

Cherie Murphy, LVT, VTS (Surgery)

Cherie graduated from Tomball College with an Associates of Applied Science in Veterinary Technology in May of 2000 and began her career working for Gulf Coast Veterinary Specialists Surgery Department. She has worked on the clinical floor, assisted with clinical study trials, and worked in the operating rooms assisting on a variety of specialty surgeries. Cherie actively works on the externship program for new technician students at GCVS.

Cherie received her VTS in 2017 and has served on the examination committee, recertification committee, and as a Member at Large for the AVTS Board of Directors. Cherie is actively serving on the technician program committee for ACVS and is the President- Elect for AVST. As the new President -Elect, Cherie hopes to continue supporting technician growth and elevating specialty career paths. Her passions are to continually advance her knowledge of surgery and to support technicians to pursue individual goals in veterinary technology, bringing excellence to our profession.
