Maricopa County had a relatively quiet primary election. The results are in, and now we see who will face off in November (**R vs D**):

State Mine Inspector: **Walter Presmyk** vs. **Brian Matlock**.

What's next: We need to rally our conservative voters and **GET OUT THE VOTE!** Lessons from Florida conservatives tell us that when Republican voters with Early Ballots vote **early**, we win! Why? It saves money for candidates calling on voters who haven't voted yet - so **VOTE EARLY!** **Plus, you stop receiving those annoying text messages!**

CANDIDATE PROFILE: DR. RALPH HEAP, CORPORATION COMMISSIONER

Dr. Ralph Heap is a candidate for one of two open seats on the **Corporation Commission in November 2026**. From his [web page](#): **Dr. Ralph Heap** is a fourth-generation Arizonan, a respected orthopedic surgeon, and a lifelong servant-leader who has spent his career caring for others — both in the operating room and in his community. Now, he's running for the **Arizona Corporation Commission** to bring accountability, common sense, and conservative values to the powerful agency that oversees Arizona's energy, utilities, and water systems.

Raised with a deep love for Arizona, **Ralph graduated magna cum laude from ASU** before earning his medical degree from the **U of A College of Medicine**. He then

went on to practice orthopedic surgery for over 40 years in the East Valley, helping thousands of patients live fuller, healthier lives. In addition to his practice, he served as a volunteer team doctor for two local high schools and for a time with the **Milwaukee Brewers organization**. As a medical missionary in Africa, he has traveled to 23 countries — providing life-changing pediatric orthopedic care and supporting faith-based healthcare initiatives around the globe. He and his wife Denise — his high school sweetheart — have built a life rooted in faith, family, and freedom, raising three children and eight grandchildren in the state they love.

Ralph Heap was elected to the AZ House of Representatives, where he has been a strong voice for limited government, free markets, medical freedom, and parental rights. Now, as a candidate for the AZ Corporation Commission, Dr. Heap is ready to stand up for ratepayers, defend rural communities, and block the encroachment of globalist energy agendas.

As Corporation Commissioner, Dr. Heap will:

- Fight against ESG mandates and California-style energy experiments
- Oppose unnecessary utility rate increases that punish families and seniors
- Ensure a reliable, diverse energy grid — not one dictated by ideology
- Protect water access and infrastructure, especially in rural Arizona
- Demand transparency and stand against special interest influence at the Commission

With decades of real-world experience, a commitment to constitutional principles, and a heart for service, Dr. Ralph Heap is the steady, conservative leader Arizona needs at the Corporation Commission.
