

Maths

1. Revise Chapter 1 and Chapter 2 (Half). Do Figure it Questions.
2. Make a colourful chart showing Squares from (1–30) and cubes from (1–20) with patterns and design.
3. Prepare 15 flash cards of exponents and powers.

eg: $2^5 = 32$

4. Write and solve 15 Questions Based on squares, cubes, powers and exponents in Holiday Homework N.B (15 Questions for Each)

Activity: Take a thin paper (Newspaper / Tissue paper). Fold it 30 times and each time find its thickness. Initially consider thickness with one fold = 0.002 cm. [Take help from Pg: 20] of Book.
