may be used in Section D; however, an instruction sheet must be submitted to the judge at time of judging.

CLASS

1. Knitted article: An exhibitor may make more than one entry, but they must be different items. For example: two pair of mittens could not be exhibited, but mittens and a hat could be entered by one exhibitor. (3x5 card stating size of needle, type of stitches and why you selected the materials.)

- 2. Crocheted article: An exhibitor may make more than one entry, but they must be different items. For example: two pairs of mittens could not be exhibited, but mittens and a hat could be entered by one exhibitor. (3x5 card stating size of needle, type of stitches and why you selected the materials.)
- 3. Fabric Construction: At least two articles showing different weaving techniques. This can include a display of woven paper samples or placemats showing types of weaves. Looped potholders are not included.
- 4. An educational series of 3 or more posters OR a 3-dimensional exhibit illustrating some learning from a crewel, applique, patchwork, or other clothing project. Examples might include such things as: steps in the process of making an item, types of stitches or designs, equipment required, use of materials.

An exhibitor may enter up to 6 different items in each of the following classes:

- 5. Embroidery
- 6. Needlepoint
- 7. Quilting
- 8. Counted Cross Stitch
- 9. Trapunto
- 10. Crewel
- 11. Hand Applique
- 12. Latch Hook

- 13. Shadow Stitching
- 14. Chicken Scratch
- 15. Hand Stitched Article
- 16. Fabric frame
- 17. Machine stitched Article such as fabric wreath, etc.
- 18. Fabric accessory such as door pocket, laundry bag, tote bag

Section E -Youth Group/Individual/Educational Animal Exhibits

Youth group exhibits are to encourage participation as a group. Judging will take place between Tuesday and Thursday. Form in back of this book.

ADVANCED REGISTRATION due before July 15^{TH-} form in back of this book Youth group/individual/educational animal exhibits will consist of a particular phase of project work or other educational activities. This should teach something by showing how to do it or be educational in content. The display space will be 4' x 4' x 4' including wall space. Youth action exhibits will be given space as needed.

- 1. Educational display by a Youth Group.
- 2. Educational display by an individual (must include a full description including purpose, process, and summary of your experience).

- 3. Educational Poster series Three or more posters designed and constructed by the individual exhibitor illustrating in detail some aspect of their livestock work.
- 4. Animal Feed Board Display. Complete examples of feed used for a single species.
- 5. Animal Forage Board Display. Complete examples of forage used for a single species.
- 6. Incubation and Embryology Exhibit An exhibitor is expected to have a still air incubator with chicks hatching for at least two days on display in club exhibit area. Exhibits should also have pictures of chicks in various stages of development.
- 7. Embryology Exhibit Poster display of incubation. Should include all the work involved with incubating and hatching eggs; for example: number of days, temperature, etc.
- 8. Youth Action Exhibit, this exhibit consists of group members who will work on a project or activity for 5 hours during the fair. (Hours do not have to be consecutive).
- 9. Club/Group Banners.
- Community service project. Group project. Exhibits may include a 3dimensional display, poster board series or photo album to describe a community service project conducted by a youth group. The creative use of photos, posters, samples, records and/or slides to "tell a story" is encouraged. Exhibit must include evidence of needs assessment, resource exploration, goal setting, actual project pursuit, publicity, and evaluation.

Section F - Public Presentations

Pre-entry - Due July 15^{TH -} form in back of this book Public Presentations are generally 5-15 minutes in length.

- Demonstration the presenter shows and explains how to do or make something.
- Illustrated Talk the presenter uses visual aids to tell about the topic
- Formal Speech the presenter is to persuade, motivate or inform the audience without the use of visuals.
- Creative Communication the presenter uses art forms such as recitation or dramatic interpretation as vehicles for conveying a message.
- CLASS 1. Public Presentation

Section G - Junior Superintendents

Participants must be at least 10 years old Pre-Registration - Due July 15^{TH} - form in back of this book

Awards will be made to exhibitors who help with the work and management of Fair and exhibits before, during, and after the Fair. This includes transporting materials, setting up exhibits, keeping order, answering questions, assisting judges, and in all ways, being helpful and cooperative. A neat, attractive personal appearance will also be important.

To receive credit for hours worked, each participant must check in at the Fair office (located in the Green Building) at the beginning of each work period, check out at the office when work is completed. It is expected that Jr. Superintendents complete the job assigned.

Note: Jr. Supers <u>must</u> complete an application and premium form. Requirements include <u>Work one shift on Tuesday to assist judges</u>, or <u>pre-fair set up</u>, working scheduled hours and following the guidelines given by the superintendent. It is recommended that you bring a bagged lunch/dinner and extra water for your shifts.

• A maximum of 25 hours can be worked during the fair. CLASS - 1. Leadership

Section H - Youth Achievement Books

Books will be judged on evidence of achievement in youth activities, workmanship, decoration, and arrangement. Book should include title page and table of contents. Achievement books should show your accomplishments and your progress from year to year. Guidelines are available from the Cornell Cooperative Extension Office.

CLASS

 Achievement books should show the evidence of activity in one or more youth activities or organizations. Suggestions to be included are: newspaper write-ups of one's activities (exhibitors name underlined or highlighted), certificates of participation or achievement, prize ribbons, photos of participation in youth activities, or work accomplished. To include materials which indicate work done and the achievement of the exhibitor.

Section I - Entomology

Display cards do not need to be wood but should be clean and large enough to hold specimens and labels.

CLASS

- First Year Project Exhibits must include a minimum of 20 specimens representing 5 insect orders. Classification need not be taken further than order names. Mounting: The wings of all butterflies and moths must be spread.
- Second Year Project Exhibits must include a minimum of 40 specimens representing 9 insect orders. Classification need not be taken further than order names. Twenty specimens must have been collected during the current year. Twenty specimens must also be identified by common name with the name written on a label and pinned separately near the specimen (easily visible, to aid in judging).

Addition of scientific names is optional in this class. Mounting: The wings of all butterflies and moths must be spread and at least one small insect must be mounted on a point or minuten pin.

- 3. Third Year Project Exhibits must include a minimum of 60 specimens representing 12 orders. Thirty specimens must have been collected during the current year, thirty specimens must be identified to common name, and at least five specimens (representing at least five families) must be identified to family. Scientific names (genus and species) should be included wherever possible, although insects from some orders will be difficult to identify in this level; common names should be placed on a separate label pinned near the specimen as in Class No. 2 Mounting: The wings of all butterflies and moths must be spread and at least two small insects must be mounted on points or minuten pins.
- 4. Educational display display shows the complete life cycle of an important New York State insect. Must include habitat, range, and why it's important.

Section J - Posters, Photography, Communication, and Visual Arts

Photographs must be taken by the exhibitor. <u>Exhibit must be ready to hang in a free-standing or ready to hang</u> <u>frame to qualify for judging, entries that do not follow the guidelines</u> will not be accepted /or lose one placing.

- Photography Album. Exhibit to consist of a minimum of 22 pictures, either all black and white or all color. Photos must be mounted, labeled, and placed in a suitable, durable, album or notebook, 8 1/2" x 11". Album will be judged on workmanship, mounting arrangement and picture quality.
- 2. (Prints must have been developed commercially.) A sequence of five or more prints (all black and white or all color) that tell a story about the exhibitor's project, activity or event or other educational experience in which the exhibitor participated. Not to exceed 22" x 28" in total size. Must have a title.
- 3. (Prints must have been developed by Exhibitor.) A sequence of five or more prints (all black and white or all color) that tell a story about the exhibitor's project, activity or event or other educational experience in which the exhibitor participated. Not to exceed 22" x 28" in total size. Must have a title.
- 4. Single black and white or color print, typical of project or activity; maximum size 16" x 20". No minimum size. Note whether the exhibit was commercially printed or printed by the exhibitor. Must have a title. Print must be framed.
- 5. Single unedited print Picture comes straight from the camera, no modification.
- 6. Poster Art. Poster should follow a topic or theme.
- All posters must be poster board, horizontal or vertical, using watercolor, ink, crayon, acrylic, charcoal, oil or collage. Copyright materials, such as "Peanuts" characters are not acceptable.
- Affix to front bottom right corner: state, theme area, name, interpretive statement. Make sure exhibits are under protective covering.

Section K - Vegetables

All placings will be on a group basis. The following definitions may help you in determining the quality of vegetable exhibits.

Excellent - Clean, free from injury. Uniform in size, shape, and color. of the best market size and quality. Beets 1 1/2 to 3 inches in diameter. Carrots 1 to 2 inches in diameter. Onions over 2 inches in diameter. Potatoes 6 to 10 ounces. TRUE TO VARIETY TYPE.

Good - Clean, free from damage. Fairly uniform in size, shape, and color. of good market size and quality. Beets over 1 1/4 and under 3 1/2 inches in diameter. Potatoes over 5 and under 12 ounces. FAIRLY TRUE TO VARIETY SIZE.

Worthy - Fairly clean, free from serious damage. Fairly uniform in shape and color. of fair market size and quality. Beets over 1 and under 4 inches in diameter. Carrots 3/4 to 3 inches in diameter. Onions over 1 1/2 inches in diameter. Potatoes over 4 and under 14 ounces. SLIGHTLY TRUE TO VARIETY TYPE AND SIZE.

No Award - Dirty, seriously damaged by disease, insects, or mechanical means; extremely different in size, shape or color, and not satisfactory market size.

All vegetables should be of the most desirable market quality or usable state of development and all exhibits must have the correct variety name. All exhibits in this area become the property of the Youth Fair and will not be returned. Any exhibits remaining will be discarded after 5 PM on Sunday.

Exhibitors must provide <u>rigid</u>, disposable plates for their vegetables.

CLASS <u>All exhibits must be correctly labeled as to variety.</u>

- 1. Beans, green snap, 10 pods with 1/4 to 1/2 inch of stem.
- 2. Beans, green shell, 10 pods of Kentucky Wonder, Horticulture or other named variety with 1/4 to 1/2 inch of stem.
- 3. Beans, lima, 6 pods in edible condition.
- 4. Beans, yellow snap, 10 pods with 1/4 to 1/2 inch of stem.
- 5. Beets, 3, tops trimmed to about 1 inch.
- 6. Broccoli, 1 head or small bunch of heads 6" or more in diameter.
- 7. Cabbage, 1 head (any type), 2 to 4 lbs. with 3 to 4 wrapper leaves.
- 8. Carrots, 3, any variety, tops cut off to about 1 inch.
- 9. Cauliflower, 1 head, any variety, cut leaves just above the head.
- 10. Celery, 1 plant, any variety.
- 11. Chard, 1 plant, roots off.
- 12. Cucumber, 12, for small pickles, under 3 inches long, any variety.
- 13. Cucumber, 6 for pickles, 3 to 5 inches long, any variety.

- 14. Cucumber, 2, slicing condition, 6 inches or longer, 2 inches or less in diameter. Short stem 1/2 to 1 inch on cucumbers will help small ones to keep better.
- 15. Dill, 6 seed heads, with 4-inch stems, displayed in plastic bag.
- 16. Eggplant, 1.
- 17. Endive,1 plant, clean, root off.
- 18. Heirloom vegetables, any variety from Heirloom seed packet, exhibited in same manner as other vegetable classes.
- 19. Kohlrabi, 2 tops and tap root trimmed to 2 inches.
- 20. Lettuce (leaf), 1 whole plant with roots off.
- 21. Lettuce (head) with roots off. (May have two entries one of Bibb type).
- 22. Miscellaneous vegetables such as parsnips, etc. (May have 2 entries of different vegetables).
- 23. Muskmelon, 1 mature, any variety.
- 24. Onion, bunching, 6 tops on but trimmed evenly.
- 25. Onion, Globe type, 3, tops trimmed to 1/2 inch, well cured and dried, not peeled.
- 26. Onion, sweet, 3 bulbs, tops trimmed to 1/2 inch, well cured and dried, not peeled.
- 27. Parsley, 1 plant, roots off.
- 28. Peas, 10 pods.
- 29. Pepper, hot, 3.
- 30. Pepper, sweet, 2.
- 31. Potatoes, any variety, correctly labeled, 3 tubers. (May have two entries of different varieties).
- 32. Pumpkin, 1, ripe, any pie variety.
- 33. Pumpkin, 1, ripe, any field variety.
- 34. Pumpkin, largest (hard ribbed stem), measured by the sum of the lengthwise and sideways circumference.
- 35. Radishes, 1-pint basket, tops trimmed to 1/2 inch.
- 36. Spinach, common, 3 plants, clean, roots off, displayed in plastic bag.
- 37. Spinach, New Zealand, 1/2-pound bunch of tops 4 to 6 inches long.
- 38. Squash, summer, 2, shells not hardened, 6 to 10 inches long. (may have two entries of different varieties).
- 39. Squash, winter, 2, such as buttercup, butternut, spaghetti, Table Queen, Gold Nugget (May have two entries of different varieties).
- 40. Squash, winter. 1 any large type Hubbard, Delicious, Banana.
- 41. Sweet corn, 3 ears, any variety (husks removed, displayed in plastic bag).
- 42. Tomatoes, 3, green, any variety, stems off, over 2 1/2 inches in diameter.
- 43. Tomatoes, 3, ripe, large fruited, stems off.
- 44. Tomatoes, ripe, cherry, or other small type, 1/2-pint basket, stems off.

- 45. Watermelon, 1, mature, any variety.
- 46. Giant vegetables, one specimen of any listed in classes 1 45 that is of exceptional size. Participation ribbon given.
- 47. Sculpture made from fruit and/or vegetables. Must be made from edible materials. Toothpicks, skewers, etc. may be used to fasten sculpture. Participation ribbon given.

Section L - Flowers & Ornamental Horticulture

The exhibit must consist of the number of spikes or blooms according to the list below. (All must be properly labeled as to kind and variety).

* Each stem must be at least 8 inches long except for the type of flowers that makes this impossible.

* Blooms of flowering shrubs and wildflowers will not be judged. Flowers that do not last as cut flowers (Hollyhock, Four O'clock, Portulacca) may not be entered.

* All entries MUST be of the same color and variety. Entries having blooms of different colors will be disqualified. (Example: An exhibit made up of red and pink petunias will be disqualified). All entries should be free from injury by insects, handling, or disease.

Bring your own containers. They should be marked by either tags or tape on bottom with exhibitor's name. Paper cups are not acceptable.

Flower Judging Score Sheet:

- a. Faults in entry too many specimens; too few specimens; variety name incorrect.
- b. Uniformity is lacking age; color; shape and size.
- c. Flowers are injured by disease; insects; handling.
- d. Other faults too young; imperfect; too old; short stemmed; small; weak stemmed; wilted; dirty.

Division I - Cut Flowers

- 1. Aster (annual) 5 blooms.
- 2. Bachelor Buttons, 5 blooms.
- 3. Calendula, 5 blooms.
- 4. Chrysanthemums (perennial) 5 blooms.
- 5. Chrysanthemums (annual) 5 blooms.
- 6. Cosmos, 5 blooms.
- 7. Dahlias, large double or cactus, 1 bloom.
- 8. Dahlias, single, collarette or pompom, 3 blooms.
- 9. Gladiolus, 1 spike (4 entries of 4 different colors or varieties may be made).
- 10. Larkspur (annual) 5 spikes.

11. Marigold (French) dwarf single or double, 5 blooms (flowers not over 2" in diameter.)

- 12. Marigold, African OR hybrid, 5 blooms.
- 13. Nasturtiums, 5 blooms.
- 14. Nicotiana, 5 blooms.
- 15. Pansy, 5 blooms.
- 16. Petunia, single, 5 blooms.
- 17. Petunia, double, 5 blooms.
- 18. Phlox (annual) 5 stems.
- 19. Phlox (perennial) 5 stems.
- 20. Pinks, 5 blooms.
- Roses, 1 stem or specimen, hybrids, teas, or floribunda (2 entries of 2 different colors or varieties may be made).
- 22. Scabiosa (annual) 5 blooms.
- 23. Snapdragons, 5 blooms.
- 24. Strawflowers, 5 blooms.
- 25. Sweet Peas, 5 blooms.
- 26. Sweet William (annual) 3 bunches of blooms.
- 27. Verbena, 5 stems.
- 28. Tithonia, 5 blooms.
- 29. Zinnia (baby) under 2 inches, 5 blooms.
- 30. Zinnia (medium) 2 inches to 4 inches, 5 blooms.
- 31. Zinnia (giant) over 4 inches, 5 blooms.
- 32. Miscellaneous any flower not named (not more than three entries by any one exhibitor, 5 blooms).
- 33. Herbs Minimum of 3 different types. Must include explanation of uses, common name, Latin name and be displayed on 8 1/2 " x 11" sturdy white or light-colored paper.
- 34. Exhibit of 10 weeds common to lawns, gardens, and flower beds. Each specimen must be pressed, dried, securely mounted on a cardboard 8 1/2 x 11" correctly.

Indoor Garden

- 35. Terrarium
- 36. Dish Garden or miniature landscape.
- 37. Potted plant, non-flowering (not more than 2 entries of different varieties for any one exhibitor) bright, clean container must have been potted for at least 3 months.
- 38. Potted plants, flowering (in good bloom), not more than 2 entries of different varieties by any one exhibitor, bright, clean container must have been potted for at least 3 months.
- 39. Plaque of dried materials.

- 40. A fresh or dried flower arrangement. (Flowers not necessarily grown by exhibitor). Specify the use.
- 41. A non-flower table arrangement (fruit, nuts, gourds, dried material, etc.) Specify the use.
- 42. A corsage using home-grown flowers or greens or dried material.
- 43. Decorations of Natural Materials door piece; table arrangement, wreaths (grapevine, straw, greens, etc.). May have 2 entries of 2 different types.
- 44. Pressed flower picture, framed and equipped for hanging. Name on front right bottom corner.
- 45. Herbs, potted, minimum of 3 different types. Each container labeled. Must include explanation of uses, common name, Latin name.
- Horticulture
- 46. Garden Record Book List plants chosen and varieties and list reason for selection. Provide garden design sketch, including lay-out, dimensions, and spacing. Indicate direction north. Photos showing before and after are helpful.
- 47. Plan of annual and/or perennial flower garden Show varieties, name, placement, height, and color. Use scale no smaller than 1-inch equals 4 feet. Indicate direction north on plan.
- 48. Plan of home vegetable garden Show varieties, name, placement, height, and approximate harvest times. Succession of plants may be indicated by a tracing paper overlay. Use scale no smaller than 1-inch equals 4 feet. Indicate direction north.

Section M-Natural Sciences/Agronomy/Environmental Awareness

- 1. Tree I.D. Notebook should include the leaf, twig, and fruit (if available) of 15 trees. Each specimen should be properly identified and labeled with the common name, scientific name, when and where collected.
- 2. Bird Record Book must include information on the observation of 20 birds that have been identified and a description of 2 activities completed (bird house made, feeders, bird baths, etc.). Those exhibiting for a 2nd year must have 35 birds and a 3rd year exhibitor must have 50 birds. Describe any field trips made and list birds seen on field trip. Bird observations should include common name, date, time and location of observation, and the activity observed (feeding, perching, building nests etc.).

- 3. Ten mounted specimens of shrubs and trees that attract birds. Give reasons birds like them (food, shelter, nesting sites). Mount of twig and pressed leaf on an 8 1/2" x 11" sheet and place in a suitable notebook or cover.
- 4. Maple Syrup must be in a 1-pint, clear glass container with a top that can be opened and tightly closed. You may bring a smaller sample for tasting.
- 5. Fly Tying. A display of eight different flies tied by the exhibitor and displayed in an attractive case.
- 6. Poster display that promotes environmental awareness in one of these areas: recycling, composting, air pollution, local wildlife, biodiversity, or other related field. Must have provisions for hanging attached.
- 7. Honey or beeswax product.
- 8. Animal tracks. Collection of 10 local species. May be from molds or casts of tracks in the field. All species must be identified with common name and scientific name.
- 9. Wildflower collection. 15 local species, pressed, displayed in a notebook, and identified with common and scientific name.
- 10. Bird Nest Exhibit (Nest must not be disturbed) Photos of two (2) nests, each to be accompanied by label of where found and types of bird and information pertaining to individual species, materials used, etc.

Agronomy – Must be a home farm product, must have assisted in cultivation, planting, and harvest, must select own exhibit.

Small Grains, Silage, Haylage	Hay Classes, (6" to 10" section of field
13: Unthreshed Sheaf at least 6" diameter)	bale securely tied.)
11. Oats	18. Alfalfa
12. Oats and Barley Mixed	19. Any Clover
13. Any other Small Grains.	20. Trefoil
14. Three (3) ears of Grain Corn.	21. Timothy Hay
15. Quart jar of Corn Silage.	22. Mixed Hay
16. Quart jar of Grass Silage.	23. Mixed Legumes
17. Quart jar of Haylage.	24. Any other Legumes

Environmental Awareness

- 25. Photo display of personal recycling effort (plastic containers, cans, bottles), poster, display or audio-visual piece explain benefits of recycling, reuse, reductions and/or environmental shopping.
- 26. Recyclemania: Treasure From Trash- Useful item made from throw-aways. Must explain benefit of recyclable items used on 3X5 index card.
- 27. Actual indoor worm composting system for recycling kitchen food waste along with poster explaining how it works. Exhibitor is responsible for the care and feeding of worms during fair.
- 28. Two samples of embellished (i.e.: decorated, embossed) paper/note cards/jewelry made from recycled paper.
- 29. Exhibit showing new products currently being made from recycled material(s) such as plastic lumber, clothing, etc. show initial product, intermediate steps, and new product.
- 30. Exhibit comparing different kinds of packaging for a single product (i.e.: potatoes, popcorn, milk, etc.) explain the impact each kind has on the environment and the difference in price of the product.
- 31. Photo display, poster or 3- dimensional model showing one or more good practices in water conservation or water quality management. (i.e.: streamside monitoring, storm drain stenciling, rain gardens or rain barrels).

Section N - Mechanics, Woodworking, Electricity, and Knots

All qualified exhibits will be awarded cash premiums. All wooden articles entered must be finished unless project is designed to not have a finish on it. Any newly painted or finished articles with wet paint or finish will be disqualified. Note: The use of synthetic wood is permitted.

- 1. Exhibit of ten (10) mounted specimens of knots and hitches.
- 2. Rope halter
- 3. Rope splice, long method.
- 4. Macramé.
- 5. Articles showing soldering or welding.
- 6. Model rocket (operable) assembled from kit.

- 7. A reupholstered or re-caned furniture piece. The frame of the piece does not have to be constructed by exhibitor.
- 8. Repaired item. Household item can be recovered, rewired, mended, or remodeled into functional items. The exhibitor should be able to describe the repair process and have materials used for the repair written on an index card.
- 9. Hand carved items, such as a bowl or figurine.
- 10. Any articles made for use in a specific project such as: birdhouses, feeders, saddle racks, grain boxes.
- 11. Miter box or toolbox.
- 12. Wood accessory constructed and finished by exhibitor, such as; magazine rack, picture frame, wooden bowl, etc.
- 13. Wooden furniture or accessory from kit.
- 14. Woodworking, Jr. Division (under 14 as of January 1 of the current year). Articles made from wood as part of a woodworking project, in industrial arts classes, individually, etc., and not listed elsewhere. Not more than three (3) items.
- 15. Woodworking, Sr. Division (14 and over as of January 1 of the current year). Same as Class 13.
- 16. Electricity, Jr. Division (under 14 as of January 1 of the current year). Include series and parallel wiring circuits (minimum of a switch and two bulbs); a simple nail-type three-way switch; heavy duty extension cords; re-wired lamps; pin-up lamps; an exhibit of ten (10) types of wire, telling their use; a test lamp; and a demonstration board. Exhibitors are limited to select any three (3) exhibits.
- 17. Electricity, Sr. Division (14 and over as of January 1 of the current year). Articles made in advanced electrical programs. Includes: a switched electrical outlet; two (2) three-way switches with power fed into the electrical outlet between the two switches; two (2) three-way switches with power fed into one of the switches with the electrical outlet mounted between the switches; a 30-ampere service entrance switch with two (2) 115-volt circuits containing at least two fixtures and a proper ground; advanced lamps. Exhibitors are limited to three (3) exhibits in this class.

Section O - Creative Arts & Crafts *Limit of 10 total entries in Section O*

All entries are to be representative of Arts and Crafts project materials that encourage creativity, exploration and experimentation with materials, tools and/or practiced skills, and the employment of design elements and principles. Creativity is an aspect of all art object classes.

Classes 1 - 3 <u>must be titled, stretched, matted, or framed for display and</u> <u>equipped for hanging. Failure to do so will result in losing one level placing/or may</u> <u>not be accepted for entry.</u>

- 1. Drawing: Expressive work in any of the following media: pencil, charcoal, felt tip pen, stick charcoal, crayon, colored chalk or pastel, brush, and ink, may include calligraphy.
- 2. Painting: Expressive work in any of the following media: oil, watercolor, acrylics, or mixed media (i.e. watercolor and ink, acrylic and chalk, etc.)
- 3. Graphics/Prints: Any printing process that duplicates one or more identical images: linoleum, wood cut, stencil, silkscreen, etching, "found" objects making an inked imprint. Designs and printing tools should be made by the exhibitor and express exhibitors' own ideas.
- 3a. Computer generated graphic designs.
- 4. Sculpture: Three-dimensional objects, of any personal theme or concept. Materials may be wood, stone, clay, original cast plaster, papier mache, sheet metal or wire, fibers, fabric, or fiberglass. Processes carved, molded, fired, soldered, glued, molded, laminated, nailed, sewn, etc.
- 5. Wood and/or Paper: Processes: carving, gluing, inlay, cuttings, tearing, laying. Examples: games, toys, puzzles, boxes, candleholders, masks, collages, models or wall/door hanging.
- 6. Ceramics/Pottery: Objects of clay, fired and/or glazed, hand built, wheel thrown, cast from original mold.
- 7. Leather: Objects can be tooled, carved, molded, stamped, laced, stitched, or riveted: be combined with other materials. Examples: pictures, chaps, bookmarks, belts, purses, jewelry, saddlebags, etc.
- 8. Metal: Jewelry and objects of metal used singly or in combination with other materials such as plastics, wood, bone, enamel. Objects can be made by the following process: etched, engraved, tooled, or molded. Examples: boxes, candleholders, jewelry, vases, etc.

- 9. Mosaics: Two or three-dimensional objects using clay tile, glass, stone, natural and found materials. Examples: trays, tabletops, plaques, lamp bases, vases, etc.
- 10. Recyclables: Objects to consist of recyclable materials such as: cans, papers, bottles-arranged in a creative and attractive design. Examples: mobiles, collages, posters.
- Heritage Arts and Crafts: Traditional objects using materials, methods and/or decorations based on ethnic art or handed down from one generation to another. Hand spun wool, or fur objects, cured and tanned leather objects, natural dyed objects, tin ware, stenciled wood and tin ware, natural clay handmade pottery, splint or natural reed basketry, ethnic art objects, soap, cordage.
- 12. Holiday Decorations
- 13. Creative Clothing Accessory. These items designed by the exhibitor should have a decorative and/or functional purpose. Examples include vest, jewelry, hair accessory, decorated t-shirts.
- 14. Fabric covered item, etc. (photo album cover, baby book cover)
- 15. Open any craft item that does not fit in any of the classes above.

Section P - Creative Writing

Limit of 3 entries per class. Writing must be entered on Tuesday.

Cloverbud - Ages 5 to 8 Jr. Division - Ages 9 to 13 Sr. Division - Ages 14 to 21

- Children's book. Book should be written and illustrated entirely by exhibitor. Must be accompanied by a card listing the age for which the book was written and the lesson or skill to be learned from the story.
- 2. Creative Writing limit 2 pages. Educational report.
- 3. Poetry collection of 5 or more poems written by exhibitor and must be exhibited in book/binder form.
- 4. Short story maximum of two typed pages, doubled spaced.

Youth Fair Committee Mission Statement:

The Greene County Youth Fair is a celebration of talents of Greene County youth, enabling youth to strive for higher goals and receive encouragement and support from family and community. We believe the Fair should be:

* Family Oriented * Educational * Interactive * Economical * Entertaining * Premiums will be paid as described in the Youth Fair Book. The awards will be made from appropriations made by Greene County Legislature and by the New York State Department of Agriculture and Markets to the Greene County Youth Fair.

Livestock Superintendent: Carl Kohrs (518-701-8886)

Emergency Animal Disease Regulations for 2025

NYS State and County Fairs

Date: January 31, 2025 (subject to change, check back regularly at website below)

Due to the ongoing Highly Pathogenic Avian Influenza (HPAI) outbreak in both cattle and poultry, there are emergency import regulations in effect. In addition, there are federal orders for dairy cattle in effect. Regardless of residency, any emergency conditions and testing requirements <u>must be met in addition</u> to the Part 351 fair requirements to be admitted to the Great New York State and county fairs. These conditions may change at any time. It is STRONGLY recommended that you frequently review these regulations and federal orders at our website:

https://agriculture.ny.gov/farming/fairs

DAIRY CATTLE: (Out of state)

A. Emergency Import Requirements

The Department has issued new import requirements for <u>dairy cattle</u> coming into New York (https://agriculture.ny.gov/animals/animal-import-export).

- Importation of dairy cattle from a premises with a confirmed case of HPAI or a premises under investigation as a suspect premises is **prohibited**; and
- Dairy cattle imported from affected states must be accompanied by a Certificate of Veterinary Inspection (CVI) issued within **10 days prior to entry** into the state; and
- CVIs issued for dairy cattle from affected states must include the statement: "All animals identified on the Certificate of Veterinary (CVI) have been examined and do not originate from a premises with a confirmed detection of Highly Pathogenic Avian Influenza, or that is currently under investigation as a suspect premises."
- Non-lactating dairy cattle > 18 months of age imported from states that have had a confirmed case of HPAI in cattle (within the last 30 days): Must have a negative Influenza A test (nasal swab/PCR) within 10 days prior to entry. The date of test and test result must be written on the CVI.
- Must be tested individually. If they are moving as a group or lot, the maximum number to test is 30.
- Must be accompanied by a copy of the laboratory report. The report shall be retained by the destination facility for 3 months.
- USDA APHIS has additional restrictions for interstate movement of lactating dairy cattle which can be found here.
- **B.** All lactating dairy cattle must be tested for HPAI before entering NY fairs or exhibitions.
- All lactating dairy cattle must test negative for HPAI within seven (7) days prior to entering a fair or exhibition, including the New York State Fair, county fairs, or other exhibitions. The test must be conducted at a National Animal Health Laboratory Network (NAHLN) lab. Individual animal test is required.

DAIRY CATTLE: (In state)

• All lactating dairy cattle must be tested for HPAI before entering NY fairs or exhibitions.

• All lactating dairy cattle must test negative for HPAI within seven (7) days prior to entering a fair or exhibition, including the New York State Fair, county fairs, or other exhibitions. The test must be conducted at a National Animal Health Laboratory Network (NAHLN) lab. Individual animal test is required.
Animal Health Requirements for Admission to New York State and County Fairs

- Individual Species Requirements
 - Horses
 - Cattle
 - Sheep
 - Goats
 - Swine
 - Llamas and Alpacas
 - Poultry
 - Deer/Elk
 - Miscellaneous Ruminants
- Exhibitor Pre-fair Guidelines

EMERGENCY DISEASE REQUIREMENTS

Due to the ongoing Highly Pathogenic Avian Influenza (HPAI) outbreak in both cattle and poultry, there are emergency import regulations in effect. In addition, there are federal orders for dairy cattle in effect. Regardless of residency, there are HPAI test requirements for any lactating dairy cow also in effect for New York fairs and exhibitions. These emergency conditions must be met in addition to the Part 351 fair requirements to be admitted to the Great NY State and county fairs. These conditions may change at any time. It is STRONGLY recommended that you frequently review these regulations and federal orders for both poultry and cattle at our website: https://agriculture.ny.gov/farming/fairs

General Prohibitions and Requirements

- No person shall bring or have present an animal on the fairgrounds for any reason (show, exhibit, raffle, demonstration, display) during a fair which is not qualified under NYS regulations.
- Any animal which is subject to inspection upon entry to the fairgrounds will be inspected without covering (wraps, coats, head gear, etc.).
- No person shall present an interstate or intrastate certificate of veterinary inspection that has been altered by anyone other than the issuing veterinarian.
- Animals demonstrating clinical signs or other evidence of infectious, contagious, or communicable diseases shall not be allowed on the fairgrounds during a fair.
- Representatives of the Commissioner may deny admission to, or require removal from, the fair premises or require the segregation of any animal showing signs of, or exposed to, any infectious, contagious, or communicable disease.
 <u>NOTE</u>: The fair board of directors has the authority to reject unworthy or unsightly exhibits for reasons other than infectious, contagious, or communicable disease (Part 350.10). The state veterinarian or animal health inspector will bring guestionable exhibits to the attention of the fair board.
- All animals presented that originate from a location other than New York shall meet all New York State importation regulations appropriate to the species in addition to the fair animal health requirements.

Certificates of Veterinary Inspection (CVI)

- Cattle, sheep, goats, swine, llamas, alpacas, deer, and misc. ruminants require a valid CVI to enter the fairgrounds.
- The CVI must be issued by a Category 2 accredited veterinarian. Wet ink signatures for paper CVIs or e-signature for eCVIs are acceptable.
- A physical CVI must be available to inspection staff for date and approval at time of inspection. This may be a printout of an eCVI or owner's copy of a paper CVI.
- All animals must be officially identified. **ALL MANMADE ID MUST BE RECORDED.** Refer to Animal Identification section below for more information.
- Only one species is allowed per certificate.
- The type and duration of certificate required depends on the origin of the livestock.

New York Origin Livestock:

- A valid intrastate CVI (AI-61) is required.
- Each animal must be individually identified on the CVI (see below).
- The CVI must be issued on or after May 1 of the current year.

Out of State Origin Livestock:

- All animals entering New York State must satisfy import health and test requirements for that species and be accompanied by a valid interstate CVI.
- An e-CVI may be issued but a paper copy of the e-CVI is required for the animal check-in process.
- The interstate CVI is valid for 30 days from the date of CVI inspection. During the fair season (July 1 through Labor Day) valid CVI's can be used multiple times for entrance into fairs. The initial entrance into a NY fair must be within 30 days of the

date of CVI inspection. For the CVI to be used for a later fair, it must be dated and initialed by a NYS Agriculture and Markets official noting the location of the initial fair. A change in health status or eligibility of an animal necessitates the generation of a new CVI.

Questions regarding import requirements should be directed to the Division of Animal Industry at 518-457-3971, or at the division's import/export homepage: <u>https://agriculture.ny.gov/animals/animal-import-export</u>

Animal Identification

- ALL MANMADE ID MUST BE RECORDED
- All cattle must be identified by an official USDA radio frequency identification (RFID) eartag, commonly referred to as an "840 RFID tag" or equivalent official RFID tag if the animal was tagged in another country.
- Sheep and goats must be identified by official scrapie identification (see sheep and goat sections below).
- Swine must be identified by an official USDA approved ear tag. Radio frequency identification (RFID) ear tags, commonly referred to as "840 RFID tags," are strongly recommended. Nursing piglets originating within NYS do not have to be individually identified if the sow is correctly identified on the CVI and the number of piglets in the litter is noted on the CVI. Nursing piglets from out of state will need official ID (see swine section).
- Llamas and alpacas must be identified by official ear tag or microchip.
- Misc. ruminants must be identified by unique ear tag or microchip.
- A complete written description is sufficient identification for horses entering New York accompanied by a CVI. The description must match the EIA test record. Horse sketches and descriptions should reference color pattern, hair whorls, chestnuts, scars, and other markings as necessary to uniquely identify the horse. Tattoos and microchips, if any, should be included. "Bay, no markings" is not an acceptable description for a CVI or EIA test record.
- <u>NOTE</u>: If you are exhibiting animals identified by microchip, a working reader must be supplied by the exhibitor.
- For questions on animal identification please contact your veterinarian or our office at 518-457-3502.

Rabies Vaccination

- Rabies vaccination is required for all species for which there is a USDA licensed vaccine available (cattle, horses, sheep, dog, cat, ferret) **and** that are *4 months of age or older* on the date of admission to the fair.
 - For most rabies vaccines, the earliest age allowable for primary vaccination is 3 months (12 weeks). Animals that are vaccinated prior to 84 days of age will need to be re-vaccinated according to label before entering the fairgrounds.
- Vaccine must have been administered within the past 12 months. The exception is Imrab LA vaccine used in sheep which protects for 3 years after the second annual vaccination (consult your veterinarian).

- The rabies vaccination requirement must be met on the day of admission even if the animal was previously admitted to a fair when too young to vaccinate.
- <u>NOTE</u>: Individual fairs can require animals for which there is no approved rabies vaccine to be vaccinated for rabies. The requirements outlined above would apply. The fair is responsible for notifying exhibitors. The <u>New York State Fair</u> requires rabies vaccination for all livestock species entering the grounds.

Acceptable Proof of Rabies Vaccination

- Acceptable proof of rabies vaccination must include a signed written statement from the veterinarian administering the vaccine to said described animal(s) or a valid certificate of veterinary inspection that has the vaccination listed and is signed by the Category 2 accredited veterinarian.
- Acceptable proof of rabies vaccination must include the name of the product used, the date of administration, and the duration of immunity if longer than one year (sheep only).
- If the statement of rabies vaccination is included on a paper EIA test record, the test record must be signed certifying vaccination in addition to the required signature for the EIA test record.
- If the statement of rabies vaccination is electronically entered into an eEIA test record, only one electronic signature is required.
- <u>NOTE</u>: Rabies titers are not acceptable proof of rabies protection and cannot be used to meet entry requirements. A veterinary clinic invoice may not be sufficient proof of rabies vaccination.
- Acceptable proof of vaccination for dogs is a valid rabies vaccination certificate or a copy of the dog license that contains the rabies vaccination information.

HPAI Testing for Lactating Dairy Cattle

• All lactating dairy cattle must test negative for HPAI within seven (7) days prior to entering a fair or exhibition, including the New York State Fair, county fairs, or other exhibitions. The test must be conducted at a National Animal Health Laboratory Network (NAHLN) lab.

BVD-PI Testing

 All cattle, llamas, and alpacas exhibited at NY county fairs, or the State Fair must be negative to an approved test appropriate to detect **Bovine Viral Diarrhea persistent infection (BVD-PI)**. Official ID must be in the animal prior to sampling. The testing veterinarian is responsible to make sure the proper test is conducted. This is a once in a lifetime test that must be reported on the required certificate of veterinary inspection. The issuing veterinarian is responsible for verifying the validity of the test, official identification of the animal, and recording the test date on the CVI. If a previous test or official identification is not verifiable, the test must be repeated.

Cleaning and Disinfection

• All buildings on the fairgrounds housing animals must be cleaned and disinfected prior to the opening of the fair and between groups of animals when housing is rotated (Section 50.2 of Agriculture and Market regulations).

Animal Deaths

Calving, Kidding, and Lambing

• Any cattle, goats, or sheep that calve, kid, or lamb while at a county fair or the State Fair will be **ordered removed from the fairgrounds** along with their offspring, unless the animals are part of a birthing demonstration.

Commingling of Sheep and Cattle

• Due to the potential spread of malignant catarrhal fever from sheep to cattle, it is strongly recommended that cattle be kept separate from sheep.

Commingling of Swine and Poultry

• Due to the potential spread of influenza virus, it is recommended that swine and poultry be housed in separate locations.

Isolation on Returning Home

 The owner or custodian shall keep show animals biologically separate from the herd or flock for a period of at least two weeks after returning to the premises of origin. If any illness is noted in the exhibition animals, the owner should contact their veterinarian immediately.

Individual Species Requirements

<u>Horses</u>

- Certificate of Veterinary Inspection (CVI) is <u>not</u> required for New York origin horses. CVI is required for imported horses. Extended Equine CVIs (EECVIs) are acceptable.
- Negative Equine Infectious Anemia (EIA) test is required for all horses 6 months of age or older. The horse must be accompanied by a valid negative EIA test record, signed by a Category 2 accredited veterinarian. The sample collection date for the qualifying EIA test must have been on or after January 1, 2024, for New York origin horses. For imported horses, the EIA test must have been conducted within 12 months prior to entry. The EIA test certificate must include a complete description of the horse.
- Rabies vaccination within 12 months is required for all horses 4 months of age or older (see above).

<u>Cattle</u>

- See EMERGENCY DISEASE REQUIREMENTS SECTION AT THE TOP.
- Certificate of Veterinary Inspection with animals properly identified. See Animal Identification section above.
- All lactating dairy cattle must have tested negative to HPAI test within 7 days prior to entry to a New York fair or exhibition. See "HPAI Testing for Lactating Dairy Cattle" section above.

- Rabies vaccination is required for all cattle 4 months of age or older (see above).
- All cattle must be negative to an approved test appropriate to detect Bovine Viral Diarrhea persistent infection (BVD-PI). The existing, official identification, date and results of the testing must be noted on the certificate of veterinary inspection.
- All cattle must be vaccinated against bovine respiratory disease complex including bovine respiratory syncytial virus, bovine virus diarrhea, infectious bovine rhinotracheitis and parainfluenza with an age appropriate- product administered in a manner and time frame adequate to confer protective immunity for these diseases for the duration of the fair. The date and vaccine product should be documented.

Sheep

- Certificate of Veterinary Inspection with animals individually identified with USDA approved scrapie identification. Identification must be one of the following: 1) USDA approved tags or 2) a legible <u>USDA approved</u> registration tattoo or 3) a legible <u>USDA approved</u> flock tattoo and individual animal ID number or 4) electronic implant device (microchip) if the sheep is enrolled in the Scrapie Flock Certification Program, and/or the electronic implant ID is recorded on the sheep's registration paper. For information on scrapie ID, contact USDA at 1-866-USDA-TAG (1-866-873-2824).
- Rabies vaccination is required for all sheep 4 months of age or older (see above).
- The CVI must contain a written statement from the issuing Category 2 accredited veterinarian that the flock of origin was inspected after May 1 of the current year and no evidence of contagious, infectious, or communicable diseases was found.
- If evidence of sore mouth (contagious ecthyma) is found on any sheep, the entire exhibit including the affected animals (and any small ruminants from any other flock on the same conveyance to the fairgrounds) shall immediately be removed from the fair premises with the holding pens cleaned and disinfected immediately after removal.

<u>Goats</u>

- Certificate of Veterinary Inspection with animals individually identified with USDA approved scrapie identification. Identification must be one of the following: 1) USDA approved tags or 2) a legible <u>USDA approved</u> registration tattoo or 3) a legible <u>USDA approved</u> herd tattoo and individual animal ID number or 4) electronic implant device (microchip) if the goat is enrolled in the Scrapie Flock Certification Program and/or the electronic implant ID is recorded on the goat's registration paper. For information on scrapie ID, contact USDA at 1-866-USDA-TAG (1-866-873-2824).
- The CVI must contain a written statement from the issuing Category 2 accredited veterinarian that the herd of origin was inspected after May 1 of the current year and no evidence of contagious, infectious, or communicable diseases was found.

<u>Swine</u>

• Certificate of Veterinary Inspection with animals properly identified. Out of state nursing piglets need official identification along with the sow. See Animal Identification section above.

Llamas and Alpacas

- Certificate of Veterinary Inspection with animals properly identified. See Animal Identification section above.
- All llamas and alpacas must be negative to an approved test appropriate to detect Bovine Viral Diarrhea persistent infection (BVD-PI). The existing, official identification, date and results of the testing must be noted on the certificate of veterinary inspection.

Poultry

- SEE EMERGENCY DISEASE REQUIREMENTS SECTION AT THE TOP.
- Poultry (with the exception of doves, pigeons, and waterfowl) must be accompanied by 1) results of a negative pullorum typhoid test conducted within 90 days prior to exhibition <u>OR</u> 2) proof that the birds originated directly from a US pullorum-typhoid clean flock or equivalent flock.
- Poultry qualified by 90-day test must be identified by official leg band.
- Proof of NPIP status must be in the form of an NPIP certificate or purchase receipt containing NPIP certification information. If utilizing a receipt, it must be dated within 1 year of the date of admission to the fair.

Deer/Elk (Cervidae)

- Certificate of Veterinary Inspection and a movement permit with animals properly identified.
- Regardless of residency of animals, please contact the Cervid Program Manager at the Division of Animal Industry at 518-457-3502 prior to movement.

Miscellaneous Ruminants

• Certificate of Veterinary Inspection with animals properly identified. See Animal Identification section above. <u>Only one species per Certificate of Veterinary Inspection.</u>

Exhibitor Pre-fair Guidelines

Cattle, Sheep, Goats, Swine, Llamas, and Alpacas, Cervids, Misc. Ruminants

- Review the animal health requirements booklet including information for your species **before** your veterinarian arrives to inspect your animals. If you have any questions, **ask.**
- Your veterinarian is responsible for inspecting your animals and completing the certificate of veterinary inspection (CVI). Call **early** to avoid the last-minute rush when mistakes are made and there is no time to correct.

- Make sure **USDA approved official ear tags** are present on cattle and swine and USDA approved scrapie ID is in place on sheep and goats. Official ID must be applied to animals prior to regulatory testing and completion of the CVI.
- Llamas and alpacas require a microchip or ear tag. If a microchip is utilized make sure the veterinarian confirms the microchip ID or places one. If your animal is identified by a microchip, make sure you bring a working reader with you to the fair.
- ALL IDENTIFICATION MUST BE RECORDED. Make sure it is.
- Review the CVI carefully upon receipt to make sure all the information is correct including any required test or vaccination information.
- **DO NOT** put documents in an envelope and assume all is well. The time to correct is before pulling them out at the fair. The CVI is your document, and you share responsibility if it is incorrect.
- If you are **importing** livestock from out of state, make sure the interstate requirements are met, and you have a valid **interstate certificate of veterinary inspection**.

Poultry

- If your flock is participating in the NPIP program, schedule pullorum flock inspection and testing well ahead of the fair.
- If you're having your birds tested within 90 days of the fair, you must go to a pullorum clinic. Available clinics are listed on the Dept. website. No individual testing is available if you miss a clinic.
- Birds qualified by 90-day test must be identified by official leg band.
- **Bring documentation** with you to the fair in the form of a 1) current NPIP certificate, 2) 90-day test chart or 3) purchase receipt with NPIP certification within 1 year of the date of admission to the fair.

<u>Horses</u>

- **NY origin** horses must be accompanied by a negative EIA test report. The date of sample collection for the qualifying EIA test must have been *on or after January 1, 2024.*
- Imported horses (out of state origin) must be accompanied by an interstate certificate of veterinary inspection with a negative EIA test within 12 months prior to entry. Rabies vaccination information can be incorporated into the CVI.
- Drawing or photograph **must** match the horse.
- Rabies vaccination must be within 1 year of arrival at the fair and be documented by a **signed** rabies certificate or a signed statement on the EIA test chart with the required information (see requirements).

MOST IMPORTANT

When you are loading your livestock for the trip to the fair, take the time to examine them. Make sure they are the same animals that are on the paperwork and official ID is present and legible. If they are showing any signs of illness, **LEAVE THEM HOME**.

POULTRY EXHIBITORS - PULLORUM TESTING BIRDS AT LEAST 4 MONTHS (16 WKS) OF AGE (WATERFOWL AND PIGEONS EXCLUDED) REQUIREMENT TO EXHIBIT AT COUNTY AND STATE FAIRS <u>Pullorum Clinic Schedule 2025</u>

THERE WILL BE NO TESTING AT THE FAIR

Showmanship Contest:

All participants need to participate in showmanship class with their livestock. They are responsible for showing their animal in a designated show tent. Exhibitors must be able to show their livestock in the Ring by themselves (alone) in their respective showmanship class. The consideration of participating in the fair should start with the selection of the kind of animal that will be used for their project.

What animal is the member capable of caring for and preparing for exhibition? This will depend on the child's age, abilities and the livestock selected. Before any member participates in showing at the fair, it is expected that he/ she has learned about caring for and working with their project animal.

The safety of all exhibitors and spectators should be considered when bringing animals to the fairgrounds. The fair is a 4-day event that the public will attend; animals are moved from pens to show rings. The goal of the GCYF is to provide a positive learning experience for the exhibitor and the spectators.

If the exhibitor is unable to care for the animal or present the animal in the show ring and/or the safety of the exhibitor and / or spectators is in question by the superintendent; the animal will be asked to be removed from the fairgrounds for the safety of all involved.

Herdsmanship - Dianne Lewis

Herdsmanship awards will be awarded to the exhibitors who show themselves to be the best herdsman regardless of how many animals are entered in each section.

• Includes Cattle, Sheep, Goats, Alpaca, Llama, Swine, Rabbits, and Poultry. The Herdsmanship Committee will be responsible for judging the animal exhibits. Judges will walk through the tents to observe how each animal is being exhibited. Criteria:

- The exhibit is clean, neat, and attractive to spectators.
- Tools and supplies stored in a proper and safe manner.
- Animals' needs have been met in a timely manner.
- Water MUST always be available to all animals, NO exceptions.
- Exhibitors must show good sportsmanship throughout the fair.

- Animal exhibits must be clearly labeled with the exhibitor's name.
- Exhibitors' personal appearance should be appropriate.
- Stalls or cages should be neat and clean.
- Animal bedding should be clean.
- Exhibitors should be cooperative with superintendents.
- Exhibitors should be polite and courteous to the public.

Herdsmanship Awards:

Cattle - Clarence Jennings Memorial Award Goats, Sheep - Carlton Wilkinson Sr. Award Poultry - Zabel Family Award Rabbit - Becky Johnk Award Swine - Estep Family Award

Display Contest - Theme - "Under The Sea" Cattle, Goats, Sheep, Alpaca, Llama, Swine, Rabbits & Poultry

All exhibitors will be entered. A creative display should be placed on your animal's exhibit. This award will be announced at the closing ceremonies. Each animal must be individually identified with the following:

- Name and/or registered name of animal
- Class
- Breed
- Date of Birth
- Exhibitor's name

Orloff S. Bear Sr. Master Showmanship Contest

Superintendent - Cathy Salisbury (518-821-4766)

The Champion Showman from the Dairy, Beef, Swine, Goat (Dairy, Meat, Pack), Rabbit, Poultry, and Sheep shows are eligible to compete.

Champions have the right to decline showing in Master Showmanship contest, in the event that this happens the Reserve Champion will be eligible to go in their place. In the event that the Reserve Champion declines, NO contestant will participate for that species (however species will be shown). If a Champion wins in two species, they must choose which species to represent, and the reserve champion will be eligible to go in the place of the champion in the alternate species; if the reserve champion declines there will be no contestant for that species (however the species will be shown).

If an exhibitor has won the Master Showmanship Contest a previous year, they are not eligible to compete again.

Contestants will be judged on their skill as showmen and on the appearance their animals make before the judge on the following points:

- A. Presentation of the animal in the show ring
- B. Appearance of the showmen
- C. Sportsmanlike behavior of the showmen
- D. Basic knowledge of species shown

(This contest will not be judged on the fitting of the animal.) Contestants are responsible for finding their own animals for the contest. Champions must show the species they won with.

Benefits of the Master Showmanship Contest

- Allows the Master Showman of each species to showcase their talents and skills.
- Promotes Agricultural diversity.
- Provides a platform for teaching others about the species they show and how that species is presented in the show ring.
- Promotes cooperation, respect, and friendships between participants in different areas of Agriculture.
- Encourages mastery in the showman's species area.
- Encourages perseverance. Never quit showing until the show is over attitude.
- Encourages a passion for knowledge in a new and different area of agriculture. Participants must step outside their comfort zone.
- Spectators see many species of animals in the same arena, in the same show.
- Participants may compete many times before winning. They may put effort into learning more about showing other species than what they focus on throughout the year to win the award the next year.

- Participants may branch out into showing other species because of their participation in the contest.
- Gives younger showman something more to aspire to, many participants look forward to the honor of being a Master Showman.

Dakota Winegard Memorial Award

Dakota was an exceptional youth who exhibited at our fair who lost his life in a tragic accident. In His memory, each year one livestock exhibitor is chosen to receive the Dokata Winegard Award. The recipient has demonstrated that skill set during and leading up to the fair, and has shown good sportsmanship, and helped others.

The following describes Dakota:

- D Dedicated
- A Ambitious
- K Kind
- O Over Achiever
- T Talented
- A Awesome

This award is presented at closing ceremonies.

Section S - Antique Tractor Pull

Classes:								
2500	3500	4500	5500	6500	7500

Garde	n Tractor Pull	- Pedal Tracto	r Pull (no fee	for pedal trac	tor)			
	Please see the website for more information.							

Section R1 - Dairy

Superintendent - Cathy Salisbury (518-821-4766) ADVANCED REGISTRATION due by July 5TH

All entries must be owned by the exhibitor or be an official Project animal Forms, rules & instructions for Borrowed Animals can be found in the back of this book. No more than 2 entries per class for each exhibitor

Showmanship Classes

Classes may be combined at the discretion of the Superintendent and/or Judge. Exhibitors should wear white jeans or slacks with a belt, a white shirt, no tank tops or shorts. Appropriate footwear such as heavy shoes are required, no open toed shoes.

Class

- 1 Senior Showmanship For exhibitors who are 14 years old or older as of January 1 of the current year. Each contestant may be asked by the judge to show another animal.
- 2 Intermediate Showmanship For exhibitors who are 9 to 13 years old as of January 1 of the current year.
- 3 Junior Showmanship For exhibitors who are 5 to 8 years as of January 1 of the current year.
- 4 Novice Showmanship For any exhibitor who is 8 or older showing for the first time. NOTE: Any novice exhibitor may choose to enter an ageappropriate class (1 class only).
- 5 Herdsmanship: All exhibitors must enter this class.

Dairy Classes

Class	Ayrshire	Brown Swiss	Guernsey	Holstein	Jersey	Other
Junior Heifer Calf Born 3/1/2025 to 4/10/2025	6	7	8	9	10	11
Intermediate Heifer Calf Born 12/1/2024 2/28/2025	12	13	14	15	16	17
Senior Heifer Calf Born 9/1/2024- 11/30/2024	18	19	20	21	22	23
Summer Yearling Born 6/1/2024 to 8/31/2024	24	25	26	27	28	29
Junior Yearling Heifer Born 3/1/2024 to 5/31/2024	30	31	32	33	34	35
Intermediate Yearling Heifer Born 12/1/2023 to 2/29/2024	36	37	38	39	40	41
Senior Yearling Heifer not in milk Born 9/1/2023 to 11/30/2023	42	43	44	45	46	47
Cow - 2 years old - Born 9/1/2022 to 8/31/2023	48	49	50	51	52	53
Cow - 3 years old - Born 9/1/2021 to 8/31/2022	54	55	56	57	58	59
Cow - 4 years old - Born 9/1/2020 to 8/31/2021	60	61	62	63	64	65
Cow - 5 years old and over Born before 8/31/2020	66	67	68	69	70	71
Dry Cow - must be 3 years old or over and calved at least once	72	73	74	75	76	77

Special Dairy Classes (no premium awarded)

Registration papers will be checked by the livestock superintendent before the start of the dairy show.

Class

- 78 Best Animal Bred and owned by Exhibitor: \$10.00 1st place, \$5.00 2nd place.
- 79 Two Generations: Cow shown with one offspring of any age. Exhibitor must be the sole owner and exhibitor of both animals at this show. \$10.00 - 1st place, \$5.00 - 2nd place.

Section V – Horses Superintendent – Camille McDonald (518-461-5510) ADVANCED REGISTRATION due by July 5th

Exhibitors must fill out both the Horse Show Entry Form as well as the Greene County Youth Fair Livestock Entry Form and Premium Statement are required to participate and receive Premium Points. Note: All participants who are showing a horse that they do not own must include a copy of their Non-Owned Project Animal Form.

Advanced registration is encouraged, but not required.

Completed forms should be sent to: The Greene County Ag Society, P.O. Box 84, Greenville, NY 12083

General Rules

- 1. All Horse Show Exhibitors must attend the Mandatory Meeting for ALL Livestock Exhibitors (Wednesday 6:00pm)
- 2. Age is determined as of January 1 of the current year (Exhibitors must meet age requirements)

a. Junior - Youth who are at least 5 years of age by January 1^{st} of the current year and must not have reached their 14^{th} birthday prior to January 1^{st} of the current year.

b. Senior – Must be at least 14 years of age by January 1st of the current year and have not reached their 21st birthday before January 1st of the current year

3. New York State Law mandates that exhibitors ages 14 and under wear an ASTM approved helmet. It is required that all Greene County Youth Fair Horse show competitors wear an ASTM approved helmet.

4. The Greene County Youth Fair will not be responsible for injury or damage to any animal, person or property of the exhibitor, spectator, groom, attendant or any

employee and the exhibitor, spectator, groom, attendant or any employee shall hold the Horse Show Committee harmless and indemnify it against any legal proceedings arising from accident or injury.

5. The Show Superintendent's decision regarding any question or problem regarding the show shall be final.

6. Exhibitor numbers will be provided at the show grounds and must be worn in all classes. PLEASE RETURN NUMBERS AT END OF DAY.

7. The right is reserved to postpone the show for any cause, if found advisable.

8. No person will be allowed in the ring during classes except judges and those of the show committee having duties there.

9. The show may omit any class if it considers it necessary due to insufficient entries and reserves the right to divide any lots and give two sets of ribbons or combine any lots and give one set and to add any additional lots. The show may accept post entries in all lots prior to calling Class.

10. Should any question or dispute arise not provided for in the preceding rules, the same shall be referred to the Committee, whose decision shall be final.

11. Section 351.9: On or after July 1, 1973 no horse or other member of the family equidae six months or more of age shall be admitted to or permitted to be present on the premises where an agricultural fair or the New York State Fair is held during the period of such fair unless the owner or custodian of the horse has filed with the Secretary of the fair a certificate or statement showing that the horse or other member of the family equidae has been negative to an agar gel immunodiffusion test for Equine Infectious Anemia (Swamp Fever) during the calendar year in which the fair is held or during the preceding calendar year. The agar gel immunodiffusion test must have been conducted by a laboratory approved for the purpose by the United States Department of Agriculture and the New York State Department of Agriculture and Markets.

a. Equine Infectious Anemia Test (EIA/Coggins) - A valid EIA chart documenting that the animal has been tested (any USDA approved test) within the current or previous calendar year and found to be negative for EIA infection, is required of all equines 6 months of age or older. The animal identification noted on all accompanying documents must match the description on the official EIA chart.

b. **Rabies vaccination** - Proof of active immunization against rabies is required against rabies is required within ONE year.

Rules for Non-Owned Project Animals

- Exhibitors may exhibit an animal that they or their family do not own. However, that animal must be deemed a project animal by June 1st of the current year. We discourage the purchase of show animals for the purpose of showing at the Fair after the June 1st deadline.
- 2. The animal identified on the Livestock Pre-registration form has been their project animal since June 1st of the current year.
- 3. The youth is responsible for the care and maintenance of the project animal to the best of their ability during the time period mentioned.
- The youth exhibitor is the sole exhibitor of his/her project animal from June 1st through the Youth Fair.
- 5. All Non-owned Project Animal Registration Forms MUST be received by June 5th.

Completed forms should be mailed to:

Greene County Agricultural Society, Inc. P.O. Box 84, Greenville, NY 12083 greenecountyagsociety@gmail.com

Exhibitors are required to follow the rules of the Livestock Superintendent and are expected to keep their livestock area clean and free from manure. No reservation of stalls.

All livestock must be in place by 5:00 p.m. on Wednesday.

Attendance is required – Required Meeting of ALL Livestock exhibitors, parents/adults responsible for exhibitors Wednesday @6:00pm in Livestock Show Tent. Superintendents will answer questions for exhibitors regarding conduct, their areas, (parking, show-day, clean-up, etc.).

Exhibit and Premium Statement Rules Please Read Carefully

Exhibits, both livestock and non-livestock cannot be removed before the close of fair on Sunday (except Horses). The Youth Fair will not be responsible for exhibits remaining after 6:00 p.m.

Failure to submit a premium statement form to the will result in no premium being awarded.

Premium Statement Forms are available on our website, Cornell Cooperative Extension, some local libraries, youth leaders, or the Greene County Agricultural Society. ALL exhibitors must complete the Premium Statement. Please comply with the following procedure to ensure that you will receive premium money you earn.

- Livestock Premium forms for livestock entry MUST be submitted by July 5th. Changes may be made before the show if needed.
- Non-Livestock Premium Forms should be handed in at the office table in the Green Building after exhibits are judged on Judging Night.
- 3. Section, class, and exhibit description should be completed for each entry. Do not fill in the award, or amount column.
- 4. Please print or type clearly. Items should be listed in alphabetical order by Section, then numerical order by class number.
- 5. The Greene County Youth Fair will correct an error made in our calculation of premiums only if reported to the office within 60 days of date on check. The exhibitor must accept responsibility for loss of premium due to his or her own error or failure to cash the check within 60 days of date on check.

All premium checks must be cashed within 60 days from the date on the check.
