LDC has successfully completed 8 years of Academic excellence with the trust and magnanimous support of parents and students in the rural surrounding of Soraon.

Learning by doing and inculcating the human values is the motto for 2018 by LDC. Students can excel in the area of their choice and explore their self in the society with the igniting mind and energy.

LDC is sprouting as one of the best school in season. This is due to the hardwork of students and teachers.

The environment inside and outside the classroom generates an atmosphere of child development, creating future leaders by scholastic and co-scholastic activities like Annual Sports, SUPW, School Parliament etc.

An Institution can work wonders & rise to heights is headed by ignited minds. To achieve this, teachers the torch bearers, single handed shoulder the responsibility.

LDC gives its teachers full respect, value and empowerment, by giving space and share in decision making. Praise & acknowledgment is next step to take out best from teachers. Teachers leave a deep impact on the minds of students and for this strong bonding & positive relationship with students will help teachers to achieve 100 in achieving their target.

# From the Desk of *management*

Today, the role of a school is not only to pursue academic excellence but also to motivate and empower its students to be lifelong learners, critical thinkers, and productive members of an ever-changing global society. At LDC we provide an atmosphere to our students for multifaceted development, where children are encouraged to channelize their potential in the pursuit of excellence. This can only be possible in a holistic, student-centric environment. The talents, skills, and abilities of each student need to be identified, nurtured, and encouraged so that he / she is able to reach greater heights. Students need to be provided with a platform to think, express, and exhibit their skills. It is necessary to empower them to negotiate several issues that confront them, with the teacher being a facilitator.

The school is striving hard to make the best possible efforts to inculcate strong values combining with academics and extra-curricular activities in the children. Converting every individual into a self-reliant and independent citizen, the school provides an amalgam of scholastic and co-scholastic activities.

The parents are the most strengthening power in moulding the future of children. Their consistent support empowers us to do more and more. I pay my gratitude to them for their faith in us.

I am confident enough that the students at LDC Public School will make themselves stronger day by day, adding a new leaf to the grandeur of the school.

I wish to congratulate my team for working hard on the issuance of this edition of the school magazine.

These small expressions lead to great "Impressions" in the minds the students.

With Best Wishes

"You are not born with a fixed amount of adaptability. Like a muscle you can build it up, draw on it. In that process, you will figure it out who you really are and you just might become the way best version of yourself."

Adaptability is the human capability to bounce back when one considers failures as opportunities. It provides people with strength and fortitude to confront the overwhelming obstacles we are bound to face in life. We in school along with our highly skilled and trained teachers, have made it as a part of our curriculum. We emphasize on positive physical and futuristic academic development. Teachers play a vital role as mentors and facilitators to students. Considering changing lifestyles in our curriculum we train children to move along with the changing trends and make them skilled to deal with all sorts of life challenges. Pairing students to suit their comfort, by creating a sense of belongingness and optimism through authentic school experiences, keeping abreast to every situation in and around the school. Using problem solving methods, data handling and activity based learning simultaneously parallel to classroom teaching is the key motto to build new generations aspirant learners. Physical workouts inter connected with mental exercises-inter disciplinary approach amongst various course subjects has become LDC PUBLIC SCHOOL culture.

Parental cooperation in our endeavour is essential to bring about desired results in today's ever changing trends and cultures. Home being the first and prime place of education makes mutual cooperation with school's efforts essential. Seeking hand in hand movement to achieve education as wholesome, school becomes the domain for parents, teachers and children.

## Head Boy SPEAKS

"School is not a building or a place to visit for a few hours for fun and enjoyment; instead it's a factory where perfection is created with great zeal and zest."

Dear LDCians,

I would like to begin with expressing my immense gratitude to the school management and all the teachers for electing me and considering me capable enough to take this responsibility.

The year 2017-18 was no doubt a challenging year for me in trying to play my part and help lead the school in a positive direction. This is no doubt my biggest leadership opportunity I have been given.

For me, being the head boy is not about the position or a title, but it is about action and example which can make a difference. I stand here as a leader not just to lead you but to work in collaboration with each one of you to work hard with all my zeal, devotion and determination.

My message to my fellow LDCians would be that, sometimes in the race of life, there would be moments when your legs will tremble and you'll hit hard on the ground. People will stamp over you and will try to trip you over to win their race. But, it would be at that moment when you'll have to use your will-power and mental strength to show them your mettle and make them understand that hard work, determination and will-power that are the keys that will help you win this amazing race of life like a true winner.

"Success isn't about consistency. Consistent hard work leads to success. Greatness will come."

Thank you

Rupesh Pandey

## Head Girl SPEAKS

"Human potential is the same for all if you have will power, then you can achieve. Anything, anywhere, anytime"  
It was a proud moment for me when I was appointed as the head girl of LDC

Public School. A school which polishes the rust & where perfection is created with great zeal & zest.

As a head girl, I must learn to follow instructions & have the confidence to stand alone, the courage to make tough decisions, also the compassion & modesty to listen before. I leap & know that I'm no better than the people who put me in such a high place of authority.

I must have a mind that is open, creative & focused. I must set goals & not promises to achieve them because promises are made to be broken, but goals are set with the intention of achieving it.

Discipline, sincerity & kindness, this is what I know & "We lead by example, live by chance. Love by choice & kill by profession."

Simply be the best, be a warrior, this is what I stand for I should also be real & not project a false image.

My fellow student's

As the cabinet head, I'm here to solve your problems, never hesitate in sharing your ideas & views because all of us are the building blocks of our premises & it's our duty to maintain fresh, friendly & disciplined atmosphere.

Special thanks to the management & respected teachers for encouraging me all the way & for being so cooperative.

I assure you that I will make every possible effort to the best of my ability to make our school reach unsealed heights.

And at last, I express my gratitude towards the enlightening & enabling visions of our school heads, our principal Mrs. Sulekha Mishra, the untiring staff & the student aspirants who put trust in my ability to lead & produce the best results.

*So, A voice for me is a voice for modesty,*

*A voice for me is a voice for team, &*

*A voice for me is a voice for our Better future.*

Thank You,

'Motivation is what gets you started. Habit is what keeps you going'. It does not matter where you go and study, what matters most is what your share with yourself and the world.

I extend my thanks to the Parents/Guardians for believing and supporting our prestigious organization. Our school is continuously working to reach and set new limits for the betterment of our students.

CBSE cluster V, Regional sports meet was organised in Jeevandeep Public School in which our two students Rupesh Pandey and Mohd. Ashraf Qualified in shotput and long jump respectively. The school qualified at national level and came at 15th position among 55 schools that participated. Students also participated in the CBSE Science exhibition held in December 2017 and presented wonderful projects made by them.

The students of LDC Public School participated in the Inter School Sports Competition held in Devraji Public School and the thirteen students who participated bagged in prizes including Gold, Silver and Bronze Medals.

On 21st April, 2017, Earth day rally was carried out to spread awareness to conserve our earth and control global warming.

On 1st May, 2017, Workers day was celebrated by the school to mark and value the dignity of labour.

On 5th May, 2017, The students of our school celebrated Mother's Day in which they showed their Love and affection towards their Mothers by performing songs and dances.

Extra Curricular activities like Basket

Ball, Kho-Kho were held in the school for students in July 2017.

On 14th & 15th of July Holiday homework exhibition was exhibited to make the guardians feel and understand the quality of teaching done in the school.

On 28th & 29th of July G.K. Quiz and Art competition was held for junior and senior students which made them aware of the daily happenings and inventions around us. The creativity was shown by the students with their beautiful art.

On 29th & 30th June two of our teachers, Mrs. Suchitra and Mrs. Ekta attendant the workshop on class room management in Tagore Public School organised by CBSE.

Various other activities like Rakhi Making competition, Janmastami and Independence Day celebrations, speech competition, Tree plantation, Maths and G.K. Quiz were held in the school in the month of August in which the students took part with great enthusiasm.

The month of September witnessed various activities like Inter School speech competition, Dusshera and Diwali Card making, Teachers Day and Sanskrit Shlok competition.

I as the Principal attended principal's seminar in Delhi conducted by NLP by educare.

In October the students of our school went to Varanasi to participate in CBSE Sports Cluster V. In the same month 13 students from the school participated in Inter School Sports meet at Devraji Public School, Handia and won 18 Medals at different levels. The month of October also witnessed CBSE affiliated Private school's Principal's Sahoday Meet which was a grand success.

# Report 2017-19

In November, a fire safety drill was conducted in the school by the Chief Fire Officer and his team from Allahabad to teach children how to control disaster. Other activities like Children's Day celebrations, spelling contest, sandwich making were also organised in the school.

L.D.C. Public School celebrated its 7th Annual Sports and Cultural Meet in the school campus in which the theme was peace and harmony. The celebration was a grand success. The beginning of the year 2018 witnessed Bal-Mela celebrations along with science exhibition and excursion trip for juniors as well as senior students.

Two of our students Rupesh Pandey and Mohd. Ashraf along with their guide teacher Mr. Anand participated in the Hindustan Olympiad and bagged the highest position in Allahabad. They stood on the 15th and 13th position respectively.

Last but not the least, Dr Amrita Chaurasia HOD Gynaecologist from Swaroop Rani Medical College visited our school to make the adolescent

girls aware of the hygiene, cleanliness and other women related disease.

All these above activities throw light on the improvisation and achievements of both students as well as the teacher. I once again thank you all for the co-operation and belief extended towards our school.

May God bless all.

## The Happiest Day of your life

School days should be happy time in a young person's life. What can make people's life a misery during this time, then? In my opinion, there is one word which answers this question - "Bullying"- a kind of mental torture or harassment.

Unfortunately, bullying is quite common in school. It can affect students of any age - both boys and girls. A friend of mine had a very negative experience at school as an older boy continually called him names and sometimes used to post nasty messages about him on Facebook.

He felt very upset about this and it affected his self confidence. Moreover he didn't want to come to school at all.

What can people do to stop the problem. Teachers need to be aware that bullying may be happening in their classes. They should be very strict when they have such cases. Teachers can prepare lessons to talk about the problem with their pupils which might make bulliers realise how badly they hurt their victims. As for students, if they find out a classmate is being bullied, they should support them as much as possible and let a teacher know about it.

Bullying can be a nightmare but there are things we can do to prevent it. Hopefully, one day all students will be able to go to school without the fear of this sadist attitude.

## Facts About the Moon

- The moon is not a planet, but a satellite of the Earth.
- The surface area of the moon is 14,658,000 square miles or 9.4 billion acres.
- Only 59% of the moon's surface is visible from the earth.
- The moon rotates at 10 miles per hour compared to the earth's rotation of 1000 miles per hour.
- When a month has two full moons, the second full moon is called a blue moon.
- From earth, we always see the same side of the moon; the other side is always hidden.
- The dark spots we see on the moon that create the image of the man in the moon are actually craters filled with basalt, which is a very dense material.
- The moon is the only extraterrestrial body that has been visited by humans.

## Decision- Making

Decision-making is a very vital part of our lives. This is because what we are today is largely a result of the decisions we took in the past. Similarly, Whatever happens tomorrow will be a result of the decisions we take in the present.

All sorts of decisions big or small, relevant or irrelevant, conscious or unconscious punctuate our lives. Sometimes we don't even realize we are taking a decision.

Those who avoid taking a decision leave everything to chance and float along with life with a 'what will be, will be' attitude.

Being clear about your goals can facilitate decision-making. If we know exactly where we want to be or what we want to do, we will decide to undertake actions which will lead us to our goals.

Action is a vital consequence of decision-making. It is the necessary follow-up. Only when we act will we get a feedback of whether our decision has been correct or not and then we can proceed in a more focused way. So, it is essential to move from the world of thought to the arena of action.

## Positive Thinking

To achieve success in life against all odds and problems one must always think positively and be an optimist fulfill our desires. It enables a person to lead a happy contented and productive life. Positive attitude inspires a person to think and work creatively.

A person with a positive attitude of mind sees a glass half full of water and feels happy because the glass is half full. On the other hand a person with a negative attitude sees the same glass as half empty and becomes unhappy and gloomy. An optimist is creative and an achiever whereas a pessimist is nonproductive and non achiever.

Therefore if you want to be happy creative and contented in life then you must always think positively.

## What is?

1. What is Poison?
  - Anything which is more than our necessity is Poison. It may be Power, Wealth, Hunger, Ego, Greed, Laziness, Love, Ambition, Hate or Anything.
2. What is fear?
  - Non Acceptance of uncertainty. If we accept that uncertainty, it becomes adventure.
3. What is Envy?
  - Non acceptance of Good in others. If we accept that good, It becomes inspiration.
4. What is Anger?
  - Non acceptance of things, which are beyond our control. If we accept, It becomes tolerance.
5. What is Hatred?
  - Non acceptance of person as he/she is. If we accept a person unconditionally, it becomes love.

## Environment

The Environment with it's treasures  
All so countless to measure.  
Fish and Whales in the deep blue waters  
Life in the sea, so alive.  
Grasslands and forests with terrestrial life,  
Cold, freezing, mountain, peaks  
And hot tiring deserts.  
Life among the trees and sands so alive  
Sky so blue with air so clear,  
Eagles and vultures take their turn  
Life in the sky, so alive.

## Without You

Drown into the lotion of past  
I recall the moments when you lived your last  
I think, I recall, I remember  
Every moment that we spent together.  
In this stillness of the night, I feel you  
I feel you in this eeriness of the air.  
I try hard to get you off my mind  
But, I can see your waving hairs.  
I can see you very much alive  
I can see you wearing that same smile  
I can see you in your beautiful white attire  
I can see you with the usual sparkle in your eyes.  
Tears flow down my eyes copiously  
Every time I hear your name, my heart breaks silently  
My soul laments throughout the day  
Though there perceive me as happy & gay.  
The birds around me sing joyfully  
But, my ears feel the chirping to be melancholy  
The breeze shook the leaves softly  
But to me, everything seems to be gloomy.  
I remember how we cherished the dawn  
& how we enjoyed the dusk  
Being together was an experience ceaseless  
But, without you ..... its meaningless.

## Faith

The link between God and worshiper is faith. Strong faith makes people robust. It springs from the heart. It is based on the belief that he is almighty. He is the Lord and Creator.

Though God has many qualities yet he desires. That we ask him for his love and mercy. This is his way of testing our love and faith. The one who loves God and more importantly his creation impresses God the most. It is our faith which prophes us to love God. He holds such people dear to his heart.

When we learn to love we also develop faith that God shall never desert his true worshiper. Faith conquers all doubts and misgivings. No love can emerge without faith in the blessings of God. Faith is thus the binding force which holds together the worshiper and the worshiped. So we see faith is paramount. Let in them bow our heads and pray to God that he may bless our dejected souls with unblemished faith and crystal clear love. (Amen)

Take time to think  
It is the source of power.  
Take time to play  
It is the secret of youth.  
Take time to read  
It is the foundation of wisdom  
Take time to dream  
It is hitching your wagon to a star  
Take time to love and be loved  
It is the privilege of God.

## "Made in India" Vs " Make in India"

"Made in India" is a Label that accompanies all goods and commodities that have been manufactured in India.

"Make in India" is a campaign launched by the Prime-Minister of India, Mr. Narendra Modi to encourage industrialists to set up their manufacturing units in India.

So " Make in India" leads to " Made in India". Mr. Narendra Modi launched the campaign on September 25, 2014 with the primary goal of making India a global manufacturing hub.

## Pros and Cons of Cashless Economy In India.

Cashless economy refers to transaction done by digital means like banking, debit and credit cards, digital wallets etc.

In the beginning people thought that this is a great idea and the country will become corruption free. But as the time is passing people are getting weary about the ban.

### Pros:-

1. Positive impact on Society. Crime rate has dropped because of demonetization.
2. Attack on parallel economy. Black money and money laundering will run out of business now.
3. Increased access to credit for people who did not fall in any banking network which will reduce poverty.
4. All transactions that are done can be monitored and traced back to an individual. So, it will be really difficult for someone to evade tax.
5. Security and convenience as one does not need to carry a wallet with money in it. Transactions can be done with a mobile phone or credit card.

### Cons:-

1. Cashless economy is prone to cyber attacks like hacking, internet frauds etc.
2. Public has to trust Government or third party blindly because everything is under their control and possession.
3. Sectors like Real Estate, Jewelry, retail industry will be affected badly as they depend on high level of transactions.
4. It is really bad for the poor as half of the population does not fall in any banking network and they have to struggle to meet their basic needs like food, cloth & shelter.
5. Limited smartphone penetration as only 17% of Indians use smartphone which is very low.

Overall, the society has to play its part in understanding the importance of cashless economy and appreciate measures taken by the government.

## मानवता का मुखौटा

कहते हैं, दुनिया में कोई ऐसी शक्ति नहीं है, जो इन्सान को गिरा सके, इन्सान तो इन्सान द्वारा ही गिराया जाता है।

इस जगत में अच्छे-बुरे लोगों का संतुलन है। आज संस्कारों का चीरहरण हो रहा है, खूनी रिश्ते खून बहा रहे हैं। आज के युग में हमारी जो संस्कृति थी, वह विलुप्त हो रही है, दया, धर्म, ईमान का नामोनिशान मिट चुका है।

बुराई का सर्वत्र बोलबाला हो रहा है। आज ईमानदारों को उनकी मुख्यधारा से हाशिए पर धकेला जा रहा है।

जैसे गिरगिट अपना रंग बदलता उसी के समान इन्सान भी अपना रूप अपने मतलब के लिए बदल रहा है। गिरगिटों व बेईमानों को गले से लगाया जा रहा है।

यदि आज का युग देखें, तो हम देख सकते हैं- कि एक माँ-बाप दस बच्चों को पाल सकता है, लेकिन दस बच्चे एक माँ-बाप का बँटवारा कर रहे हैं। अगर हम इन्सान के चरित्र की बात करें तो हम देख सकते हैं, इन्सान पशु से भी बदतर होता जा रहा है, क्योंकि यदि पशु को एक जगह खूँटे से बाँध दिया जाए, तो वह अपने आप को उसी अवस्था में ढाल लेता है, परन्तु मानव अपनी परिस्थितियों के मुताबिक गिरगिट की तरह रंग बदलता है।

आज पैसों का बोलबाला है, ईमानदारी कराह रही है, अच्छाई बिलख रही है भाईचारा, सहयोग, मदद एक अंधेरे कमरे में सिमट गए हैं।

यदि हम आज के युग को देखें तो दिखता है हंस भीड़ में खोते जा रहे हैं, कौओं को मंच मिल रहा है। कहा जाता है ईश्वर की चक्की जब चलती है तो वह पाप व पापी को पीस कर रख देती है, "मानव सेवा ही नारायण सेवा है"

(यह अटल सत्य है)

## स्वाध्याय

स्वाध्याय मस्तिष्क के लिए शक्तिवर्द्धक रसायन के सदृश है। इससे बुद्धि निर्मलता बढ़ती है। अनुशासन की रक्षा और संशय की निवृत्ति होती है। जिन्हे स्वाध्याय रूपी

रत्न मिल जाता है उनके लिए कुबेर का रत्नकोष भी आकर्षक नहीं रह जाता। वचन

से विचारों में नवीनता आती है। श्रेष्ठ कृतियाँ प्रकाश नहीं हैं। यह अध्याय साधना का प्रवेश द्वार है। भगवान श्री कृष्ण ने स्वाध्याय को महायज्ञ बताया है। अध्ययन स्वाध्याय के रूप में परिवर्तित होता है तब अध्ययन जीवन के लिए वरदान बन जाता है। अपने द्वारा अपना अध्ययन स्वाध्याय है। स्वाध्याय का उद्देश्य सदसाहित्य में वर्णित सच्चरित्रता को अपने जीवन में व्यावहारिक रूप से धारण करना है। सत्य को जानने मानने में स्वाध्याय सहायक है। चिंतन इसका अभिन्न अंग है। स्वाध्याय जीवन मंत्र है। यह कृतज्ञता की भावना लाता है स्वाध्याय मन का संयम और सदाचार बढ़ाता है। यह अवगुणों को दूर कर सदगुणों का समावेश करता है। साधन से नई ऊर्जा का जन्म होता है।

शतपथ ब्राम्हण में योग के आठ अंगों में स्वाध्याय भी एक उपांग है जीवन को जानने वाले बहुत कम हैं, पर उसे नष्ट करने वाले अधिक हैं। स्वाध्याय सार्थक जीवन जीने की प्रेरणा देता है। यह आत्म साक्षात्कार के लिए प्रेरित करता है।

## सूर्य नमस्कार

समस्त ब्रह्माण्ड में ऊर्जा का मुख्य स्रोत सूर्य है अतः वैदिक काल से ही सूर्य उपासना के माध्यम से हम ऊर्जा ग्रहण करते आ रहे हैं। सूर्य नमस्कार एक जीवन शक्ति दायक अभ्यास के रूप में विख्यात है। यह अपने आप में पूर्ण साधना है जिसमें आसन प्राणायाम तथा ध्यान कि क्रियाएं सम्मिलित हैं। इसलिये सूर्य नमस्कार अन्य आसनों की अपेक्षा अधिक प्रभावशाली है। शरीर को लचीला, स्वस्थ और शक्तिशाली बनाने के लिये सूर्य नमस्कार 6 मुख्य आसनों एवं 12 स्थितियों व 12 मंत्रों को मिलाकर बना है।

## जीरो [शून्य 0] का जीवन में महत्व

## मित्र का चुनाव

संगति मनुष्य को अत्यधिक प्रभावित करती है। मनुष्य जब सत्संग अपनाता है तभी उसका चरित्र सुन्दर बनता है। तुलसीदास जी कहते हैं-  
सठ सुधरहिं सत्संगति पाई। पारस परस कुधात सुहाई।

मूर्ख व्यक्ति भी अच्छी संगति पाकर सुधर जाता है विलकुल दैसे ही जैसे पारस पत्थर से छूकर लोहा भी सोना बन जाता है।

मनुष्य को अपने सुख-दुख बाँटने के लिए मित्र की आवश्यकता होती है। अच्छा और गुणवान मित्र जीवन में सुख और शान्ति लाता है। किन्तु इसके विपरीत बुरा मित्र कष्ट देता है। पीठ के पीछे बुरा कहने वाले और मुँह पर मीठी-मीठी बातें करने वाले मित्रों से सदा दूर रहना चाहिए। ऐसे मित्रों से तो बुद्धिमान शत्रु भी अच्छा होता है। मित्रता केवल अपने ही जैसे लोगों से हो सकती है। मित्रता के लिए आवश्यक है- समान विचार धारा, समान ही कल्पना। गधे और घोड़े कुत्ते और बिल्ली बकरी और शेर जैसे प्राणियों में तो कभी आपस में मित्रता चल ही नहीं सकती।

दुख के समय ही सच्चे मित्र का पता चलता है। सुख के तो सब साथी हैं, किन्तु मनुष्य पर जब बुरा वक्त आता है- उसी समय सच्चे मित्र की असली पहचान होती है। सच्चा मित्र वही होता है जो स्वार्थी न हो दुख में साथ दे और मित्र का पसीना जहाँ पर गिरे वहाँ समय आने पर खून बहा दे। मित्रता वही है जो मित्र की रक्षा करे। मित्र को भाई से भी बढ़कर माना गया है। श्री कृष्ण और सुदामा, श्री कृष्ण और वीर अर्जुन श्री राम और विभीषण इन सबकी मित्रता एक आदर्श मित्रता मानी जाती है। जब भी किसी से मित्रता करें तो मित्रता के इन आदर्शों को सामने रखें।

## "प्रयास"

कर प्रयास नित लक्ष्य पर मंजिल मिल जाती,  
गिर कर उठना उठ कर चलना राह सरल हो जाती  
डर कर भागे हैं जीवन के रण क्षेत्र से तो,  
संभल सके न कभी वो जीती बाजी राह के  
हट जाती यदि पीछे कल्पना, क्या छू पाती आसमान को  
कर प्रयास नित लक्ष्य पर मंजिल मिल जाती  
गिर कर उठना, उठ कर चलना राह सरल हो जाती,  
माँ सिखलाती नवजात को चलना और डगरना,  
पिता कर्म की राह बताते ऊँ है उठना,  
कर प्रयास नित लक्ष्य पर मंजिल मिल जाती,  
गिर कर उठना उठ कर चलना राह सरल हो जाती।

## विनम्रता-विलक्षण मानवीय मूल्य

विनम्रता एक सहज मानवीय वृत्ति है, यह एक ऐसा गुण है जो न केवल मनुष्य की शारीरिक सुन्दरता के अभाव को सम्पूर्णता प्रदान करता है - वरन् उसके व्यक्तित्व को निखार कर नई ऊँचाइयों पर आरूढ़ कर देता है।

वस्तुतः विनम्रता और महानता एक दूसरे के पर्याय है एक महान व्यक्ति के चरित्र की सबसे प्रथम विशेषता उसकी विनम्रता होती है।

हमारी समग्र आध्यात्मिक मनीषी इस बात के साक्षी हैं कि विनम्र होकर ही हम ज्ञान प्राप्त कर सकते हैं।

गुरुनानक जी ने ठीक ही कहा है-

नानक नीचा हो रहो, जैसे नन्हीं दूब ।

बड़ी घास जरि जाएगें, हरी रहेगी दूब ।।

अन्ततः हम कह सकते हैं कि जो व्यक्ति जितना अधिक विनम्र होता है उसके सदगुण उतने ही बढ़ते हैं।

कहा भी गया है विद्या रूपी रत्नों से ही शिष्टता और विनयशीलता रूपी गहने गढ़े जाते हैं। यथा- 'विद्या ददाति विनयम्'।

एक कटोरा लो, उसमे कुछ अंगूर लो,  
अब एक अंगूर मुहें मे डालो,  
अब आईना देखो.....

डिश तैयार है.....

डिश का नाम है

लगूर के मुहें में अंगूर

## दहेज प्रथा एक कविता

लाखों घर बरबाद हुए हैं,  
इस दहेज की बोली में  
हल्दी लगी हजारों कन्या  
बैठ न पायी डोली में  
कितनों ने रानी गुड़िया को  
मण्डप में बैठाने को  
धन दौलत से तौला है,  
फिर भी बढ़ती है ज्वाला  
फूलों की शोय्या पर रोती

आज उपस्थित है बाला  
यही हमारा मनुष्य रूप है,  
यही अहिंसा प्यारी  
लड़के वालों के गर्दन पर  
चाकू रख कटारी  
आग लगे इस मानवता पर  
झूठे कोरे कागज पर  
जीवन भर आँसू ही पीती  
हाय! बेचारी रो-रोकर।

## समय का प्रवाह

जब राग रागिनी से डरता हो  
चाँद चाँदनी से डरता हो  
कैसे कोई कली मुस्कुराए  
जब आदमी ही आदमी से डरता हो  
घुटनों पर टिके हुए लोग,  
पैसों पर बिके हुए लोग,  
बरगद की करते हैं बात,  
गमलों में लगे हुए लोग,  
जो भाग्य में है वह भाग कर आएगा,  
जो नहीं है वह आकर भाग जाएगा।  
सच बिकता है, झूठ बिकती है,  
बिकती है कहानी  
तीनों लोकों में फैला हुआ है  
फिर बिकता है बोटल में पानी  
कभी फूलों की तरह मत जीना  
जिस दिन खिलोगे टूट के बिखर जाओगे  
जीना है तो पत्थर की तरह जियो  
जिस दिन तरासे गए भगवान बन जाओगे।  
रब ने नवाजा हमें जिन्दगी देकर  
और हम सोहरत माँगते रह गए  
जिन्दगी गुजार दी सोहरत के पीछे  
फिर जीने की मोहलत माँगते रह गए

## मन की शक्ति

महापुरुषों ने, शास्त्रों ने, वेदों ने और पुराणों ने इसी तथ्य पर प्रकाश डाला है, कि शरीर की शक्ति से मन की शक्ति बड़ी होती है। व्यक्ति को विपरीत परिस्थितियों में भी हार नहीं माननी चाहिए तथा दृढ़ इच्छा शक्ति के बल पर निरन्तर अपना लक्ष्य पाने के लिए संघर्षरत रहते हुए प्रयासरत रहना चाहिए। जीवन एक अविरत संग्राम है जिसमें मन को कभी हार नहीं माननी चाहिए। गीता में स्थितप्रज्ञ का लक्षण बताते हुए कहा गया है :-

“सुख दुःख समे कृत्वा लाभो लाभौ जया जयौ।।”

जो व्यक्ति सुख-दुख में लाभ-हानि में और जय-पराजय में समान व्यवहार करते हैं वे ही स्थितप्रज्ञ हैं। ऐसा वही कर सकता है जिसमें मन की शक्ति हो, जिसका मन कभी पराजित न हो। जीवन में सफलता पाने का मूल मंत्र यही है, और इसीलिए कहते हैं- ‘मन के हारे हार है, मन के जीते जीत’।
