Welcome home to a well-maintained house in a great family park!! This home shows pride of ownership. Large eat in kitchen with tons of storage, separate formal dining room, laundry room and the living room has a beautiful faux fireplace and plenty of natural light. Large Master has an ensuite with a large Roman tub, separate shower and double sinks. Two more bedrooms and a bathroom make this home complete. Luxury vinyl plank flooring, carpet, textured walls, and vaulted ceilings make this home feel like a stick-built house rather than a mobile home. All appliances stay so it's move-in ready. Outside you will find a wrap around wooden deck, paver patio and the start to a beautiful creek bed to flow throughout the yard. Large storage shed, and patio furniture stays.
