Mission....

Carr's BBQ and Market is sponsoring the Dennis E. Carr Memorial Scholarship, which is made available to deserving individuals who hope to pursue a career in forestry or agriculture industry. Dennis dedicated his life to the forest industry and agriculture, trying to ensure that these industries and ways of life are here for future generations.

This scholarship is being started in memory of Dennis E. Carr for those who's love of helping the landscape and future generations to come. Dennis served on many boards and committees related to forestry and agriculture, making sure that we are stewards of the outdoors. His commitment to preserving agricultural and forestry from the smallest details to the largest details, is surpassed by none. His day to day with Carr's BBQ and Market really focused on quality of the products and knowing where your food is coming from. Dennis's need for the knowledge of farm to fork really drove us in to the next chapter of the food industry, which ultimately starts with the farmer/rancher. We want to ensure that our industry doesn't disappear for our grandchildren and their families.

Application Procedures and Guidelines...

The Dennis E. Carr Memorial Forestry/Agricultural Scholarship Fund will provide two \$500 Scholarships for students accepted for admission to an approved college or university, junior college, technical college, or accredited program.

Eligibility

Applicants must be US citizens and high school graduates in good academic standing with a 2.5 grade point average or higher. Transcripts or institutional verification may be requested to document/verify academic standing.
