REPORT OF THE GRAND HIGH PRIEST

September 17, 2019 A.D 2549 A.I.

To: The Most Worshipful Grand Master, Most Excellent General Grand High Priest, Most Excellent Past Grand High Priests of Kentucky, elected and appointed Grand Chapter of Kentucky officers, Distinguished Guests, Delegates and my Companions all:

Welcome to the 202nd annual convocation of the Grand Chapter of Kentucky, Royal Arch Masons. It is my sincere hope and wish that the past Capitular Year has been good for each of you, and that all have prospered in that time. I know most of you won't believe that I cannot find ample words at this time to express my thanks for the opportunity to serve you this year. I never would have imagined at the start of my Masonic career that I would have the privilege of heading up one of the finest groups of individuals I have ever been associated with. This year I have been able to travel across the Commonwealth of Kentucky, as well as out of state, to make new friends and cultivate old friendships along the way. In my opinion, this is one of the greatest of the wages of a Master Mason.

My goal, when I decided to run for office, was to leave the Grand Chapter better when I left, and I hope this has been accomplished. The assistance and support of the elected officers has been fantastic, and their advice has been both timely and wise. The same can be said of all the Past Grands; thank all of you for your council. A suggestion was made to have the elected officers meet once a month to discuss what is happening in our travels and what our future plans are for the Grand Chapter. This has proven to be very fruitful, as we are able to discuss any ideas for the betterment of our body and I know that you will be left in most capable hands. I am sure that our incoming Grand Master will continue to allow presentations in Lodge, as well as at District Meetings. I feel that this has aroused some curiosity and desire for more light in all Masonic bodies. We did lose membership this year, but I feel that the losses are leveling off.

I want to take the time to thank Most Illustrious Grand Master Charles Durham and Right Eminent Grand Commander J. William Riggs for their friendship and support this year. I cannot think of anyone who can surpass Companion Durham as a true gentleman, or Sir Knight Riggs in his passion for Masonry. My brothers, it has been an honor to serve alongside you this year.

I have had the honor of attending the Grand Chapter of Ohio, the Grand Chapter of Louisiana, and the Grand Chapter of Indiana and the East Central Conference in Ft. Wayne, Indiana. I have also attended the Grand Court of the Order of Amaranth, as well as the annual convocations of DeMolay and The Rainbow Girls. I will also be attending the Grand Chapter of Michigan and the Order of the Eastern Star.

Recommendations:

1. My first suggestion is to have any candidate for elective office in the Grand Chapter hold a High Priest proficiency card to hold said office. I also feel that the Deputy Grand High Priests should also be proficient. It is my opinion that, since we ask the constituent chapters to open and close without books, we should be held to the same standard. To do otherwise is a double standard.

2. My second is to remove section 115 of our Constitution which refers to the sale/manufacture of alcoholic beverages. This was removed from the Grand Lodge Constitution several years ago.

Conclusion:

I first need to thank my wife, Judy, for allowing me to pursue this journey these past few years. I never would have made it without her patience, permission and support along the way.

I also wish to thank all the Companions and Sir Knights of the Danville York Rite bodies. Their support, guidance and advice these past years have been absolutely essential to any success I may have had. This is especially true of the York Rite office; they have "headed off at the pass" several boo-boos I could have easily made.

Lastly, I want to thank the Craft for affording me the opportunity to serve them the past four years. This is the highest honor I have ever received, and I will cherish it to the end of my days. The friendships that have been built in my travels are more precious than rubies, and will always be held close to my heart. Thank you, God bless you, and the Grand Chapter of Kentucky Royal Arch Masons.

Report of the Grand King September 17, 2019 A.D 2549 A.I.

To the Most Excellent Grand High Priest, Officers and Companions
of the Grand Chapter, Royal Arch Masons of Kentucky:

IN spite of being laid up for 2 ½ months the total knee replacement and 6 weeks after fracturing a vertebra in my lower back, I was still able to visit 32 chapters. I also attended 4 out of state Grand sessions plus the East Central Conference in Ft. Wayne, IN. I attended Ohio, Michigan, Indiana, and Tennessee. I am pleased to report that

during my visits every Chapter had enough members in attendance to do a formal opening. Several years ago, this was not the case. Also, many chapters did a fine job in performing the opening. I look forward to next when I can visit all the chapters in the state.

Also, this year, the elected Grand Officers have been meeting monthly to discuss various issues concerning the Grand Chapter. This was started in February and has continued. The Grand Secretary and Grand Treasurer have been included in these meetings along with members of the Finance Committee. These meetings have led to a better understanding of the needs of Grand Chapter and the Craft.

REPORT OF THE GRAND CAPTAIN OF THE HOST

September 17, 2019 A.D 2549 A.I.

To: The Most Excellent Grand High Priest, Most Excellent Past Grand High Priest, Right Excellent Grand Officers and Members of the constituent Chapters of Royal Ach Masons of Kentucky.

First, I would like to thank all the Chapters across the Commonwealth I have visited for their hospitality and fellowship. The

respect for the office of the Grand Officers has been carried out with full Masonic decorum and is extremely humbling.

I would also like to thank the other Officers of the Grand Chapter, James King, J.B. Hitt, MEGHP Ron Ledford, Rick Sears, and George Arnold for their help and guidance over the past year. Their knowledge and wisdom has been most beneficial to me as I learn to carry out my duties as a Grand York Rite Officer.

I am excited to say York Rite Masonry is alive and growing in the Commonwealth. Our numbers are growing in every corner of the state and I would like to welcome all new members of the York Rite. I have had the pleasure of witnessing good degree work by dedicated Companions all across the state from the Mark Master in the Chapter to the Order of the Temple in the Commandery and it is my belief that we are making a lifelong impact on our new members.

Moving forward my focus is going to be on the members who have gotten out of the habit of attending Lodge meetings especially York Rite meetings, by inviting them back to see how things have changed and how much fun can be had by attending. I am very optimistic of the direction and growth for the York Rite of Kentucky.

REPORT OF THE GRAND SECRETARY

September 17, 2019 A.D 2549 A.I.

To; The most excellent Grand High Priest, past most excellent Grand High Priest, and members of the constituent Chapters Royal Arch Masons of Kentucky.

The grand Secretary's office continues to run efficiently due to the efforts of Noel Sloan. And I personally wish to thank her for her work and dedication.

I am happy to report that due to the efforts of the Grand High Priest and the companions of Kentucky we have been able to reduce our losses and have exalted 70 new companions this year. The statistical portion of this report will better explain the membership statistics. The Companions of Kentucky are to be congratulated for their efforts this year in getting petitions for membership and for the conferral's across the state.

Without the assistance of the Secretaries across the Commonwealth of Kentucky it would be impossible to operate the office and we wish to thank them for their hard work and dedication throughout this year.

Noel and myself, are honored to have been able to serve the grand Chapter for another year and wish to thank the craft for allowing us to do so.

It was moved by the Grand Secretary that his report be received and distributed to appropriate committees.

GRAND TREASURER'S REPORT LEXINGTON, KENTUCKY

September 17, 2019 A.D 2549 A.I.

To the Most Excellent Grand High Priest, Officers and Companions
of the Grand Chapter, Royal Arch Masons of Kentucky:

This is the Checking Account information for the General Fund of
the Grand Chapter:

Balance on hand, July 1, 2018
\$16,407.21

Receipts July 1, 2018—June 30, 2019	44,712.95
-------------------------------------	-----------

Expenses July 1, 2018—June 30, 2019	(46,891.98)
-------------------------------------	-------------

Uncleared Checks	120.78
------------------	--------

Balance on hand, June 30, 2019	\$14,348.96
--------------------------------	-------------

We are currently able to pay our current expenses from funds received by July 1 of 2018. The Grand Secretary, Jim King, and the office Secretary, Noel, and the Grand Officers did a good job in keeping expenses lower than the budget you passed last September. Noel now has more than six years' experience with us and her attention to detail is outstanding. Part of our improved position is the reduction in expense we've enjoyed for the Grand Sessions. Opening the joint account for expenses which are common to Chapter, Council, and Commandery six years ago has enabled us to have a more accurate distribution of these expenses, as opposed to the former way in which we used a percentage for each body.

Last year's budget allowed the removal of money from the Permanent Fund, but no withdrawal was necessary. In addition, there remains enough money in the checking account to cover any extraordinary expense in the 2019-2020 fiscal year.

Any questions may be directed to me.

J. B. Hitt, II

Report of the Permanent Fund Committee

September 17, 2019 A.D 2549 A.I.

To the Most Excellent Grand High Priest, Officers and Companions of the Grand Chapter, Royal Arch Masons of Kentucky:

The Permanent Fund consists of **One CD, (1)** invested with Morgan Stanley, in Goldman Sachs Bank NY, maturing on January 25, 2020. In addition, we have an **Investment Account** held by Morgan Stanley of Louisville, Kentucky. We also have, outside the investment account, a four, (4) year ladder corporate fixed income fund, with 1/4 of the total maturing each year. And lastly, we had a small cash account.

Morgan Stanley Investment	\$396,298.95	as of July 31, 2019
CD (Goldman Sachs BK NY)	\$ 40,384.13	
maturing on 1/25/2020 - paying 2.408% at maturity		
Corporate Fixed Income Fund	\$ 82,148.44	as of July 31, 2018

\$26,896.74 (5.125) maturing on 3/15/21

\$12,447.50 (4.62%) maturing on 5/15/22

\$11,789.40 (4.15) maturing on 7/01/23

\$ 4,497.39 cash

Paying an average of 4.85% between the four, (4) of them.

Morgan Stanley, Louisville	<u>\$ 9,310.12</u>	Cash
Balance Total	\$528,141.64	as of July 31, 2019

The Investment Account managed by Morgan Stanley is invested as follows:

Cash -	\$ 9,310.12	2.09%
Equities -	\$285,342.07	63.98%
Fixed Income & preferred -	<u>\$151,340.58</u>	33.93%
Total Value	\$445,993.20	100.00%

Our total Permanent Fund account balance has grown \$21,990.06 in the past year. This represents a return of **4.34%** on this account since August 31, 2018. This return is after we pay the management fee to Morgan Stanley.

We pay a management fee to Morgan Stanley of 1%. We have paid management fees of **\$3,168.00** for three quarters, (3/4) of this year, with one quarter, (1/4) yet to be paid.

When you consider all funds and our investment strategy as a whole, we are invested at approximately 2.63% in cash, 43.18% in fixed funds, and the remaining 54.19% in equities. This is mild to high conservative investment strategy.

Remember, until we sell these investment funds with Morgan Stanley, these are unrealized gains or losses. For reference, we have averaged 10.25% for the past two, (2) years, or about 5% per year.

Independent Auditors' Report

To the Board of Trustees of
Grand Chapter of Kentucky- Royal Arch Masons

We have audited the accompanying financial statements of Grand Chapter of Kentucky- Royal Arch Masons (a non-profit organization), which comprise the statement of assets, liabilities and net assets-cash basis as of June 30, 2019, and the related statements of support, revenue and expenses – cash basis, and cash flows-cash basis for the year then ended, and the related notes to the financial statement.

Management's responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements in accordance with the cash basis of accounting as described in Note 1; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

NOTES TO FINANCIAL STATEMENTS

June 30, 2019

NOTE 1. NATURE OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization:

The Grand Chapter of Kentucky – Royal Arch Masons is a Masonic fraternal organization.

Significant Accounting Policies:

The organization's policy is to prepare its financial statements on the basis of cash receipts and disbursements; certain revenues are recognized when received rather than when earned and certain expenses are recognized when paid rather than when the debt is incurred. The cash basis of accounting has been modified to report property and equipment purchases as fixed assets. Since the revenue accounts are kept on a cash basis, any unpaid dues or assessments have not been taken into account, nor has any allowance been made for depreciation of property and equipment. Accordingly, the accompanying financial statements are not intended to present assets, liabilities and net assets and support, revenues and expenses in conformity with generally accepted accounting principles.

Contributions:

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions.

Use of Estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investments:

Investments in marketable securities with readily determinable fair values and all investments in debt securities are valued at their fair value in the statement of assets, liabilities and net assets-cash basis. Unrealized gains and losses are included in the statement of support revenues and expenses. Investment income and gains/(losses) are reported as income/(losses) in the reporting period in which the income and gains/(losses) are recognized.

NOTES TO FINANCIAL STATEMENTS

June 30, 2019

NOTE 1. NATURE OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (Cont.)

Property and Equipment:

The Organization capitalizes property and equipment over \$1,000. Purchased property and equipment is capitalized at cost. Property and equipment are depreciated using the straight-line method over the estimated useful lives ranging from five to thirty years. Currently the Organization does not have any property and equipment recorded.

Cash and Cash Equivalents:

For purposes of the statement of cash flows, The Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

Income Taxes:

The Organization has been granted tax exemption, under Section 501© (8) of the Internal Revenue Code, therefore no provision for income taxes has been made in the accompanying financial statements.

The Organization's Form 990, *Return of Organization Exempt from Income Tax*, for the year ending June 30, 2019, is subject to examination by the IRS, generally for the three years after they were filed.

NOTE 2. INVESTMENTS

The following schedule summarizes investment returns and their classification in the statement of support revenue and expenses for the year ended June 30, 2019:

NOTE 3. FAIR VALUE MEASUREMENT (Cont.)

Level 1 indicates assets/liabilities with the most transparent and tangible valuation techniques. A Level 1 financial instrument typically has quoted prices and active markets. Level 2 are assets/liabilities instruments are other than quoted prices included within Level 1.

The instruments can be valued indirectly using observation data or using quoted prices for similar assets or liabilities in active markets. Level 3 indicates use of valuation techniques and data that may not be verifiable. These types of instruments involve a great deal of assumptions and estimates.

NOTE 4. EVALUATION OF SUBSEQUENT EVENTS

The Organization has evaluated subsequent events through August 28, 2019, the date which the financial statements were available to be issued.

REPORT OF THE NECROLOGY COMMITTEE
September 17, 2019 A.D 2549 A.I.

To the Most Excellent Grand High Priest, Officers, and Companions
of the Grand Chapter of Kentucky, Royal Arch Masons.

Death is a most solemn theme, and even as we live, our minds are often on the future and what it holds. The Holy writ tells us that it is appointed unto man, once to die.” From this we cannot flee, nor should we, if we place our faith in the Great I Am.

With such things in mind, let each of us remember the 55 Companions who departed this earthly convocation during this caputular year. Also remember their families and those closest to them in this life.

We are especially saddened by the passing of two of our Past Grand High Priests:

Most Excellent Ernest Eugene (Gene) Atkins passed from us on March 14, 2019. He presided over our Grand Chapter in 2003.

Most Excellent Norman Lee Harper passed from us on March 1, 2019. He presided over our Grand Chapter in 1973.

Most Excellent James Odell Atwood passed from us on August 31, 2019. He presided over our Grand Chapter in 2006.

We also share in the losses of the Grand Council and the Grand Commandery in their losses this year.

We pay tribute to these men who were special to our Fraternity, but were more special to those who knew them personally. They were great men before they were great masons. We will not forget them and can rest assured that they now rest in God's eternal care.

Respectfully submitted,
Stewart F. Strickland

September 17, 2019 A.D 2549 A.I.

Companions

This year from September 19, 2018 thru August 22,2019 total donations received \$23,027.50. This amount includes the donations made from the RARA dinner and Kosair Charities. The total amount that has been donated from 09/30/2013 thru 08/22/19 is \$126,247.13

Companions there is a new way to donate to RARA you can go to givetorara.org and make donation by credit card.

The Last two years the Grand Chapter budgeted \$800.00 dollars each year as startup money for the RARA Dinner. When I turned the donations in to RARA I mistakenly donated that money to RARA instead of returning it back to the Grand Chapter. The Grand Chapter is aware of this and I apologize to the Grand Chapter and the Craft for this mistake.

I want to thank the Companions of W R Selby Chapter form all of the hard work they do to make the RARA Dinner the success it has been over the past six years. I could not have made it happen without all of the support you have given to this event. I also want to thank Kosair Charities for their generosity in supporting our charity.

I wish MEGHP Ron Ledford the best in his endeavors as new RARA Director and I ask each of you to continue to support him as you have supported me over the last 6 years

To The Past Grand High Priests, elected and appointed Grand Officers and all of the Companions of the Grand Chapter of Kentucky, Royal Arch Masons:

I want to thank every member of the Royal Arch in allowing me to serve as your Grand High Priest for the upcoming year, it will be an honor.

During the past three years as I have traveled across the state visiting the various Chapters, I have observed in the first couple of years that some Chapters struggled having enough Companions in attendance to open their Chapters. This last year that is not the case, every Chapter

I have visited has been able to open in “full form”. This Year it is My goal for the craft, that each Chapter increases **ATTENDANCE by 15%**. As I write this address I have the advantage in seeing a sneak preview of what our membership numbers are going to be in the Annual Report, we will have a net loss of about 100 members. I don’t claim to know how to stop the reversal of membership, but it is my belief that if we work on increasing attendance, then membership will follow. We need to give our members reason to want to attend and others to join.

I want to also see continued cooperation between the Grand Lodge and the York Rite. We need to continue making presentations at the District Meetings and just as importantly presentations in the Lodge Meetings.

I have stated at many Chapter meetings the need to support the RARA and as an incentive to attend the RARA Dinner I will grant an additional 10 points on those Chapters inspection forms that have the top four officers attending the RARA dinner.

Lets have a good year by having fun and good fellowship.

Remember:

“If you love Masonry, you will want to come,”
