

HOLIDAY ENGAGEMENT (2020-21)

Dear children,

Summer vacations are synonymous with fun, frolic, playing for longer hours with friends, exploring new places and many other interesting things. However, this year may not be the same like earlier years. The outbreak of corona virus has affected a lot of people around the world and it is a tough time that we all are going through. But then as they say, every cloud has a silver lining, and this corona infection is giving us all, more time together as a family, and we get to appreciate the little things of daily life.

So, how do we make the most of this time? During the last few weeks, we have been having online classes which kept our learning going, inspite of the lockdown. However, once the summer vacations start, you will be missing the fun of these online classes; seeing your classmates' faces, talking to your teachers and answering questions.

Don't worry! We have got you covered! There are some fun and interesting activities to do as a part of your holiday homework. This has been designed so as to give you creative wings and the opportunity to 'learn by doing', with the limited resources that may be available at home during this period. Enjoy doing the work, and make it as colourful, and rich in information as you can.

बच्चों, लॉक डाउन के कारण हम सभी बाहर जाकर खाने-पीने का आनंद नहीं ले पा रहे हैं, तो हमने सोचा कि हम घर बैठे ही दुनिया की सैर कर लें और वहाँ के अलग-अलग व्यंजनों का मज़ा ले।

तो हम सात द्वीपों में से सबसे बड़े द्वीप एशिया की सैर करते हैं। आप लोगों को हम ऐसा गृहकार्य दे रहे हैं जिसे करने में आपको आनंद तो प्राप्त होगा ही, साथ ही ज्ञान भी मिलेगा, मतलब आम के आम गुठलियों के दाम....चलिए आपको क्या करना है, जानते हैं-----

1. आपको एशिया के किन्हीं दो देशों के प्रसिद्ध व्यंजनों के बारे में जानकारी प्राप्त करनी है। जैसे - उनका नाम, उत्पत्ति, कब, कहाँ और कैसे बने, यदि कोई कहानी है तो उसे भी लिखें। आदि।

2. उन व्यंजनों से प्राप्त पौष्टिकता की जानकारी दें।

3. उन व्यंजनों को बनाने की विधि लिखकर व्यंजन बनाएँ और खाकर उसका आनंद लें। परंतु व्यंजन के साथ अपनी तस्वीर लेना न भूलें।

4. इस कार्य की एक पी.पी.टी बनाएँ। जिन बच्चों को पी.पी.टी बनाने में यदि कठिनाई है तो वे अपना यह कार्य A-4 Size sheet पर भी कर सकते हैं।
