**DISTRIBUTION OF

**REPORT OF DEPUTY GRAND COMMANDER
September 8, 2014 A.D. 896 A.O.**

To the Right Eminent Grand Commander, Officers, and Sir Knights of the Grand Commandery of Knights Templar of Kentucky:

I would like to take a minute and thank everyone for the opportunity to serve you this past year as Deputy Grand Commander. I have visited many Commanderies and am very proud of all the sir knights throughout this great Commonwealth. In visiting these Commanderies I have witnessed great openings and well conferred orders.

I was also able to travel to Kansas City, Missouri for our annual Easter Pilgrimage. In Kansas City, Missouri I and my fellow Sir Knights were able to see the sacrifices made WWI veterans when we visited the WWI museum. It is amazing that these men gave their lives to ensure our freedom and our ability to meet as York Rite Masons.

In April I attended the East Central Department Conference. This meeting not only allowed me to socialize with fellow Sir Knights, it also allowed me to witness how “alive” Templar masonry is within the our surrounding states. One thing that really touched me was a presentation by the University of Michigan and how the Knight Templar Eye Foundation has allowed many newborns to see.

Once again “Thank You” for allowing me to serve you this past year. This is a humbling experience and if it were not for Templary I would not have been able to meet so many great men.

Fraternally,

Bill Jackson

Deputy Grand Commander

GRAND RECORDERS REPORT

September 8, 2014 A.D. 896 A.O.

TO: The Right Eminent Grand Commander and the Sir Knights of the Grand Commandery of Kentucky.

It has been a pleasure to work with the Grand Commander, Grand Officers and Sir Knights of Kentucky. Noel and I have enjoyed the opportunity to serve the Grand Commandery of Kentucky throughout the past year. We have had many opportunities to work with the recorders of the Commandery's across the Commonwealth.

Without Noel's assistance and abilities to manage the office and the assistance of the Sir Knights of Kentucky it would be impossible for me to serve as your Grand Recorder. I wish to thank everyone involved in the operation of the Grand Commandery especially Noel Stewart office secretary and James Hogue Assistant Grand Recorder for their work this year.

I am also happy to report that we have been able to print all of the proceedings that were behind and they are now up to date. The proceedings starting at 2009 and continuing are now available on the web page www.yorkriteky.org. Noel works with Darrell Waddell to try and keep the webpage up to date and to put the forms that might be needed on there to save mailing cost where we can.

ELECTION ANNOUNCED

Right Eminent Grand Commander, William F. Lile announced that the Election of Grand Officers would be held promptly at 11:00.

**GRAND TREASURER'S REPORT
LOUISVILLE, KENTUCKY
SEPTEMBER 8, 2014 A.D. 896 A.O.**

To the Right Eminent Grand Commander, Officers and Sir Knights of the Grand Commandery, Knights Templar of Kentucky:

This is the Checking Account information for the General Fund of the Grand Commandery:

| | |
|---|-------------|
| Balance on hand, July 1, 2013 | \$7,991.99 |
| Receipts July 1, 2013—June 30, 2014 Total | \$83,909.36 |
| Expenses July 1, 2013—June 30, 2014 | \$65,307.36 |
| Balance on hand, June 30, 2012 | \$26,593.99 |

While we did not have quite enough to pay our Encampment per capita before the dues collection in July, we are paying our own way now and not removing funds from the Permanent Fund. By next year, we should have the advantage of enough income from the Permanent Fund to pay all expense increases to avoid an increase in Per Capita for a while. The Grand Recorder and Grand Officers have done a good job sticking to budget and minimizing expenses.

Any questions may be directed to me.

Independent Auditors' Report

To the Board of Trustees of
Grand Commandery of Kentucky- Knights Templar

We have audited the accompanying financial statements of Grand Commandery of Kentucky- Knights Templar (a non-profit organization), which comprise the statement of assets, liabilities and net assets-cash basis as of June 30, 2014, and the related statements of support, revenue and expenses – cash basis, and cash flows-cash basis for the year then ended, and the related notes to the financial statement.

Management's responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements in accordance with the cash basis of accounting as described in Note 1; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities and net assets of the Grand Commandery of Kentucky- Knights Templar as of June 30, 2014, and its support, revenue and expenses and its cash flows for the periods then ended in accordance with the cash basis of accounting as described in Note 1.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

GRAND COMMANDERY OF KENTUCKY – KNIGHTS TEMPLAR
Danville, Kentucky
NOTES TO FINANCIAL STATEMENTS
June 30, 2014

NOTE 1. NATURE OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization:

The Grand Commandery of Kentucky- Knights Templar is a Masonic fraternal organization.

Significant Accounting Policies:

The organization’s policy is to prepare its financial statements on the basis of cash receipts and disbursements; certain revenues are recognized when received rather than when earned and certain expenses are recognized when paid rather than when the debt is incurred. The cash basis of accounting has been modified to report property and equipment purchases as fixed assets. Since the revenue accounts are kept on a cash basis, any unpaid dues or assessments have not been taken into account, nor has any allowance been made for depreciation of property and equipment. Accordingly, the accompanying financial statements are not intended to present assets, liabilities and net assets and support, revenues and expenses in conformity with generally accepted accounting principles.

Contributions:

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions.

Use of Estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investments:

Investments in marketable securities with readily determinable fair values and all investments in debt securities are valued at their fair value in the statement of assets, liabilities and net assets-cash basis. Unrealized gains and losses are included in the statement of support revenues and expenses. Investment income and gains/(losses) are reported as income/(losses) in the reporting period in which the income and gains/(losses) are recognized.

NOTES TO FINANCIAL STATEMENTS
June 30, 2014

NOTE 1. NATURE OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (Cont.)

Property and Equipment:

The Organization capitalizes property and equipment over \$1,000. Purchased property and equipment is capitalized at cost. Property and equipment are depreciated using the straight-line method over the estimated useful lives ranging from five to thirty years. Currently the Organization does not have any property and equipment recorded.

Cash and Cash Equivalents:

For purposes of the statement of cash flows, The Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

Income Taxes:

The Organization has been granted tax exemption, under Section 501© (8) of the Internal Revenue Code, therefore no provision for income taxes has been made in the accompanying financial statements.

The Organization’s Form 990, *Return of Organization Exempt from Income Tax*, for the year ending June 30, 2014, is subject to examination by the IRS, generally for the three years after they were filed.

NOTE 3. FAIR VALUE MEASUREMENT (Cont.)

Level 1 indicates assets/liabilities with the most transparent and tangible valuation techniques. A Level 1 financial instrument typically has quoted prices and active markets. Level 2 are assets/liabilities instruments are other than quoted prices included within Level 1. The instruments can be valued indirectly using observation data or using quoted prices for similar assets or liabilities in active markets. Level 3 indicates use of valuation techniques and data that may not be verifiable. These types of instruments involve a great deal of assumptions and estimates.

NOTE 4. EVALUATION OF SUBSEQUENT EVENTS

The Organization has evaluated subsequent events through September 22, 2014, the date which the financial statements were available to be issues.

**REPORT OF GRAND INSPECTOR GENERAL
September 8, 2014, A. O. 896**

To: Right Eminent Grand Commander; Officers and Sir Knights of the Grand Commandery Knights Templar of Kentucky:

This past year, there were five Templar Academies held across the State by your Grand Inspector General. These were held at Newport, Richmond, Franklin, Madisonville, and Louisville. Division Commander Ronnie Williamson held one at Pikeville, which I could not attend because of a conflicting date. A total of 114 Sir Knights were present representing 24 Commanderies. All Division Commanders were present and did an excellent job instructing. Although remarks were encouraging, there were very few newer Sir Knights present. Probably 70 to 80 percent were Past Commanders. I would like to see more Sir Knights get involved in York Rite Masonry.

All but two Commanderies had full form openings for inspection. The reason these two did not have full form openings was because of lack of attendance. The average inspection score was 158 with 8

Commanderies scoring over 200 points. These were:

- DeMolay No. 12
- Bowling Green No. 23
- Glasgow No. 36
- Williamsburg No. 50
- Newport No. 13
- Ryan No. 17
- Covington No. 7
- Frankfort No. 4

Congratulations to all of the Division Commanders for doing an outstanding job, not only with their own Commanderies, but also supporting all 32 Commanderies throughout the Commonwealth. You make my job very easy.

Thanks to Right Eminent Grand Commander Bill Lile and his Officers for allowing me to do my job and for lending their support when needed. It was my utmost pleasure to serve The Grand Commandery of Kentucky.

Fraternally and Sincerely Thine,
Bobby E. Crittendon PGC/KCT

**Report of the Committee on
The Holy Land Pilgrimage
September 8, 2014, A. O. 896**

To the Right Eminent Grand Commander, Officers, and Sir Knights of the Grand Commandery of Knights Templar of Kentucky:

Your Committee on the Holy Land Pilgrimage reports that as of this date, no applications have been received for the pilgrimage in 2015. The deadline is October 15, 2014. All necessary application forms should be obtained from the Kentucky Holy Land Pilgrimage Chairman.

Ordinarily, the Grand Commandery pays the full cost of the Pilgrim Minister’s trip (domestic and international airfare, housing, meals, etc., other than personal incidentals)—currently about \$3800.00 to \$4000. Based on the most recent information available, it would appear that there are still sufficient monies to send a Pilgrim Minister to Israel in a future year, but the Holy Land Pilgrimage Fund is rapidly decreasing. We encourage all of the Commanderies in Kentucky to donate whatever they can to replenish the fund in order that others may have the same opportunity to travel to the Holy Land in the future. Donations should be sent to the Grand Recorder and clearly marked “Holy Land Pilgrimage Fund.”

We thank the Right Eminent Grand Commander for giving us the opportunity to serve.

Courteously submitted,

J. D. Reeder, KTCH, P.C. (53), Chairman
Larry N. Flowers, Sr., P. C. (23)
R. B. Hooks, Jr., P.G.C. (23)

COMMENTS

At this time the newly elected and installed Right Eminent Grand Commander William P. “Bill” Jackson made his acceptance speech.

There were also presentations mad to Past Grand Commander William F. Lile.

General Order No. 1

To: The Grand Officers and Members of the Grand Commandery and Constituent Commanderies of Knights Templar of Kentucky

Subject: Philanthropies, Evaluation, and Appointments

Greeting fellow fraters! I am indeed humbled and honored to be selected to lead “your” Grand Commandery for the ensuing year. I consider it a pleasure to have been able to serve alongside our Past Grand Commander William F. Lile. I look forward to serving with my counter parts Charles Mason, Clint Durham, and Wilson Wilder. I encourage each of you to reach out to your Grand Commandery and offer suggestions and assistance if needed. Please remember that the Grand Line and I serve you, the Sir Knights of Kentucky.

I want to strongly encourage all Constituent Commanderies to support our philanthropies as well as the annual Easter Pilgrimage both through participation and monetarily. The Knight Templar Eye Foundation provides ground breaking research to help aid and assist those with vision impairments. The Holy Land Pilgrimage allows us to send an ordained Christian minister to the Holy Land. Lastly the Easter Pilgrimage allows all Sir Knights to celebrate the resurrection of Jesus Christ together as well as the ability to show others the Christian Virtues for which this organization stands.

Commandery Evaluation shall consist of general records evaluation, full form opening with rehearsal of duties, pass and review reception of distinguished guests and conferral of the “Orders” in full form. The full form opening and the conferral of the Order may be held on different dates with prior approval from your Division Commander. All Full Form Openings must be completed by May 31st and all conferral of the “Orders” must be completed by June 30th. Each Division Commander shall conduct a “School of Instruction” prior to Inspection.

I encourage each Constituent Commandery to visit their Blue Lodges. Provide newly raised brothers with a hearty handshake and a petition to join the York Rite Bodies of Kentucky. We are

fortunate to be able to ask newly obligated Master Masons to join our Christian Brotherhood.

This General Order is effective immediately and shall be read at the first conclave of each Constituent Commandery after its receipt and be made part of the minutes of the conclave.

William P. Jackson
R.E. Grand Commander

Minutes September 7, 2014

Meeting was opened at 3:10 PM in the Holiday Inn Hurstbourne Hotel in Louisville, Kentucky by President-Elect James King. There were 7 members present. The Minutes from September 15, 2013 were read and approved on a motion and second by Bill Riggs and JB Hitt. The Treasurers Report showed that there is \$446.45 in the Treasury.

There were no papers submitted in advance. Kerry Sluss discussed an article from the Knights Templar magazine written by SK David P. McCash titled "Compasses and Square" which entailed the various meanings of those two valuable instruments as they mirror some events in history. The Crusades, the erection of Temples and tabernacles, as well as the Egyptian and Mayan civilization owe these instruments some credit for the development of their societies.

JB Hitt started a discussion on Fellowship and Research Groups on how they are formed and why in the early formation, they were composed of scientists, philosophers and men of learning. These men were usually advisors to Kings and lesser royalty. He also mentioned in our Commonwealth we had a group of men who meet at Pee Wee Valley Lodge for Research, as well as the Ted Adams Lodge of Research in Paintsville, KY.

JB Hitt and J. William Riggs were then tasked by our President to find the ways a Lodge of Research should be structured, and be a topic for our next meeting.

There was discussion about a paper presented by Reese Harrison this year at Maggie Valley N.C. at the ingathering of the York Rite. Our KY, delegation was very impressed. The event will be held again in July 10 and 11, 2015.

Elections for the year were held, with a slate proposed by JB Hitt, seconded by Bill Riggs of : James King President; President – Elect ; Larry Beeman, Robert Stanford, Vice-President; and Kerry Sluss Secretary-Treasurer, all were elected. The Officers were installed by Past President J. William Riggs. No further business, we adjourned at 3:55 PM.
