## Decatur Livestock Market LLC

### October 5, 2026

*619 head including: 22 Bulls, 98 Cows, 499 Calves/Horns*

Thankful for the much needed, widespread rainfall! We have entered the time of the year that concern over health of calves dampens the demand with prices softer on most classes. Weaned 7 weight steers were higher. Not enough breds or pairs to test the market. Packer market softer.
