WHY WE ARE DOING THIS

All proceeds from the golf tournament will go towards Spring of Hope's Counseling center. Spring of Hope is a non-profit organization called to facilitate inner heart healing, through prayer counseling and teaching. We offer prayer counseling to adults, teens, couples, singles, families, and children. In addition to counseling, we offer training schools and seminars to equip people with the tools and knowledge to assist others for the purpose of restoring relationships.

All prayer counseling sessions are paid on a donation basis.

Thank you for participating in our event, and more importantly, thank you for your continued support as we bring hope, healing, and restoration through the power of Jesus Christ to our Community and the surrounding Region.
