

# Trumpet Signs

T.W. Tramm – (08/19/25)

THE Feast of Trumpets is historically a day of signs:

- Trumpets 2001 saw a record stock market crash, triggered by the 9/11 attacks.
- Trumpets 2008 saw another record market crash—a 777-point drop—and the start of a global financial crisis.
- Trumpets 2014 is when two cows with number 7's on their heads were interpreted as a modern-day version of God's warning to Pharaoh about seven years of famine (Gen. 41).
- Trumpets 2017 is when the "Revelation 12 Sign" in Virgo captured the attention of prophecy watchers worldwide.
- Trumpets 2022 is when NASA first demonstrated its ability to deflect an incoming asteroid via the DART mission, marking a watershed moment in planetary defense (Rev. 8:8).
- Trumpets 2023 saw a wedding-themed comet named Nishimura enter Virgo. Simultaneously, a pair of asteroids named 'Child' and '6000 United Nations' exited the belly area of the virgin, signifying a birth or labor pains (Rev. 12:1, 2; Isa. 26:19–21; 66:8).
- Trumpets 2024 saw more signs in Virgo, including an annular "ring of fire" eclipse in the center of the world's largest earthquake belt called the Ring of Fire. This is significant because "ring of fire" is a pregnancy term that describes the burning sensation in the final moments of labor, when the baby's head crowns. Additionally, an asteroid coincidentally discovered on a previous Feast of Trumpets, '2305 King,' entered Virgo—a visit by the king on the festival called the Day of the King.

Assuming that the Trumpets signs are pointing to a future Feast of Trumpets, the question becomes, which one? A number of striking correlations suggest that it could be the one in 2025:

- Trumpets 2025 begins on 9/23. '923' is the Hebrew gematria of the phrase, Feast of Trumpets.
- Trumpets 2025 will be observed on September 23–24, matching the verses in which the Feast of Trumpets is first mentioned in Leviticus 23: 23–24.
- Trumpets 2025 occurs on the eighth anniversary of the Revelation 12 Sign of 2017.

- Trumpets 2025 occurs on the third day of the biblical week, a day of weddings and resurrection (Ex. 19:16; 1 Cor. 15:4; Hos. 6:2).
- Trumpets 2025 occurs on the first day of autumn, marking the end of the summer harvest (Matt. 24:32; Prov. 10:5; Amos 8:2; Jer. 8:20).
- Trumpets 2025 occurs on the first day of the UN's 80th General Debate, at which Israel will be pressured to cede land for peace (Joel 3:21; Thess. 5:3).
- Trumpets 2025 occurs as asteroid '6000 United Nations' is between the horns of Taurus, the Bull constellation that depicts Jesus rushing forth in judgment at the Day of the Lord.
- Trumpets 2025 is preceded by a blood moon eclipse in Aquarius, the constellation that depicts the outpouring of the Holy Spirit that birthed the Church (Acts 2:1–20). What's more, the eclipse begins just after sunset in Jerusalem, the birthplace of the Church.

Increasing the likelihood of a Trumpets fulfillment in 2025, it is a year of unequaled biblical convergence:

- 2025 saw the passing of the 88-year-old Pope Francis, the final pope of the age, according to the 1590 Prophecy of the Popes.
- 2025 saw the election of the first American pope, the 69-year-old Leo XIV, who will turn 70 just prior to the Feast of Trumpets.
- 2025 saw the beginning of Donald Trump's last term as President, making it the year of the "last Trump" (1 Cor. 15:52).
- 2025 marks Israel's 77th year, corresponding to the age of Jacob when he began his seven years of labor to marry Rachel, a foreshadowing of the time of "Jacob's Trouble" (Gen. 29:18; Jer. 30:7).
- 2025 marks the 70th Jubilee since Israel entered the Promised Land in 1406 BC.
- 2025 is a Catholic Jubilee, marking the first concurrence with a biblical Jubilee.
- 2025 marks 490 years, or "70 weeks," since King Suleiman's order to rebuild Jerusalem's wall in AD 1535 (Dan. 9:24, 25).
- 2025 is the only year in a 180-year span that has a perfect square root, which is 45. This is significant because 45 is the gematria value of the names Enoch and Elijah, the two individuals raptured in the Bible (Gen. 5:24; 2 Kings 2:11).

## SUMMARY AND FINAL THOUGHTS

The Feast of Trumpets is historically a day of signs.

Assuming that the Trumpets signs point to a future Feast of Trumpets, a biblical confluence suggests that it could be the one in 2025.

On a related note, the date of this publishing, August 19, marks the ten-year anniversary of a personal trumpet sign in 2015: an astonishingly detailed cloud formation in the shape of an angel sounding a shofar. Read about this experience, which had a profound impact on my dedication to this watchman ministry, here: <https://tinyurl.com/8rcr8v4y>.

Today's date also happens to mark five weeks, signifying a period of grace, until the Feast of Trumpets. Whether Trumpets 2025 will see a culmination or is merely another signpost, only God knows. What is clear is that the Age of Grace is rapidly winding to a close. One day soon, an awesome trumpet blast will be heard around the world. To some, it will be the most beautiful and exhilarating sound they have ever heard. To others, it will be utterly terrifying, as they realize in that instant that the God of the Bible is real and that they don't know Him.

If you know people who do not know Jesus, now is the time to trumpet the good news:

God has sent His Son to reconcile fallen humanity to Himself, offering salvation and eternal life to all who turn to Him. To be saved, simply call on the name of Jesus. Confess with your mouth that He is Lord, and believe in your heart that He died for your sins and was raised from the dead (Rom. 10).

Do it today.

Time is running out.

7. 2025 is the only year between 1936 and 2116 that has a perfect square root: <https://iask.ai/q/perfect-squares-years-ovc3pv8>

8. The names of the two individuals raptured, Enoch and Elijah, both have a gematria value of 45, the square root of 2025:
