Once Mahatma Gandhi quoted “Live as if you will die tomorrow, Learn as if you were to live forever.”

We believe that the quality of your thinking, determines the quality of your mind.

I would like to conclude by quoting our School’s Motto — Quality Education. We see a potential leader in every child studying here and through the parent teacher interactions we hope to tap each one’s potential for their benefit.

I would like to thank all the member of the management, staff members and helpers who have been the reason why we have been able to organize this event today. A special thank you to our dignitaries for gracing this occasion.

Thank you. I hope you all enjoy yourselves. अब मैं अपनी वाणी को विराम देती हूँ।
