

## **BISHOP'S CORNER**

### **IT IS FINISHED!**

**As we enter this Holy Season leading up to Easter Sunday, we reflect of the final days of our Lord. What began as a parade, ended with a death and burial. What was considered an ending became a new beginning! When all thought that it was over, God said it is just getting started!**

**On the cross Jesus said, "It is finished." He was not only referring to His earthly journey, but He was also referring to a promise made at the very fall of mankind. In the Garden of Eden, a deed was done that put a curse on all creation. Yet, God's love and mercy were demonstrated through a promise and a process that would reverse the curse and bring about a renewed relationship with God.**

**This was a long process. Creation suffered floods, conflicts, hunger, disease, separation from God due to idolatry and other continual challenges of remembering God's promises. God is the bread in the desert, the water from a rock, the healer of diseases by simply looking up at the staff, a cloud by day and a fire by night, and a provider for all our needs. God moves upon men and women with a special anointing for a specific season and protects the process of completing the promise made in the Garden of Eden.**

**That promise was fulfilled with a cry from a baby in Bethlehem whose name was Jesus. All of the Old Testament provisions were fulfilled in Him. He is the Bread of Life! He is the Light of the world! He is the Good Shepherd! He is the way! He is the truth! He is the baptizer of the fire of Pentecost! All of these fulfilled the manifestations of the past and now God affirmed a new covenant, a new promise, even a new reality, through a covenant not written on stone but upon the hearts of all mankind.**

**The death on the cross was the price that was paid for all the sins of mankind, but the resurrection was the door for eternal renewed presence with the Creator. He LIVES and now we can truly live in a relationship with God greater than any other time in history. He is not only alive, but He is alive in us!**

**The old is finished, but the new is just beginning! As we remember the cross and the love of God that was demonstrated in God's only begotten Son giving His life in order to redeem us, let us humbly worship Him. As we remember the empty tomb, let us rejoice that death has been conquered and He lives forevermore. As we remember the ascension and the outpouring of the Holy Spirit, let us pause to reflect upon the commission and the empowerment of the Holy Spirit. As we journey from the empty tomb, to the mount of ascension, let us prepare our hearts for a renewal of Pentecost. The old is finished. Now it is a new beginning with a fresh anointing of Pentecost.**

**IT IS FINISHED! IT IS JUST BEGINNING!**

## ANNUAL PRAYER AND FASTING

May 3-23, 21 | Guided prayer for the 21 Days leading up to the Day of Pentecost

### Acts 29: The STORY Continues...

Each year, we prayerfully consider a biblical text and theme to guide our 21 day prayer journey. This year, as we approach the Day of Pentecost and prepare for the 2021 General Assembly, we felt drawn to the divine STORY God has been writing since the inception of His Church.

In the Acts of the Apostles, Luke pens a glorious account of the outpouring of the Spirit and subsequent launch of the Church, but the story seems to end abruptly in chapter 28... It leaves some wondering today: What if this choice was intentional, as if to say that Acts 29 and the story of the Church is actually continuing in the hearts of every believer in the present day?

Join our global Movement as we fast, pray, and read the story of the early church. Follow at <https://www.pcg.org/events/21days>
