President's Message

The Bo-Boen Snowmobile Club officially kicked off the new season with our first membership meeting at Clearview Supper Club on September 12th. Thank you to President-Elect Joe Domenico for chairing the meeting while Carla and I were out of town.

The early weather forecasts for this winter are predicting a good snowfall and everyone is anxious to get the season underway. You should have already received your membership renewal forms. Now is a good time to renew your membership as you will need it before ordering your discounted trail passes.

Our trail maintenance crew has been on the trails doing some preliminary brushing and inspecting to ensure the trails are in tip top shape for the start of the season. We had our first on-the-trail meeting with the St. Germain ATV Club to ensure that ruts, erosion, and modifications to the trails from ATV/UTV's are remedied prior to the ground freezing. The Club Brushing Day is October 12th. Please join us for a fun day and an opportunity to help get the trails ready.

The Bo-Boen cash raffle fundraiser started this month. This is a major fundraiser for the Club. Please consider buying a raffle ticket and supporting our trail grooming efforts.

The Club took part in St. Germain's Colorama event again this year. John and Robin Lindberg staffed the Bo-Boen booth and provided information about our Club, our sponsors, and snowmobiling in St. Germain. They greeted members, answered questions, and sold Bo-Boen merchandise and raffle tickets. Thanks to John and Robin for representing and promoting the Club.

I look forward to seeing you at the October membership meeting at Fibber's, and at Trail Brushing Day.

Roger Klein, President

COLORAMA

It was a FUN weekend at St. Germain Colorama! Lots of friends stopped by with snow predictions and to talk snowmobiles. We even had our Tucker with its new plow on display. After all, Tucker orange is our favorite fall color. Many thanks for all the donations and raffle ticket sales.

Thank you to John & Robin Lindberg and Wayne & Fran Suchocki for manning the booth.

Membership Corner

Our general renewal membership forms were mailed out in early September and the renewals have been steadily coming in. If you haven't yet, please return your form or use the secure membership renewal form on our website (boboen.com/club-membership). All AWSC memberships expired June 30. Renew now so we can process along with your AWSC membership (if we are your primary Wisconsin club), and you can apply for discounted trail passes if you qualify. All trail pass information can be found on our website (boboen.com/trail-pass-info).

If you have any questions, please let me know. Enjoy the fall.

Snowmobile Safety Class Scheduled December 7 & 8, 2024

Beginning January 1, 2001, any person born on or after January 1, 1985, and who has reached the age of 12, must have completed and received a snowmobile safety certificate in order to operate a snowmobile in Wisconsin. The certificate must be carried while operating the snowmobile and displayed to a law enforcement officer upon demand.

Safety Education Class is scheduled for December 7 & 8 at the St. Germain Community Center. Anyone 11 years of age or older is eligible to take the class and receive a safety education certificate; however, the certificate does not become valid until the child reaches 12 years of age. Adult students are also welcome to take the class. There is a \$10 DNR fee required to take the class. Registration will begin at 8:30 AM on Saturday, December 7; class will begin at 9:00 AM and complete around 2:30 or 3:00 PM. Lunch will be provided. On Sunday, December 8 class will run from 9:00 AM to noon. You are required to attend both days. Pre-registration is required by contacting Peggy Ausloos at 715-542-3548 (home), 715-892-6467 (mobile), or Peggy2090@gmail.com. You can also register online at gowild.wi.gov.

All students are required to obtain a Wisconsin DNR Customer ID# as part of the criteria to graduate from any Recreational Safety Class and provide that number to their instructor. Students can obtain a DNR Customer ID# by logging in to gowild.wi.gov or by calling 1-888-936-7463 between 7 AM and 10 PM. You can also visit a Wisconsin DNR Service Center during their regular scheduled hours. You will need to provide your social security number. TRAIL BOSS REPORT

The Maintenance/Brushing Crew have been working hard the last few weeks to get the trails ready for this upcoming season. They take pride in all they do and "They Do This For You". These guys are very good at it. It is a long, drawn-out chore but they stick right to it. After brushing is finished, it is time to get all of our signs up to specs. A big

"Thanks" to the guys who participate in getting this done.
