(Established by the State Legislature Act 9 of 2003)

DEPARTMENT OF ENGLISH

Eng/2236
Date 16-02-2021

Sub: Constitution of Committees for the revision of curriculum.

The Department of English is in the process of revising and restructuring the course curriculum of English Courses being taught at the Under-graduate level according to Choice Based Credit System (CBCS) and Learning Outcome based Curriculum Framework (LOCF). Two workshops have already been organized recently by the dept to notice the gaps in the existing syllabus both at UG and PG levels and sensitize the teachers about the LOCF pattern. We have had very meaningful discussion on a wide variety of issues related to the curriculum and the exchange of information, ideas and insights and focused discussion during these two workshops have made our collective task easier. Since the college teachers are continuously interacting with under graduate students in their respective academic environment, they can meaningfully contribute to this ongoing task of the revision of syllabus. Keeping in view your expertise and experience as teachers of English language and literature, we constitute the following committees to prepare the draft of all the Courses being taught at the Undergraduate level. We expect that the Committees shall submit the draft syllabus by 25th Feb 2021 so that the same may be discussed and finalized in the UGBOS meeting scheduled to be held by the end of February 2021. We will send the sample syllabus of each course to the conveners of the committees who shall initiate the detailed discussion with other members of the committee to finalise the draft. The conveners of the committees may associate any teacher working in the colleges affiliated to CDLU with their respective committees to prepare the final draft.

The following committees have been constituted for the revision of UG Courses:

A) B.A. Pass Course (English)
