

2023 Daily Rates and Trophy Fees

Rates and fees on this sheet can be used as **guideline** for what your hunt will cost. We are open to **negotiating a deal** with you individually and working out **tailor-made packages** for you – based on your **unique expectations**, and financial abilities. **Quality does come at a price.** However, we can offer **significant discount to serious hunters.** Tell us what you would like to hunt, and we will gladly work out a deal that benefits both you and us.

We don't do "cheap" safaris. We offer **unique, value for money safari experiences** that competes with the best in the business at **reasonable prices.** You do not pay for arrival or departure days unless you choose to hunt on these days. Ultimately, at CT Safaris, you pay **market-related rates and fees** for above market-related experiences. This is **"the difference!"**

There is no substitute for experience!
