## **Coach David & Lindsey Yordy**

I'm Coach, or **Coach Dave**. I started Angels Academy in March 2001, and have been teaching & coaching homeschool students and athletes for over 25 years. Back in the day, I was an All-State basketball player in Massachusetts. Over the past 20+ years I have coached basketball, soccer, volleyball, and baseball at the high school level as well as other sports at the elementary level. I began coaching with the purpose of investing in the lives of young people, to help them build character, as well as teaching the skills necessary to succeed in each sport. I've had the pleasure of coaching two State Basketball Champions and 2 National Homeschool Championship teams, but my greatest reward is seeing athletes grow in character!

**Coach Lindsey** is a PE teacher and coach. She currently teaches in the Haysville district where she coaches M.S. volleyball and H.S. track. Over the last 20 years Lindsey has coached volleyball, basketball and track with her athletes winning numerous awards!

**Coach Jaime Harder** is the Wichita Angels Cheer Coach. She cheered for WSU in College, and she currently is the leader of Gather Round Homeschool, and teaches her 4 daughters at home!
