Once the User has registered, in order to start enjoying the Service it is necessary to log in to the Website or the Application, access the "Subscriptions" section of the Application Menu, select one of the plans and formalize the subscription by means of a valid means of payment (payment by means of the User's balance in the Application being excluded). Before the User completes his/her booking, the selected subscription plan will be displayed in a booking summary for review. It is not possible to subscribe to more than one subscription plan (Basic Plan, Standard Plan or Premium Plan) at the same time. Once the booking conditions have been accepted, the Service Provider will send a confirmation of the Service order to the User's e-mail address.

From the moment the Service contract is formalized, the User will be able to enjoy the Vehicle Rental Service free of charge for the first 20 (twenty) minutes within the corresponding Service Area. The prices of the Service and the number of minutes of enjoyment of the Car Rental Service offered free of charge will be those that appear in the Application at the time the subscription is formalized. Such prices and benefits will always be updated on the Application.

The discount will not affect the different surcharges or extras that may be applicable to each Vehicle Leasing Service (by area, hour, age, Protection Plus Service, etc.) for which the Pricing Policy will apply.

The subscription is incompatible with Car Rental Services that benefit from a Flat Rate (4h, 8h, 24h, etc.). Car Rental Services for which the Flat Rate is applicable will not benefit from the first minutes free of charge.

5. DURATION OF SUBSCRIPTION AND AUTOMATIC RENEWAL

The subscription to the Service shall have a minimum duration of one month, counting from the date of formalization. Each subscription will be automatically renewed for an additional month after the end of the corresponding month, which will be notified to the User by means of the e-mail address provided, unless the User communicates in writing to the e-mail address ciao@zity.eco, at least 14 days prior to the end of the current month, his/her wish not to renew the Service.

Likewise, the User may cancel the subscription using the Cancel Subscription function that appears in the Subscription contracted within the Subscriptions Menu of the Application.

The subscription to the Service may also be terminated: (i) automatically if at the time of the monthly renewal there is a failure with the means of payment designated by the User that makes it impossible to pay for the Service; or (ii) due to misuse by the User, such as making very short trips repeated over time, professional or transport use, or any use that indicates fraudulent use of the Service.

6. RIGHT OF WITHDRAWAL

The changes shall be deemed accepted if the User does not withdraw from the contractual relationship by objecting to the changes during the thirty (30) calendar days following notification of the new Terms and Conditions. If applicable, the withdrawal must be communicated in writing and unequivocally to the Service Provider. To this effect, any modification of the Terms and Conditions that consists solely of updating identification, contact or similar data, or the correction of typographical errors or misprints shall not require prior notice before coming into force and shall not grant Users any right of withdrawal.
