CHURCH FAMILY

Dear supporters, this week I'm very excited to share with you that the curriculum I've been working on for many years is finally finished - *Helping Without Hurting in Africa!* We expect the books to be available by next month from Oasis International and also on Amazon. The Chalmers Center is hosting a launching event for HWHIA through a webinar on zoom. In the webinar you can hear more about the authors, the content, and how the curriculum can be used.

I also would like to share with you one blog post at <https://anthsara.blogspot.com>,

Soroti TLT - Christian Stewardship

Thank you so much for your generous financial support, your prayers for us, and your encouragement to us as we partner together in ministry. Please pray for the presidential election here in Uganda which is tomorrow, the 14th. Things are tense here and we pray for both justice and peace. For those who are interested, the BBC has been publishing a lot of articles and videos about the Uganda election. We already are having issues accessing social media during this week of elections, and we expect the internet to be down completely tomorrow, so if we don't respond to your emails immediately, please don't get worried! We know those of you in the USA are also anxious about the political situation there, and we are praying for you also. —Anthony and Sara Sytsma

Our Christian sympathy to Michelle & Kevin Mulder on the death of Michelle's father, Loyis Eekhoff, this past week. May God surround them with his comfort, grace and peace.

Patient attention, valuable discoveries

For many people, the coronavirus pandemic has been a test of patience — or worse. Medically vulnerable people face an anxious time of hypervigilance. Furloughed workers wait on hold or in lines for assistance. Special events have been canceled or rescheduled.

Those not impacted directly deal with assorted frustrations and inconveniences. Many people are learning the benefit of slowing down, being present (even virtually) to others and practicing patient attention.

Interestingly, scientist Isaac Newton did some of his best work when the plague forced Cambridge University to close. At home, the inquisitive student invented calculus and developed groundbreaking theories of gravity and optics. Later Newton called 1666 his annus mirabilis ("year of wonders") and reportedly said, "If I have made any valuable discoveries, it [owes] more to patient attention than to any other talent."

What have you discovered during the Covid-19 crisis? What appreciations have you developed for aspects of life you may have previously taken for granted? What has social distancing taught you about the value of neighbors, church, community volunteering?

During the pandemic, what have you learned about persistence and God's presence? What empathy do you now feel for writers of words such as "I wait for the LORD, my whole being waits, and in his word I put my hope" (Psalm 130:5, NIV)?

PRAYERS FOR THE PERSECUTED CHURCH - Laos

Teenager Kicked Out of House for Following Christ

After several conversations about Jesus with Peng, her 14-year-old friend, 15-year-old Sa finally accepted Christ as her Lord and Savior. Leaders in Sa’s village have a history of persecuting Christians, and numerous villagers hate Christians, evicting many believers. When Sa’s parents learned she had accepted Christ and was attending church, they yelled at her for following the “religion of foreigners.” Despite their anger, Sa remained firm in her faith. On Nov. 20, her parents took her clothes and threw them outside. They told her to “go live with the Christians.” Sa is currently staying with Peng and her mother, who is a widow. Pray that Sa will continue to grow in her faith, and pray that God will bless Peng and her mother for their faithfulness and hospitality. Pray also that Sa’s parents would hear the gospel and accept Jesus as their Lord and Savior just as their daughter did.

Continue to pray for area churches: Ebenezer Presbyterian, St. John’s Lutheran, First Lutheran, United Methodist, Holy Redeemer, Our Saviors Lutheran, Temple of Jesus Christ, Hispanic Church and Emden. Ask God to continue to move through His church to the glory of His kingdom. Remember—we are part of God’s kingdom and need to always be following Him.

Are you continuing to pray that God would use us to share His love and the Good News of the Gospel with our community? Pray that the presence of God will shine through us, the Emden Church Family, and that He will use us in His Kingdom will.

~ OUR MISSION ~

Our mission is affirming the Lordship of Christ, expressing our faith through worship, fellowship, growth and service. We would welcome you to share with us the joy of this exciting venture of faith.

**“Do not be anxious about anything, but in everything, by prayer and petition, with thanksgiving, present your request to God”
Philippians 4:6**
