THE EASTER SEASON

By Pastor Troy Wiley

The Easter season has once more and again come upon us. What a blessing to see the seasons change before our very eyes in the natural. And what a great opportunity we have to pause in the Spirit and see the changes that God is bringing forth in the spirit realm, in connection with the Easter season.

There is a contrast always between the suffering and the blessing. There is always relation between the price to pay, and the payoff that comes when the blessing comes forth. We reap what we sow, in the natural and in the spiritual. If we sow to the Spirit, we will reap peace and life everlasting.

The blessing of the Lord maketh rich and he adds no sorrow there too. All of the suffering that Christ endured, which led up to his physical death, the resurrection and the power of the Resurrection was and is the proof of his deity. If we suffer with him, we will reign with him. When we endure the hardship and suffering in his name and for his glory, then he will arise with healing in his wings and we will come forth in his resurrection power.

One of the beautiful things about the Easter season, is the willingness of Christ to suffer by faith and in faith. Faith without works is dead. Christ was willing to endure suffering, to the extent that no individual had ever suffered before. The just shall live by faith. He was willing to believe for God's will to be done, despite what it cost him in his physical body.

When he had paid the ultimate price, and he said it is finished, he was glorified in the manifestation of the Resurrection, which was shortly to come. In other words, in order to be raised up, we must endure by faith.

Without the shedding of blood, there is no remission for sin. He endured the cross, suffering unto death so that in him we may live and move and have our being. He said, I am come that you might have life and that you might have it more abundantly.

Even now, for those of us who are enduring suffering, and going through different kinds of suffering, by faith and in faith, there is a glory coming forth. There is a glory to sustain us, and there is a glory which will be even more visible, in the resurrection of our life, both now and in eternity. We are raised up with him.

666 SERMON

By Pastor Dollie Harrell,

Late Founder of The Pentecostal Revival Center and JGV TV
Gospel Vision, Palatka, Florida

We are in the day of numbers. Now we have a social security number, a bank number, a mail number, a zip code number, a world telephone number, road numbers, house numbers, and even your child is a number at school; but, there is a number yet to come to this world of sinners that will be an evil force, that will rule and dictate for 7 years, and will turn men like beasts making them curse the God that made them, and turn them like devils on earth.

What is this number? It is 666. Where does this number come from? It comes from the book of Revelation. Who wrote about this number? John the Revelator. So, let us go to the Bible and find out more about the number 666 and the Great Tribulation.

God spoke to John and told him to write prophecy that would come to pass to end the world, so you and I would not be ignorant about the future. Sure, there are things that none of us can completely explain in Revelation, but praise God, John gave us enough that we do know beyond a shadow of a doubt the plan of God's calendar, and we know the major events that will take place.

One of the major events in the book of Revelation is the 7-year tribulation. It is fully explained and gives the name of the beast or the number of his name, that will dictate to this world. Turn in your Bible to Revelation 13:17-18: "And that no man might buy or sell, save he that have the mark, or the name of the beast, or the number of his name. Here is wisdom. Let him that have

understanding count the number of the beast; for it is the number of a man; and his number is Six hundred threescore and six.

Right after the first resurrection, when Jesus comes back to get us that are saved, this world will go into tribulation. It will be 7 years of hell on earth. The Antichrist man will rule, and his number will be 666. I believe he will deceive people in such a way until they won't know what they are getting into, until it is too late. They have government food stamps now, and people will go down to take the mark 666 to buy and sell and get groceries or anything else they have need of just as they do today, thinking it is a government line. The number is 666 because God's number is 7, and 666 is as near to God's number as it can get. There are three sixes imitating the three persons in the Godhead. The number 666 will have to be taken in the forehead or right hand; you remember Jesus took the crown of thorns in the forehead and the nail prints in his hand. Revelation 14:9 bears out that when the mark 666 is taken, it instantly seals you to the devil and dooms you to the pit of hell forever.

The number 666 will be a one-man dictatorship. We are even talking about the president of the United States now being a dictator. He is not yet, but it is being talked, and when anything is being talked it is in people's minds. Everything now is pointing to world dictatorship. The UN is the beginning of the 10 horns. The United Church council is the beginning of the mother harlot church. Our churches have already become brothers to the enemy, and have worldwide Sunday school lessons and each denomination dictates what the preacher shall preach. The government is breathing down the necks of every TV and radio station now telling them who and what to have on the air. Our city and county codes are already a dictatorship, so, we cannot be far from the coming of the King after his bride and then the mark of the beast, 666.

The mark of the beast, 666 will be a deceiving power. Jesus Christ is all power. The Father gave Christ all power in heaven and earth when he shed his blood and gave his life for this world of sin. The Antichrist will try to imitate the power of God to deceive the people on Earth during the Great Tribulation, and tried to make the Jew believe he is their Messiah.

Let us go again to the Bible to Revelation 13:13-15: "And he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men and deceiveth of them that dwell on the Earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth that they should make an image to the beast, which had the wound by a sword, and did live. And he had the power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed". We see from the scripture he makes an image and then makes the image talk. The devil is already building up in our minds and getting us ready for this event. I remember when I was a child how we would read the funny papers about people going into space, and this seem like a fairy tale; but this month in 1973, they sent up one of the first space labs to transfer ships own into outer space. We used to say we could never see people in a radio, but TV made that possible. Now, our children are playing with the toys today we named robots; and they are programmed to do anything at their command. With the help of a tape recorder inside of a little girl's doll they cry, talk, and say nursery rhymes. The computer runs every company in the United States. I bought a freezer from Sears several years ago. Every month I went in and paid my bill. Palatka being a small town, I know all the clerks and they saw me and conversed with me every time I entered the store; but the computer was crediting my bill to another Harrell. All of the clerks were afraid of their jobs so no one would verify they had seen me, and my receipts were not proof of how many back payments were left, and they informed me that the computer couldn't lie. Finally after I refused to return and pay any more until Atlanta was notified did it all get traced out and I found out that the computer can make a mistake. Everything that I am writing about is a stepping stone toward the Antichrist sitting up an image and then having the power to make him talk. The Antichrist will also call fire from heaven. He will make a big show with power - ESP, witchcraft, and hypnotism are all his spirit today, so be very careful you recognize them when you are faced with evil spirits today.

The number 666 will rule this Earth for 7 years, but praise God, Jesus Christ will put a stop to all this chaos on Earth of the devil

by coming back with the saints of God to the streets of Jerusalem and fight the battle of Armageddon. Revelation 16:16-he will defeat the army of the devil and bind him in chains for a 1,000 years and reign on this Earth as King of Kings and Lord of all. Hallelujah. Praise God.

Jesus is coming and is coming soon. Are you ready to meet him in the first resurrection? If not, you could be living in Great Tribulation and could be taking the mark 666 yourself. Please get saved today while the Spirit of Christ is knocking on your heart's door as there will be no Holy Ghost to draw your heart in Great Tribulation; and, let me warn you of anyone that would teach that we are in Tribulation now, or that you will have a chance after Tribulation. Or that Jesus will not come before tribulation. These teachers are of antichrist and desire your soul in hell!

ARE YOU UNDER PRESSURE

By Pastor Troy Wiley

If you can take it, you can make it. Sin is what caused Lucifer to fall from heaven. And before he ever fell, there was pressure on the angels in heaven. And eventually one third of them fell too, Revelation 12:4. So, there was pressure in heaven. And when Lucifer and his angels fell to earth, it put man under pressure. Man fell, and the pressure continues. And even now, the Bible says hell hath enlarged itself, Isaiah 5:14. Are you under pressure?

There is a verse of scripture found in Ephesians chapter 2, verse 2. Here the Bible says that Satan is the prince of the power of the air. The air is full of pressure. Satan, who once was named Lucifer, has caused such demonic air pollution, it's like we are literally breathing in demonic and satanic power. The only true barrier between this power and our souls is the supernatural blood of the lamb of God, the Lord Jesus Christ, Revelation 12:11.

There is another reason why people are under pressure. The Bible says the Spirit is willing, but the flesh is weak. There is a lot of pressure when we are trying to walk in the Spirit, without crucifying the flesh. People are under pressure trying to follow the voice of the Spirit, and at the same time, please the flesh. You end up under a lot of pressure when you put the flesh before the Spirit. The Bible says they that are in the flesh, cannot please God, Romans 8:8.

Another reason why people are under pressure is because they are concerned about the flesh. The flesh is temporal. It is only satisfied for just a short season, Hebrews 11:25. This causes a complex problem because the flesh always wants something because it has no real satisfaction. This is why the Bible says there is a way which seems right unto a man, but the ways thereof are the ways of death, Proverbs 14:12.

Then there is the right kind of pressure. Pressure that is there because you have made a right decision. This is why the scripture says think it not strange concerning the fiery trial of your faith, which is to try you, 1 Peter 4:12. There will be pressure when we do the will of God. But that pressure is the pressure of confirmation. In other words, the Lord allows that pressure to serve as a means of confirmation, that we have made the right decision. There is nothing wrong with that kind of pressure. The Bible says it is better to suffer for righteousness sake. And if we suffer with him, we will reign with him.

Some people are fooled by the enemy in believing that they're under pressure because of life. The Lord said in the Word, I set before you life and death, Deuteronomy 30:15. Many people are deceived by Satan and thinking that their choices in life are to have no consequence. This is an example of great spiritual

irresponsibility. The Bible teaches we reap what we sow. We cannot blame everything on the devil when we know that we are not in the will of God and there is sin in our life. It is better to be under pressure because you have obeyed God, then to be having to pay a price of disobedience because you are stubborn and rebellious and in the sin of witchcraft.

Many ministries and churches have closed, because of pressure. Many families have separated and have gone to ruin because of pressure. And the question remains, where did all this pressure come from? The Bible tells us be sure your sins will find you out, Numbers 32:23.

IN DEBT BY THE SPIRIT

By Pastor Troy

Paul, by his own hand, wrote that certain believers were to provide for a new convert who was coming back home. Paul said whatever he owes, I will take care of it in the future, and he let them know that they owed Paul a great debt for what he had done for them personally in the past. This thought gives us the occasion for what it means to be in debt by the Spirit, Philemon 1:19.

Jesus paid it all, and it is finished. But there is something that you and I must do that is part of the outworking of real faith. For many believers today are very busy trying to profess a faith that cannot work, and one reason why their faith won't work is because they are working against real faith. In other words, they do not want any commitment, and so faith without works is dead.

Faith is not a one-way street. Meaning that faith is not the purchasing power to simply get what we want, but faith, real faith must be realized as that which requires us to do something. In other words, if we really believe in something, it is going to materialize in our life, on beyond just what we want to have.

The Apostle Paul oftentimes cared for many people who were part of his work for the Lord. He labored with his own hands to provide for them. And now he was letting some of them know, they were

indeed in debt by the Spirit, to act on what Paul had done for them, as unto the Lord.

There is something to be said concerning the spiritual importance of honor. This first commandment with promise is based on the spirit of honor. The Lord said honor your mother and your father, that your days may be long upon the earth. Some believers have cut their time short, because they did not submit to the Word, and there was no honor.

In like manner, the last chapter of Hebrews tells us to honor those that are over us in the Lord, and to submit ourselves to them, they watch for our souls, Hebrews 13:7,17. We are spiritually in debt to those who labor in leadership, that God has placed us under. We are to honor our natural parents, and we are to honor our spiritual parents. To fail to do so will compromise every area of life. Seek ye first the kingdom of God and his righteousness, and these things shall be added unto you.

Where there is no vision, the people perish. It is not the absence of a vision that can cause one to perish, for no doubt everyone envisions what they want, or think they want. But that type of vision is not the same as one who has a real vision from God. Personal gratification is not the same as a real vision that spiritually comes from the Lord. Make no mistake about it. He said in the Word, I set before you, life and death. You can make the wrong decision.

Many years ago, there was an old time preacher, who was a pastor for many years. And in the church he built, he built a simple wooden altar for people to pray. He had a very fruitful ministry, for many years. After he died, the new pastor tore the altar up out of the floor, where many souls had wept and prayed. The new pastor wanted a new church. It was short-lived. When there is no spiritual debt, when the old landmarks are taken up and moved, there will be judgement. For judgement must begin at the House of the Lord, 1 Peter 4:17.

The new convert who Paul wrote about, was a runaway. But when he got converted, he had to go back and show that what he had was real. How challenging to have to go back to the very place

you ran from. But he was changed on the inside. This is where honor comes in. We must face our giants if we are going to take the land. A lot of times we are trying to get God to move, when he has told us to move. We cannot honor God while living in disobedience.

Paul reminded his readers that they were in his debt. He was writing a letter of recommendation for the new convert, who was returning home, but he was also letting his readers know that they should remember how well Paul had served them in the past, when they were in need.

Years ago, I think some three decades ago, I sat under the leadership of seasoned men and women of God. Many of them really paid a price to honor God in their life and ministry. They were faithful and they were sensitive to the debt of spiritual honor that they were under. And because of this, they could touch God, and God could touch you through them.

THE REALM OF SPIRITS

By Pastor Troy Wiley

The natural world is seen, but the spirit world is naturally invisible. This means our natural man and his human eyesight, cannot see this spiritual realm, but it is very real. My human spirit is eternal, and my natural body is the house he lives in. And though my human spirit is in my body, he is still spiritual. He is not natural, he is spiritual. And he can see into this realm of the spirit world, if he obtains revelation from the Holy Spirit.

The Apostle Paul prayed for the believers at Ephesus to experience the spirit of wisdom and revelation in the knowledge of him, meaning the knowledge of God's Holy Word, Ephesians 1:17. God's Word is alive, and we must submit to the Word of God.

The activities of the spirit world must only be viewed from the standpoint of the Word of God. To try and discern this realm any other way, will only damage one's life. The Bible speaks of those

who have shipwrecked their faith, 1 Timothy 1:19. This happens when we get out of the Word, and get into the flesh. The Bible says we must compare spiritual things with spiritual things, 1 Corinthians 2:13. Iron sharpens iron, Proverbs 27:17.

Saints can end up shipwrecked when we lose the anchor of God's Word. Faith comes by hearing, and hearing by the Word of God, Romans 10:17. When a person tries to have pride over their spirituality, it won't be long before some type of a fall will take place. Pride will keep us away from the Word, and God said he hates a proud look, Proverbs 6:17.

The spirit world cannot be discerned by our emotions. Only God's Word can discern the thoughts and intents of man's human spirit, Hebrews 4:12. When we seek to deal with the activities of the spirit world, based on pure emotions, we will become unstable. We will begin to waver. This is why the Bible says he that wavers is as the wave of the sea, driven by the wind and tossed. And the Bible says let not that man think that he can receive anything of the Lord, James 1:6.

In the dimension of the Spirit, one must never allow his mind to guide him. Only the mind of God can sustain us there. The human mind is unable to spiritually operate in the spirit world. The Spirit indeed is willing, but the flesh is weak. The mind is where the battle is. And Satan wants full access to our human mind, so that he dominate our thoughts. God has told us in the Word, my ways are not your ways, and my thoughts are not your thoughts.

This truth brings us to a very important truth. You cannot afford to think that your mind is the same as being led by the Spirit. If one uses their mind to guide them spiritually, all it can produce is something that is mentally empowered. The Bible says where the Spirit of the Lord is there is liberty, 2 Corinthians 3:17.

The human mind is a divine gift. It is very powerful. We must use it all the days of our life. But the Lord said not by might, nor by power, but by my Spirit, Zechariah 4:6. Only His presence can empower man's inner man to be able to be led by the Spirit. Your mind will take you in circles. You will go around the mountain for 40 years. God provided for his people daily, and he kept them

every night, but their own mind defeated them spiritually. They never got where they were going because they were walking in their emotions.

In the spirit world, there is supernatural energy. It is the realm of life beyond time. Our human mind and our human body cannot relate to the reality of that realm based on human experience. An example of this is how time goes by so quickly when there is a great move of God in a service. Seemingly it was just a few minutes, but you may have spent hours in the outpouring of His Spirit, and in that move of God, time was lost completely.

God spoke and gave King Hezekiah 15 more years, and God turned back the sun dial. He allowed the gap to close between life and death, and between time and eternity. Only the Spirit of God can execute such power as to turn back time. And only God can give man the revelation of spiritual time, and natural time.

The Word of God gives us another example of the energy and power of the spirit world and the prophetic. Jesus said in the Gospels, Abraham saw my day. And in Hebrews we read that Abraham received Christ in a type, and this was concerning the offering up of Isaac upon the altar, and Abraham's faith, Hebrews 11:19. By the Spirit, Abraham saw down through the telescope of time. He was a prophet, the Bible says so, he prophetically saw Christ. He saw his Messianic purpose and his Messianic anointing, and he received it.

There is a literal dimension where one can pray and fast, and your faith can reach that dimension of seeing by the Spirit. In the last days, he said he would pour his Spirit upon all flesh, Acts 2:17. And this outpouring would cause dreams and visions. It is better to see by the Spirit, than to be deceived by the flesh.
