

CHAPTER 5
THE CONSUMPTION FUNCTION

1. The Propensity to Consume (or The Consumption Function)	... 110
2. Keynes' Consumption Function and Sinking Funds	... 123
3. The Multiplier	... 125
4. The Accelerator	... 147
5. Multiplier—Accelerator Interaction	... 153
6. Importance of Keynes' Consumption Function	... 156
7. Measures to Raise the Propensity to Consume	... 159

CHAPTER 6
THE INVESTMENT FUNCTION

1. The Marginal Efficiency of Capital	... 166
2. Business Expectations	... 178
3. Secular Stagnation <i>Vs.</i> Secular Inflation	... 183
4. Measures to Stimulate Private Investment	... 191
5. Public Investment	... 196
6. Theories of Interest	... 201
7. Liquidity Preference and the Rate of Interest	... 219
8. Supply of Money and the Rate of Interest	... 226

CHAPTER 7
SOME MONETARY AND FISCAL PROBLEMS
IN KEYNESIAN ECONOMICS

1. Keynes and the Quantity Theory of Money	... 237
2. Keynes and Inflation	... 248
3. Keynes and the Trade Cycle	... 255
4. Keynes and Commercial Policy	... 262

CHAPTER 8
WAGES AND EMPLOYMENT

1. Money Wages and Real Wages	... 271
2. Classical View of the Relationship Between Wages and Employment	... 271
3. Keynes' Criticism of the Classical View	... 273
4. Keynes' Views on the Relationship Between Wages and Employment	... 276
5. Effect of a General Money-Wage Cut on the Propensity to Consume	... 278
6. Effect of a General Money-Wage Cut on Marginal Efficiency of Capital	... 279

7. Effect of a General Money-Wage Cut on the Rate of Interest	... 281
8. Did Keynes Advocate Wage-Boosts ?	... 283
9. Modern Theory of Wages and Employment	... 285
10. Practical Importance of the Modern Wages-Employment Theory	... 287

CHAPTER 9
FULL EMPLOYMENT POLICY

1. Meaning of Full Employment	... 290
2. Monetary Policy for Full Employment	... 294
3. Monetary Policy for an Under-developed Economy	... 297
4. Fiscal Policy for Full Employment	... 299
5. Fiscal Policy for an Under-developed Economy	... 304
6. Other Measures for Full Employment	... 308

CHAPTER 10
ANTI-INFLATION POLICY

1. What is Inflation ?	... 312
2. Keynes' Inflationary Gap	... 315
3. Effects of Inflation	... 318
4. Inflation <i>vs.</i> Deflation	... 319
5. Inflation in an Under-developed Economy	... 320
6. Need for Action	... 321
7. Anti-inflation Policy	... 322

CHAPTER 11
EVALUATION OF THE KEYNESIAN THEORY OF
EMPLOYMENT

1. Contribution of Keynes to Economic Theory	... 332
2. Practical Importance of Keynesian Theory	... 338
3. Failures and Weaknesses of Keynes	... 339
4. Criticism of Keynesian Policy of Full Employment	... 352
5. Conclusion	... 355

CHAPTER 12
APPLICABILITY OF KEYNESIAN ANALYSIS TO
UNDER-DEVELOPED COUNTRIES
