

## Little Trouble Cattle Dogs

Thank you for your interest in one of our Australian Cattle Dog puppies. We take great pride in the quality of puppy that we produce and we want nothing but the happiest and forever home for each of our puppies. Please take a moment to tell us about yourself and your experience with the breed.

These questions are for the sole purpose of matching you and your family with the perfect puppy. Just like you, each puppy is an individual with its own personality and needs. We **do** **not** place puppies based on color or gender preferences alone, but we will do our best to honor these.

Keep in mind, there are no right or wrong answers and you will never be judged. However, if you do not complete this application in full you will not be considered for a puppy.

Also, please know that you are **not guaranteed** a puppy just for completing this application. Anyone who wants to be a part of the LittleTrouble Cattle Dog Family **must** complete an application and have it **approved**. Once your application is approved you will go on a list to be contacted once we have a breeding and confirmed pregnancy. If you are still interested in a puppy at that time you will be required to send in the \$200 non-refundable deposit to officially be put on the waiting list. You will be notified at that time what your pick number is. We as the breeder always reserve the right to have first pick of the litter. The \$200 deposit fee will go towards your final purchase price. The final price of the puppy is determined once the litter arrives. You can also choose to stay on the waiting list for a future litter, you will not be required to select a puppy from a specific litter if your perfect match is not present.

If you are new to the breed we can help you decide if this is the right breed for you and if a specific puppy's temperament is a good match for you and your lifestyle, so please ask as many questions as you need to!
