REPORT OF THE GRAND COMMANDER

September 18, 2023, A.O. 905

Grand Commander's Address

TO: The Officers and Members of the Grand Commandery of Knights Templar of the Commonwealth of Kentucky.

Welcome Sir Knights to the One hundred and Seventy Seventh Annual Conclave of the Grand Commandery of Knights Templar of Kentucky. We offer our heartfelt welcome and thanks to our distinguished guests from within our Commonwealth and to those traveling here from other States. We want you to know that your attendance is greatly appreciated. We want you to feel welcome and enjoy our session, and, it is our hope that our actions and hospitality will inspire you and make you feel at home.

Sir Knights, most of you have heard many, many addresses in the past, so, to keep from boring you, I'll try to hit only on the most interesting parts of my year. My itinerary and most of my activities will appear in these proceedings. So, with your permission, I will print only the parts relevant to the Grand Commandery, and will write only on the things I feel are most important to our Grand and Beloved Order.

State of the Order

In traveling around the Commonwealth this year, my officers and I had the distinct pleasure and honor of working with some of the most dedicated men in Masonry. This includes every degree

and order from Entered Apprentice to Order of the Temple. I have seen some of the best work possible. However, as good and efficient as we think we are, there's always room for improvement. I still see a lot of seasoned veterans performing degree work, and, still, many rituals being opened. Sir Knight, we've got to impress our candidates by conferring degree work and not read it. I am seeing less and less Past Commanders conferring Orders, but, rather, newer members are taking parts. For the openings, we need to practice, practice, practice. If my count is correct, we knighted over one hundred new members this year. One of my highlights was in August when we knighted fifty new members in an all day festival at the Scottish Rite Temple in Louisville. All degrees and orders were conferred in excellent manners. Inspections went extremely well this year. From looking over the inspection reports, we have some very high scores. I credit much of this to my inspecting officers. I decided not to have Templar Academies this year, but, I put pressure on my Inspector Generals to hold their own instruction schools, and, they came through with flying colors. It's true, all of our Commanderies can always use improvement, but, there's no place on the inspection sheet for dedication. If there was, we would all have perfect scores. Even the smaller Commanderies took their work very seriously. Believe me, your work does not go unnoticed. I preached leadership this year. How important it is. It's often difficult to find leaders in our Masonic family. It seems there are times when nobody wants to step up to the plate, but, this is the only way we're going to keep our York Rite alive. I realize there are men that are born leaders, while others need a little coaching. But, these followers must realize that we're here to help, not to criticize your every move. So, please, if you want to get involved and are a little shy, don't be afraid to ask for help. There are thirty two Commanderies and more Chapter and Council Bodies around the State, so, there's always somebody there to help.

In regard to finances of the various Commanderies, it appears that while none of these Commanderies are getting rich, we're still able to hold our heads above water. I realize that many of you are afraid of raising dues because of losing members. Sometimes, no rather how difficult this task may be, it is the thing to do. Many times, the last resort is to lose a charter, and, none of us want this. I appeal to you to visit your Blue Lodges and give an educational talk regarding the York Rite. You may be surprised at the outcome.

My thanks to the finance committee consisting of Past Grand Commanders Larry Carte, Bill Riggs, and George Brooks for

keeping a close eye on our money and working closely with Randall Partin and Robert Stanford.

In concluding my State of the Order, I feel that the Commanderies of Kentucky can compete with anyone in conferring the three Orders. I have witnessed with my own eyes just how good we can be if we try. But, again, we have to put our foot forward. Remember, there's always room for improvement. Let's be better tomorrow than we were today.

Visitations

My visitations took my officers and me to all corners of the State and we could not have been treated any better. Whether it from Williamsburg to Paducah, or from Whitesburg to Covington, we met and worked with absolutely the finest people possible. The constant display of love, dedication, and hospitality extended to us is beyond words. We should be forever indebted to all of you for this. I made it clear to my officers one year ago that I would put my family first this year and that It would be impossible for me to make every meeting, so I made it clear that the only restraints I put on my officers was to make the meetings in their area and elsewhere where needed. Having said this, every Commandery in Ky was attended and then some. Traveling to the various York Rite Bodies is what makes this job so rewarding.

In March, all of my officers and I attended the East Central Department meeting in Ft Wayne. As always, this was a very informative meeting and we brought back some very good ideas. I would encourage each of you to attend one of these meetings at some point. Thanks to all the Sir Knights and members of Chapter and Council who accompanied me. I had the honor of attending several Christmas Observances. Again, thanks to those of you who take the time and effort to put these services together. I also had the honor of attending the Rainbow Girls Grand Sessions as well as The Grand Eastern Star Session. Both of these ceremonies were well organized and I thank you for the honor. The rest of my visits are in my itinerary.

Knight Templar Cross of Honor

This year I received several nominations for the Knight Templar Cross of Honor which will be presented during our Grand Session. It was inspiring to read all that these Sir Knights have contributed to our great organization. It is sad that all of these Sir Knights cannot receive this high award, but I feel the choice that was made will be pleasing to everyone for this Sir Knight's dedication and devotion to our Commandery.

Conrad H. Cates Service Award

The Conrad Cates Award is singular to Kentucky and goes to one well known for his efforts and leadership over many, many years of faithful service to our beloved Order. There is little else we, as a Grand Commandery, can do to honor those who have labored so faithfully among us. Therefore, I doubt if anyone will be surprised with the selection made this year.

Easter Pilgrimage

This year, once again, the Sir Knights went to Washington D.C. for their annual Easter Sunrise Service. All of the Grand Line Officers were present, as well as many of my appointed officers and Past Grand Commanders and families. Sir Knights, if you have not had a chance to attend one of these trips, I highly encourage it. The fellowship is amazing and the Sunrise Service, unforgettable. My thanks goes out to Bill Ryan and Michael Yount for, once again, a well organized trip.

Conclusion and Appreciation

Dear Sir Knights, once more, there comes a time when one must step down and render his command to another. That time has come once more for me as your Grand Commander. I realize the conditions when I was elected were not the best one could hope for, but, because of my love for Masonry, I chose to accept these conditions. I can only hope that my endeavors have met with your approvable and I haven't let anybody down. Only a short three years ago, through no fault of anyone, our fraternity hit a low spot when Covid shut everything down. Many had doubts that we would ever achieve full status again. Thankfully, with the leadership that we have had and the dedication of you brothers, we are once again up and running, more stronger than ever. We had a banner year this year in the York Rite thanks to you. You have knighted well over 100 Sir Knights. We alone can do nothing on our own. However, as a group, we can be as strong as we want to be. Last year, I said that every time you think you're getting to the top of a mountain, there's always another hill to climb. Brothers, at last, I've reached that peak. This organization has been my second family, and sometimes my first, for over 50 years. I have received many awards, and for this, I will be eternal grateful. But, this time, it's for good. I'll always be there if I'm needed and will do what I can to help.

Thanks to my officers for being my best friends this year. You all have exceeded my expectations and have been the best to work with. You did everything that was asked of you without any complaints. Thanks to the Past Grands once again for your guidance and support. You have always been my inspiration. Thanks to

Robert Stanford for his financial knowledge, to Randall Partin for maintaining the office of Grand Recorder. One would think he was a seasoned veteran instead his first year. Thanks to the various committees for continue to function without fee or reward. To my Division Commanders for seeing that their commanderies continued to function to the best of their abilities.

My heart goes out to the three other leaders in Masonry. Most Worshipful Grand Master Darren Wilson, Most Excellent Grand High Priest Greg Raque, and, Most Grand Illustrious Master Eric Creech. I have seen each of these brothers in action this, and this fraternity is very fortunate to have them.

Finally, once again, thanks to my wonderful and understanding family for my love for Masonry. Most especially, my beautifully wife, Pat, who has put up with me for 57 years. She continues to be my rock and stronghold, and, I don't know how I would make it without you. As I said before, I try to put my family first, but this year has been no different than others. There have been times and will be times again when Masonry will again come first. A little over a year ago, my family met with a severe loss, but with the aid of God and my Masonic family, we got through it. I am proud to say that I belong to the greatest organization in the world.

Once again, Sir Knights, words will never express the thanks and gratitude I owe you for allowing me to serve as your Right Eminent Grand Commander.

Sincerely and Fraternally Thine;

Bobby E. Crittendon
Grand Commander

Sir Knights,

I wish to thank Sir Knight Randall, EGR and Larry Carte, Assistant GR for all their help. They have done a Great job getting the Grand Office up and running in Williamsburg. I have never called and not received the assistance requested. I also thank Most Worshipful and ME Wilson Wilder for accepting the Assistant Treasurer position.

Wilson, as most of you know, has had a difficult year. He still managed to become a new granddaddy with the Wilder addition of Gracelyn Bell.

Randall and I have closely monitored our checking account this year and were able to transfer \$50,000 to our investment account. This will help to insure a sound financial future for our Grand Commandery.

If there are questions concerning this report, please contact me.

Courteously submitted,
Robert L. Stanford,
Grand Treasurer

Motion second by Randall Partin and approved.

REPORT OF THE GRAND RECORDER September 18, 2023, A. O. 905

It has been an honor to serve this year as your Grand Recorder and I thank you for the confidence you have placed in me and the support that so many of you have expressed.

As most of you know, we moved the office from Stanford to Williamsburg last December. We had a lease agreement on the office there through the end of the year, and constitutionally, Jim King remained the Grand Secretary of the Grand Chapter until the end of the year. For practical purposes, we kept the office in Stanford. This required regular trips to Stanford to work with Jim, and to begin transferring the workload. By the first of this year, everything was moved and the office was functional in Williamsburg. I would like to take this opportunity to express my appreciation to Jim for his assistance during this process. He was, and continues to be, helpful and supportive. I would also like to thank Grand Treasurer Robert Stanford for his assistance throughout, and the assistance of PGC Larry Carte has been invaluable.

There were significant challenges to work through with getting our records organized, caught up to date, and in some cases corrected. The disruptions in this process caused by the departure of the office secretary in July and the move created additional problems. However, we are getting things caught up. Several new office policies have been put in place and our financial records are balanced and checked monthly. We are making every effort to keep sufficient copies of our rituals on hand and have just placed our third order of spiral bound rituals with the Grand Encampment. We are currently digitizing the Tactics so that we can get more of those printed and available. This year, all bylaw approvals are being handled elec-

tronically, and we have pins, cards and certificates available for our 50-year members. Proceedings for 2021 and 2022 are compiled and waiting on the printer; PDF copies have been posted on our website for your convenience. We continue to look for better ways to serve you and make the office more accessible and efficient.

Thank you again for the opportunity to continue to serve and I look forward to working with you in the future.

REPORT ON HOLY LAND PILGRIMAGE

September 18, 2023 A.D. A. O. 905

SK George Brooks, PGC and SK Larry Carte, PGC reported on the work of the Holy Land Pilgrimage Committee. Sir Knight George reported on the fund raising efforts through the motorcycle ride and SK Larry announced that he would match the first 10 Commander-ies that made a \$100 donation to the Holy Land Pilgrimage fund. He then moved approval of the following report as printed in the Advance Proceedings. Motion seconded and adopted.

To the Right Eminent Grand Commander and Sir Knights

The Holy Land Pilgrimage Committee would like to thank you for your continuing support. The committee's goal is to send a minister every four years. We are sorry to report that the last minister chosen was unable to make the trip. COVID played some part in his inability to go, however. He ultimately chose not to go on the trip and did not inform us in time to select a replacement. We are looking forward to sending a minister in the near future.

Let me remind you that there are several options in supporting our goal of sending a minister every year. We do offer life memberships for \$50. You can take up a love offering at our annual Christmas Observance, and PGC Larry Carte is always selling shirts for the cause. We currently have about \$25,000 in investment. Thank you again for your continued support.

REPORT OF THE COMMITTEE ON WORK September 18, 2023, A. O. 905

To the Right Eminent Grand Commander, Grand Officers, and Sir Knights of the Grand Commandery of Knights Templars of Kentucky:

The Grand Work Committee was not needed as a review committee during the year as there were no changes to propose for the Pro-

gram. Many aspects of the history, old Templar Rule/Latin rule, and aspects of the Templar's roles in the Crusades and historic contribution to the Renaissance were researched and several lectures on those aspects of the Templars were given to the craft. I am very appreciative to RIGC Bobby Crittenden for the consideration and appointment to said committee!

Fraternally thine,
Joseph P. Giles, Chairman (4)

REPORT OF THE DEPUTY GRAND COMMANDER

This was a busy year for me. Although I enjoyed my travels. I must say that my traveling companion Butch (with an I) made all my travels enjoyable and driving time seem short. We must have discussed everything imaginable. Butch was my navigator until he would argue with The GPS lady Thank you Butch for putting up with me.

Traveled approximately 30,00 miles starting in the east. Wanted to get there before the snow started falling. Wonderful folks there treated me with open arms . It was awesome to see the Commanderies working together with each other to accomplish their mission.

Then headed to visit the commanderies in the western part of the state. While in Mayfield I saw the horrible devastation left there by the tornados. Pictures did not show what the folks there were feeling and dealing with. It broke my heart to see this up close. As I visited the Commanderies, I noticed how tight the camaraderie between the Sir Knights were. When you visited each Asylum there were always other Sir Knights present to assist in the work.

In west central Kentucky they were always happy to greet me and make me feel warm and comfortable. Again, they were always having Sir Knights present to lend a big hand in helping their Brothers.

Northern Kentucky seemed to have everything under control, as Grand Commander Bobby Crittenden was not going to allow it any other way. Wonderful Sir Knights to work with.

Now back to my home turf. The Asylum's were always on my case about something. With 6 Past Grand Commanders always with their eyes and ears on me I was always questioning myself as to how was I doing. I had lots of questions so I ask a lot of questions and received lots of answers. The answers were all for the betterment of the Craft and The Grand Commandery of Kentucky. What a great group of Sir Knights to have been associated with on my home turf. I thank all Sir Knights in this Great State of Kentucky for their help, Guidance, support, and most of all, their belief in me.

I would be remiss if I didn't Thank Greg Raque for guiding me through some of the rough times the Commanderies have been through. Phone calls, text, emails and riding together to Chapter and Commandery assemblies. early morning calls, late night calls and how to operate this computer. Thank you Greg.

It has been fun learning, and exciting, sharing information as your Very Eminent Deputy Grand Commander. I Cherish this adventure. Thank you.

W. Michael Yount

Very Eminent Deputy Grand Commander

REPORT OF THE GRAND CAPTAIN-GENERAL.

Within days of the closing of the Grand Session I hit the road running with a visit to my own Commandery (Morehead), with trips to Richmond and Ashland's festive board.

I attended several meetings in Eastern and Central Kentucky all east of I-75 and next year I will travel to Western Kentucky.

Out of State

In March of 2023 I attended the East Central Conference in Ft. Wayne IN. I also attended The Indiana Grand session in Nashville, IN. Interesting note, the night before the session was to begin the electricity went out through out the county and was out for over 24 hours. They still were able to pull it off.

In June of 2023 I attended the Missouri Grand session in Springfield MO.

In August I have plans to attend the Triennial Assembly in Branson, MO.

REPORT OF THE NECROLOGY COMMITTEE

September 18, 2023

To the Right Eminent Grand Commander, Officers, and Sir Knights of the Grand Commandery of Kentucky.

There is a passage in the Bible we have all heard from the ceremony for many Brothers, when given the final words of respect at the grave site or funeral home when requested by the family or the Brother himself before death. You may ask just what this is, and you will find it in the Holy Bible under Ecclesiastes 12: 1-7 ESV. We deliver this to you in respect to those to whom we have lost.

“Remember also your Creator in the days of your youth, before the evil days come and the years draw near of which you will say “I have no pleasure in them”; before the sun and the light and the moon and the stars are darkened and the clouds return after the rain; in the day when the keepers of the house tremble, and the strong men are bent, and the grinders cease because they are few, and those who look through the windows are dimmed, and the doors on the street are shut-when the sound of the grinding is low, and one rises up at the sound of a bird and the daughters of song are brought low-they are also afraid of what is high and the terrors are in the way; the almond tree blossoms, the grasshopper drags itself along, and desire fails, because man is going to his eternal home, and the mourners go about the streets-before the silver cord is snapped, or the golden bowl is broken, or the pitcher is shattered at the fountain, or the wheel broken at the cistern, and the dust returns to the earth as it was, and spirit returns to God who gave it.”

Fraters let us all take heed and remember those who have passed from our circle of life and gone on before us. We have lost between July 1, 2022, and June 30, 2023, those who served this fraternity, and the number is 73 to whom we owe our respect to those families left behind. Those who were around with us and gave us their friendship and love now have gone to be with Jesus. Let us remember all those with these words we find for inspiration with faith we find love of Christ.

PROOF COMES BY FAITH

“I am the resurrection and the life. He who believes in Me, though he may die, he shall live. And whoever live and believes in Me shall never die.” JOHN 11: 25-26

Do you accept these words of Jesus? I do. Even His most avowed enemies never caught Him in a lie. He, who was truth itself, can be trusted implicitly. He said He would be in the grave three days---and He was. He said He would come forth from the grave---and He did. And we, also, will one day die and be resurrected. This is the great hope and certainty for those who follow Jesus.

Even without these proofs I would still know that Christ lives because He lives in me. I talk to Him every morning when I wake up. He walks with me, and even as I write these words, His presence is overwhelmingly known. Are you looking for Jesus? He is near you today. Look at the cross, and you will see the evidence—His blood shed for you—but He is not there. Look for Jesus—He is knocking at the door of your heart.

**Grand Commandery Golf Scramble
Report 2023**

To: Eminent Grand Commander, Grand Commandery Officers, Past Grand Commanders, Distinguished Guests and Sir Knights

July 8, 2023, was a wonderful day with amazing weather, full of golf, food, and fellowship at our annual golf scramble in Lawrenceburg, Ky. We had a good day, but a short turn out with 8 golfers and 2 teams, and even though we did not have the turnout we have had in years past, it was absolutely a success. \$200 and trophies were awarded to first place and \$100 to second place, and all prize money was donated back. Everyone that attended had an enjoyable time, and lunch was provided at the end along with donuts and hotdogs earlier in the day.

A big thank you to all that helped, played, sponsored a hole, donated time, and had a part in making this day a success. We had the Deputy Grand Commander Michael Yount in attendance. 13 commanderies donated, but in the future, we would like to see more commanderies participating. With everyone's help were able to donate to the Knights Templar Eye Foundation in the amount of \$2,390.00.

Report of the Membership Committee

We would like if thank Sir Knight Bobby Crittenden for allowing us to serve on this committee. We submit the following suggestion that the Grand bodies put together a guide for new Companions/Sir Knights, similar to the one on the Grand Encampment website except more Kentucky-centric, to help them with their journey in the York Rite. Again thank you for allowing us to serve the Craft.

General Order No. 1

To The Grand Commandery Officers, Recorders, and members of the Grand Commandery of Kentucky.

Dear Sir Knights, I am deeply Humbled to have been elected as your Grand Commander. My election as Grand Commander is not just an office to fill, but rather to make The Grand Commandery of Kentucky the best you are capable of attaining. My election as Grand Commander signifies the election to a significant office, yet it is Imperative to recognize that this role merely represents a position to occupy. The true essence lies in our collective dedication to ascend to the pinnacle of our potential, striving to achieve excellence and stand as the embodiment of our highest aspirations. Together we will be defined by our unwavering commitment.

There will be a division drill team competition consisting of Full Form opening along with Color Guard Competition. This will be judged following the current inspection form. A bar will be awarded to all participants. A bar with 2 flags will be awarded to the winners in each Division. Also, a plaque will be awarded to the winning Commanderies.

We will require a school of instruction for each division.

There will also be a family night in each Division so your families have the opportunity to meet your Sir Knight brothers along with the Grand line officers.

Remember your Grand Officers are here to help YOU succeed. Call, text, or e mail any Grand Officer

Fraternally Thine,

W. Michael Yount

R. E. Grand Commander
