0 of 0 people found the following review helpful. Five StarsBy Marie Dantes100% satisfied thank you!0 of 0 people found the following review helpful. waste of moneyBy h.v.ythe title explains well ,this set was a waste of money, doesnt teach anything that is recent and updated.It covers very small amt of materials and subjects, watching you tube was much more helpfull0 of 0 people found the following review helpful. Five StarsBy Mariam FofanaLove it

For Maternity Nursing Course, or Skills Laboratory Course or Practicum in undergraduate nursing programs. Prentice Hall's Real Nursing Skills series offers students the complete foundation for competency in performing clinical nursing skills. The volumes in this series consist of interactive CD-ROMs with comprehensive procedures and rationales demonstrated in hundreds of realistic video clips, animations, illustrations, and photographs. For each skill, students will review: Purpose * Equipment * Preparation * Procedure * Post-Procedure * Expected Outcomes * Documentation * and Variation (if applicable). This is the only skills series designed to help students visualize how to perform clinical nursing skills and understanding the concepts and rationales for each skill. Throughout the videos, students will experience the real-life aspects of: therapeutic communication between the nurse and the client, the client's reaction to invasive skills, and cultural, gender, and age diversity among nurses and clients.
