

# ANIMAL EVACUATION KITS

## Large Animals

Keep these in a bucket in the barn

- List of animals on property in the event you are not home
- ID for your animals: livestock crayon, fluorescent spray paint or duct tape (use your name or phone number)
- Laminated emergency contact list (vet, farrier, work contact information)
- Vaccination records, emergency cash, map of area
- 3 days feed & water for each animal, cotton or leather halter & lead rope
- Fly mask, large DRY cotton bandana for eyes
- Blankets
- Tools: large animal First Aid Kit, large pair of scissors to trim mane & tail, wire cutter, small roll lightweight wire, duct tape, zip ties, hoof pick, hoof knife, pocket knife, flashlight & batteries, leather gloves

## Small Animals

Keep these with your family evacuation kit

- List of animals on property in the event you are not home
- ID for each pet: registration, photo, proof of your ownership
- Laminated emergency contact list (vet, work contact information)
- Vaccination records, emergency cash, map of area
- 3-7 days feed, water & bowl for each animal
- Leash & collar for each cat & dog
- Carrier for each cat & dog, label each carrier with your ID
- Muzzle for each cat & dog
- Pillowcase & shoelace for each cat or reptile (easier to catch)
- Large DRY cotton bandana for eyes
- Cover for bird cages
- Litter & disposable pan for cats
- Blankets, bedding for pets
- Stakes, tie outs
- Newspaper, paper towels
- Tools: small pet First Aid Kit, scissors, duct tape, pocket knife, flashlight & batteries, leather gloves
