Terms & Conditions

A deposit of £10 per head is required to confirm your booking and is to be paid by the organiser in one full payment. All guests in a party must choose from the same menu. Final numbers are to be re-confirmed seven days before the event. Any numbers dropped after this date will lose the £10 deposit. Any cancellations on the day of the party may result in being charged the full menu price (this is because food will have been produced specifically for the party) A pre-order is required from each party and needs to be completed at least twenty one days before the date. We recommend pre ordering wine to avoid any disappointment. Please state any specific dietary requirements on the pre-order form. Restaurant tables after 5pm will be required back for a later sitting. Time allowed for your table can be confirmed at the time of booking. Only tables booked at 8.30pm or later can be guaranteed longer seating times. Parties of ten or more may not be sat on the same table but will be arranged on separate adjacent tables. Food will be served promptly at the time agreed with the booking organiser. We recommend you arrive 20 minutes before your meals are served to allow everyone a chance to get a drink and make themselves comfortable before dining. Drinks ordered at the time of the event will be charged at standard prices and will be subject to a 10% service charge if ordered and served by the waiting staff. All bills are subject to a discretionary 10% service charge. The bill on the night cannot be split more than three ways. We regret, loyalty card points cannot be accrued from either christmas menu.
