A Woman's Guide to Intimate Health Care answers those difficult and embarrassing questions women often are unable to ask their own doctor. Know instantly what's safe to use, what's not, when it's okay to self-treat, and when it's time to seek professional care. Also included is the latest information on: General woman's hygiene, Menstrual disorders, The hygiene of menstruation, Irrigations or vaginal lavations, Leucorrhoea (vaginal discharge)
