NATURAL INSPIRATION

Non è facile rappresentare opere che hanno richiesto milioni di anni a Madre Natura per essere create.

GENESIS è la nostra selezione di marmi eleganti sapientemente miscelati come sarebbe impossibile fare con pietre naturali; la stessa sensazione di lusso offerta in versioni più ecologiche, con colori di tendenza, in una ampia varietà di formati e forme, con caratteristiche tecniche sconosciute alle pietra di cava e corredate di decorazioni in 3D. Ci siamo ispirati al retro di tagli di lastre di **Bluestone** ed a cave di **Pece** e **Marquina**, rendendole disponibili più dure, resistenti, antimacchia, riciclabili e praticamente esenti da manutenzione.

Il meglio dei due mondi.

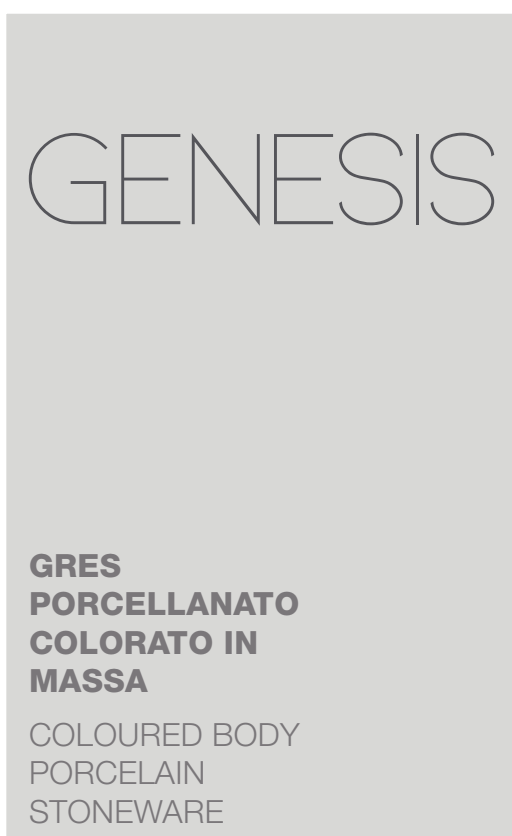

It is such a challenging task to represent some of the best work expressed by Mother Nature over millions of years.

GENESIS is our selection of elegant marbles mixed in a beautiful blend that would be hard to achieve with Natural Stones; the same luxurious feeling offered in a more sustainable way, in trendy colors, a wide variety of sizes and shapes, with technical characteristics unknown to natural quarries and completed by 3D decorations.

We took inspiration from **Bluestone** back saw cuts, **Pece** and **Marquina** quarries and

we make them available to you stronger, more durable, stain resistant, virtually maintenance free and recyclable.

The best of both worlds.
